About Innventure

Innventure founds, funds, and operates companies with a focus on transformative, sustainable technology solutions acquired or licensed from multinational corporations. Innventure takes what it believes to be breakthrough technologies from early evaluation to scaled commercialization utilizing an approach designed to help mitigate risk as it builds disruptive companies it believes have the potential to achieve a target enterprise value of at least \$1 billion. Innventure defines "disruptive" as innovations that have the ability to significantly change the way businesses, industries, markets and/or consumers operate.
