

Accelsius, an Innventure Company, Launches Breakthrough Data Center Cooling Technology

04.18.24

NeuCool™ direct-to-chip solution offers data center operators an estimated 50% savings in energy costs and an 80% reduction in CO2 emissions

Accelsius CEO Josh Claman showcased the NeuCool™ platform at Data Center World 2024

ORLANDO, Fla.--([BUSINESS WIRE](#))--Innventure LLC ("Innventure" or "the Company"), an enterprise growth engine, today announced that Accelsius Inc. ("Accelsius"), the thermal management technology company Innventure launched in 2022, unveiled its two-phase, direct-to-chip liquid cooling technology designed for data centers. The NeuCool™ system is expected to deliver best-in-class thermal performance for powerful processors that run AI, machine learning, high-performance computing and other intensive workloads.

"Accelsius exemplifies the best of the Innventure model," said Bill Haskell, CEO of Innventure. "We use our expertise and partnerships with multinational corporations to bring breakthrough technologies to market and maximize their value. Accelsius combines a world class team with a transformative technology-based solution—the hallmark of an Innventure company. We look forward to continuing to build disruptive companies, from inception through commercialization, that potentially satisfy unmet market needs and, in our view, have a clear path for growth."

Accelsius CEO Josh Claman unveiled NeuCool™ at Data Center World 2024, a global conference designed to help data center and IT professionals discuss solutions for today's key challenges. Accelsius shared the stage with panelists from leading IT tech firms to discuss how the rapid adoption of AI, and the associated rise in electricity consumption, requires liquid cooling at scale. NeuCool™ is expected to offer an estimated 50% savings in energy costs, an 80% reduction in CO2 emissions, and use zero water.

Innventure uses operational expertise to take breakthrough technologies sourced from multinational corporations to market. In the process, Innventure builds and scales companies around these technologies using a systematic, quantitative, and repeatable analysis.

Innventure has launched three such companies since its inception: PureCycle Technologies, Inc., AeroFlexx and Accelsius. PureCycle became a publicly traded company in 2021 and, as of December 31, 2023, Innventure owns less than 2% of PureCycle.

Earlier, Innventure announced its intention to enter into a business combination with Learn CW Investment Corporation, a special purpose acquisition company (NYSE: LCW).

About Innventure

Innventure founds, funds, and operates companies with a focus on transformative, sustainable technology solutions acquired or licensed from Multinational Corporations ("MNCs"). As owner-operators, Innventure takes what it believes to be breakthrough technologies from early evaluation to scaled commercialization utilizing an approach designed to help mitigate risk as it builds disruptive companies it believes have the potential to achieve a target enterprise value of at least \$1 billion. Innventure defines "disruptive" as innovations that have the ability to significantly change the way businesses, industries, markets and/or consumers operate.

Cautionary Statement Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including statements regarding the parties or the parties' respective management team's expectations, hopes, beliefs, intentions, plans, prospects or strategies regarding the future, including the business combination, the parties' ability to close the referenced business combination, the anticipated benefits of the business combination, including revenue growth and financial performance, product expansion and services, and the financial condition, results of operations, earnings outlook and prospects of Innventure and/or Learn CW, including, in all cases, statements for the period following the consummation of the business combination. Any statements contained herein that are not statements of historical fact may be deemed to be forward-looking statements. In addition, any statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intends," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "will," "would" and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. The forward-looking statements contained in this press release are based on our current expectations and beliefs made by the management of Learn CW and Innventure in light of their respective experience and their perception of historical trends, current conditions and expected future developments and their potential effects on Learn CW and Innventure as well as other factors they believe are appropriate in the circumstances. There can be no assurance that future developments affecting Learn CW or Innventure will be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond the control of the parties) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements, including those discussed and identified in the public filings made or to be made with the SEC by Learn CW, including in the final prospectus relating to Learn CW's initial public offering, which was filed with the SEC on October 12, 2021 under the heading "Risk Factors," or made or to be made by Learn SPAC Holdco, Inc., and the following: expectations regarding Innventure's strategies and future financial performance, including its future business plans, expansion plans or objectives, prospective performance and opportunities and competitors, revenues, products and services, pricing, operating expenses, product and service acceptance, market trends, liquidity, cash flows and uses of cash, capital expenditures, and Innventure's ability to invest in growth initiatives; the implementation, market acceptance and success of Innventure's business model and growth strategy; Innventure's future capital requirements and sources and uses of cash; that Innventure will have sufficient capital upon the approval of the business combination to operate as anticipated; Innventure's ability to obtain funding for its operations and future growth; developments and projections relating to Innventure's competitors and industry; the occurrence of any event, change or other circumstances that could give rise to the termination of the business combination agreement ("BCA"); the outcome of any legal proceedings that may be instituted against Learn SPAC Holdco, Inc., Learn CW or Innventure following announcement of the BCA and the transactions contemplated therein; the inability to complete the business combination due to, among other things, the failure to obtain Learn CW shareholder approval; regulatory approvals; the risk that the announcement and consummation of the proposed business combination disrupts Innventure's current plans; the ability to recognize the anticipated benefits of the business combination; unexpected costs related to the proposed business combination; the amount of any redemptions by existing holders of Learn CW's common stock being greater than expected; limited liquidity and trading of Learn CW's securities; geopolitical risk and changes in applicable laws or regulations; the possibility that Learn CW and/or Innventure may be adversely affected by other economic, business, and/or competitive factors; the potential characterization of Innventure as an investment company subject to the Investment Company Act of 1940; operational risk; and the risk that the consummation of the business combination is substantially delayed or does not occur. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. All forward-looking statements in this press release are made as of the date hereof, based on information available to Learn CW and Innventure as of the date hereof, and Learn CW and Innventure assume no obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
