CERTIFICATE OF DESIGNATION
OF
SERIES C PREFERRED STOCK
OF
INNVENTURE, INC.
FILED IN THE OFFICE
OF
THE DELAWARE SECRETARY OF STATE
ON MARCH 24, 2025

Pursuant to Section 151
of the
General Corporation Law of the State of Delaware

Pursuant to Section 151 of the General Corporation Law of the State of Delaware, Innventure, Inc., a corporation duly organized and validly existing under the State of Delaware (the “Company”), does hereby submit the following:

WHEREAS, the Amended and Restated Certificate of Incorporation of the Company (as amended, restated, supplemented or otherwise modified from time to time, the “Certificate of Incorporation”) authorizes the issuance of up to 25,000,000 shares of Preferred Stock, with a par value of \$0.0001 per share, of the Company (“Preferred Stock”) in one or more series; and expressly authorizes the Board of Directors of the Company (the “Board of Directors”) to cause the issuance of the shares of Preferred Stock in such series and to fix from time to time before issuance the number of shares to be included in any such series and the designation, powers, preferences and other rights, if any, and the qualifications, limitations or restrictions thereof; and

WHEREAS, on March 21, 2025, the Board of Directors approved and adopted the following certificate of designation (this “Certificate”) for purposes of issuing shares of Preferred Stock designated as a series known as “Series C Preferred Stock”, with each such share having the designations, powers, preferences and relative, participating, optional or other rights, and the qualifications, limitations and restrictions, as set forth in this Certificate.

NOW THEREFORE, BE IT RESOLVED, that, pursuant to authority conferred upon the Board of Directors by the Certificate of Incorporation, the Board of Directors hereby provides out of the unissued shares of the Preferred Stock a series of Preferred Stock designated as “Series C Preferred Stock” and authorizes for issuance 5,000,000 shares of the Series C Preferred Stock (as defined below), and hereby fixes the designations, powers, preferences and other rights, and the qualifications, limitations and restrictions of the Series C Preferred Stock, as follows:

1. Designation. A total of 5,000,000 shares of Preferred Stock shall be designated as a series known as “Series C Preferred Stock” (the “Series C Preferred Stock”), which Series C Preferred Stock will have the designations, powers, preferences and relative, participating, optional, special and other rights, and the qualifications, limitations and restrictions set forth in this Certificate.

2. Ranking; Liquidation. With respect to (a) payment of dividends, (b) distribution of assets and (c) all other liquidation, winding up, dissolution, dividend and redemption rights, the Series C Preferred Stock shall rank pari passu in priority of payment to all Parity Stock and senior in priority of payment to all Junior Stock in any liquidation, dissolution, winding up or distribution of the Company, and junior to any existing or future secured or unsecured indebtedness and other liabilities (including trade payables) of the Company.

3. Voting.

(a) Generally. On any matter presented to the stockholders of the Company for their action or consideration at any meeting of stockholders of the Company (or by written consent of the stockholders in lieu of a meeting), each Holder shall be entitled to cast the number of votes per each whole share of Series C Preferred Stock held by such Holder as of the record date for determining stockholders entitled to vote on such matter (or, if no such record date is established, as of the date such vote is taken or any written consent of stockholders is solicited) equal to (i) the Original Issue Price as of the record date for determining stockholders entitled to vote on such matter (or, if no such record date is established, as of the date such vote is taken or any written consent of stockholders is solicited) *divided by* (ii) the Minimum Price (as defined in Nasdaq Listing Rule 5635(d)) of Common Stock as of the Initial Issue Date (as determined by reference to the Nasdaq Official Closing Price). Except as provided by law or by the other provisions of this Certificate, Holders shall vote together with the holders of Series B Preferred Stock and Common Stock as a single class and as provided pursuant to this Section 3(a). Notwithstanding the foregoing, the Holders of shares of Series C Preferred Stock shall not be entitled to any voting rights in respect of such shares of Series C Preferred Stock, at any stockholders’ meeting or in any written consent of stockholders, in each case to the extent, and only to the extent, that such Holders would have the right to a number of votes in respect of such Holders’ shares of Voting Stock of the Company in excess of 19.99% of the then-outstanding Stockholder Voting Power. For the avoidance of doubt, the Holders of shares of Series C Preferred Stock shall not be entitled to any voting rights at any stockholders’ meeting or in any written consent of the stockholders, in each case to the extent, and only to the extent, that the issuance, delivery, conversion or convertibility of such Series C Preferred Stock would result in such Holder or a “person” or “group” (within the meaning of Section 13(d)(3) of the Exchange Act) beneficially owning in excess of the Threshold Amount prior to such voting rights being approved by the Company’s stockholders (whether approved through a special meeting of the Company’s stockholders or otherwise) in accordance with the stockholder approval requirements of Nasdaq Marketplace Rule 5635 (or any equivalent rule or requirement of the applicable exchange or automated quotation system on which the Common Stock is then listed or quoted) (the “Requisite Stockholder Approval”).

(b) Written Consent; Meetings. A consent or affirmative vote of the Holders may be given or obtained either in writing without a meeting, or in person or by proxy at a regular annual meeting, or a special meeting of stockholders or Holders.

4. Dividends.

(a) All Dividends are pari passu with any dividend on any Parity Stock and are prior to and in preference over any dividend on any Junior Stock. All Dividends shall be declared and fully paid concurrently with any dividends declared and paid, or any other distributions made, on Parity Stock but before any dividends are declared and paid, or any other distributions are made, on any Junior Stock. Dividends shall be payable to the Holders as they appear on the records of the Company on the record date for such Dividends, which, to the extent the Board of Directors determines to declare Dividends in respect of any Dividend Period, shall be the date that is 10 Business Days prior to the applicable Dividend Payment Date, and which record date and Dividend Payment Date, to the extent so determined, shall be declared by the Board of Directors during each Dividend Period on the date that is at least 15 Business Days prior to the Dividend Payment Date and five Business Days prior to the record date.

(b) From and after the Initial Issue Date, preferential cumulative dividends (“Dividends”) shall accrue on the total number of shares of Series C Preferred Stock held by a Holder on an annual basis and in arrears as 8.0% of the Liquidation Preference (the “Dividend Rate”). Dividends will be due and payable annually in arrears as payment in kind (in the form of shares of Series C Preferred Stock) on each Dividend Payment Date.

(c) The Holders of Series C Preferred Stock will be entitled to receive all dividends and other distributions of cash and other property as may be declared on the Common Stock by the Board of Directors from time to time out of assets or funds of the Company legally available therefor, as if all shares of the Series C Preferred Stock held by such Holder had been converted into the applicable number of shares of Common Stock pursuant to Section 6 on the day any such dividend was declared.

5. Amendments and Waivers. So long as any shares of Series C Preferred Stock remain outstanding, and unless a greater percentage is required by law, the Company shall not, without the affirmative vote or written consent of the Holders of 51% of the then-outstanding Series C Preferred Stock, voting separately as one class, amend, alter or change the rights, preferences or privileges of the shares of Series C Preferred Stock, or waive the compliance of any of the covenants included in this Certificate; *provided, however*, that the Company shall not effect any of the following matters without the consent of each Holder that is adversely affected thereby:

(a) reduce the Dividend Rate or alter the timing or method of payment of any Dividends pursuant to Section 4;

(b) authorize the issuance of any series of Preferred Stock of the Company that is senior to the Series C Preferred Stock with respect to any rights referenced in Section 2 of this Certificate; or

(c) reduce the Original Issue Price.

6. Conversion.

(a) Mandatory Conversion.

(i) All shares of Series C Preferred Stock will be converted into shares of Common Stock (the “Mandatory Conversion”) on the fifth anniversary of the Initial Issue Date.

(ii) Mechanics of Conversion. Prior to such date of conversion, the Company shall send all Holders written notice. Such notice will contain the time (“Mandatory Conversion Time”) and the place designated for mandatory conversion of all such shares of Series C Preferred Stock pursuant to this Section 6(a). Such notice will be sent at least seven days in advance of the Mandatory Conversion Time. Upon receipt of such notice, each Holder that holds shares of Series C Preferred Stock in certificated form shall surrender his, her or its certificate or certificates for all such shares (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate) to the Company at the place designated in such notice. If so required by the Company, any certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the Holder or by his, her or its attorney duly authorized in writing. All rights with respect to the Series C Preferred Stock converted pursuant to this Section 6(a) will terminate at the Mandatory Conversion Time (notwithstanding the failure of the holder or holders thereof to surrender any certificates at or prior to such time), except only the rights of the Holders thereof, upon surrender of any certificate or certificates of such Holders (or lost certificate affidavit and agreement) therefor, to receive the items provided for in the next sentence of this Section 6(a)(ii). As soon as practicable after the Mandatory Conversion Time and, if applicable, the surrender of any certificate or certificates (or lost certificate affidavit and agreement) for Series C Preferred Stock, the Company shall issue and deliver to such Holder, (A) a certificate or certificates for the number of full shares of Common Stock issuable upon such conversion in accordance with the provisions hereof or (B) a notice of issuance of uncertificated shares and may, upon written request, issue and deliver a certificate for the number of full shares of Common Stock issuable upon such conversion in accordance with the provisions hereof.

(b) Holder Conversion Right.

(i) Upon the Effectiveness Date, each Holder may convert all of its shares of Series C Preferred Stock into shares of Common Stock (the “Holder Conversion Right” and together with the Mandatory Conversion, each a “Conversion Right”).

(ii) Mechanics of Conversion. In order for a Holder to voluntarily convert all of such Holder’s shares of Series C Preferred Stock into shares of Common Stock, such Holder shall (A) provide written notice to the Company’s transfer agent at the office of the transfer agent for the Series C Preferred Stock (or at the principal office of the Company if the Company serves as its own transfer agent) that such Holder elects to convert all of such Holder’s shares of Series C Preferred Stock and (B), if such Holder’s shares are certificated, surrender the certificate or certificates for such shares of Series C Preferred Stock (or, if such registered Holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Company to indemnify the Company against any claim that may be made against the Company on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Preferred Stock (or at the principal office of the Company if the Company serves as its own transfer agent). Such notice shall state such Holder’s name. If required by the Company, any certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Company, duly executed by the registered holder or his, her or its attorney duly authorized in writing. Unless a later time and date is otherwise specified by the Company, the close of business on the date of receipt by the transfer agent (or by the Company if the Company serves as its own transfer agent) of such notice and, if applicable, certificates (or lost certificate affidavit and agreement) shall be the time of conversion (the “Conversion Time”), and the shares of Common Stock issuable upon conversion of the specified shares shall be deemed to be outstanding of record as of such date. The Company shall, as soon as practicable after the Conversion Time issue and deliver to such Holder, (y) a certificate or certificates for the number of full shares of Common Stock issuable upon such conversion in accordance with the provisions hereof or (z) a notice of issuance of uncertificated shares and may, upon written request, issue and deliver a certificate for the number of full shares of Common Stock issuable upon such conversion in accordance with the provisions hereof.

(c) Conversion Rate. Upon the exercise of or occurrence of a Conversion Right, the conversion rate will equal a fraction whose numerator is the Original Issue Price and whose denominator is the lesser of (i) the Reset Conversion Price or (ii) \$12.50 (such rate as determined by this Section 6(c), the “Conversion Rate”).

(d) Number of Shares Issuable Upon Conversion. The number of shares of Common Stock that each Holder will receive upon conversion of all of such Holder’s shares of Series C Preferred Stock will be the number of shares equal to the Conversion Rate *multiplied by* the number of shares of Series C Preferred Stock held by such Holder; *provided that* no fractional shares shall be issued upon the exercise or occurrence of any Conversion Right. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise or occurrence of such Conversion Right, the Company shall round up to the next whole share.

(e) Effect of Conversion. All shares of Series C Preferred Stock which shall have been surrendered for conversion under this Section 6 shall no longer be deemed to be outstanding and all rights with respect to such shares shall immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor.

(f) Nasdaq Conversion Limits. Any proposed conversion will be reviewed and addressed in accordance with Article VII of the Preferred Stock Purchase Agreement for compliance with Nasdaq conversion limits.

- (iii) Compliance with Rules of Principal Market. Notwithstanding anything to the contrary herein, the Company shall not effect any sales under this Agreement and the Investor shall not have the obligation to purchase Common Shares under this Agreement to the extent (but only to the extent) that after giving effect to such purchase and sale the aggregate number of Common Shares issued under this Agreement would exceed 19.99% of the aggregate amount of Common Shares issued and outstanding as of the Effective Date, calculated in accordance with the rules of the Principal Market, which number shall be reduced, on a share-for-share basis, by the number of Common Shares issued or issuable pursuant to any transaction or series of transactions that may be aggregated with the transactions contemplated by this Agreement under the applicable rules of the Principal Market (such maximum number of shares, the "Exchange Cap") *provided that*, the Exchange Cap will not apply if (a) the Company's stockholders have approved issuances in excess of the Exchange Cap in accordance with the rules of the Principal Market, or (b) the Average Price of all applicable sales of Common Shares hereunder (including any sales covered by an Advance Notice that has been delivered prior to the determination of whether this clause (b) applies) equals or exceeds the lower of (i) the Nasdaq Official Closing Price (as reflected on Nasdaq.com) immediately preceding the Effective Date; or (ii) the average Nasdaq Official Closing Price for the five Trading Days immediately preceding the Effective Date). In connection with each Advance Notice, any portion of an Advance that would exceed the Exchange Cap shall automatically be withdrawn with no further action required by the Company and such Advance Notice shall be deemed automatically modified to reduce the aggregate amount of the requested Advance by an amount equal to such withdrawn portion in respect of each Advance Notice.

(iv) Option 1 Volume Threshold. In connection with an Advance Notice, if the total number of Common Shares traded on the Principal Market during the applicable Pricing Period is less than the Volume Threshold, then the number of Advance Shares issued and sold pursuant to such Advance Notice shall be reduced to the greater of (a) 35% of the trading volume of the Common Shares on the Principal Market during such Pricing Period as reported by Bloomberg L.P., or (b) the number of Common Shares sold by the Investor during such Pricing Period, but in each case not to exceed the amount requested in the Advance Notice.

(f) Option 2 Minimum Acceptable Price.

- (i) With respect to each Advance Notice selecting an Option 2 Pricing Period, the Company may notify the Investor of the MAP with respect to such Advance by indicating a MAP on such Advance Notice. If no MAP is specified in an Advance Notice, then no MAP shall be in effect in connection with such Advance. Each Trading Day during an Option 2 Pricing Period for which (A) with respect to each Advance Notice with a MAP, the VWAP of the Common Shares is below the MAP in effect with respect to such Advance Notice, or (B) there is no VWAP (each such day, an “Excluded Day”), shall result in an automatic reduction to the number of Advance Shares set forth in such Advance Notice by one third (1/3rd) (the resulting amount of each Advance being the “Adjusted Advance Amount”), and each Excluded Day shall be excluded from the Option 2 Pricing Period for purposes of determining the Market Price.
- (ii) The total Advance Shares in respect of each Advance (after reductions have been made to arrive at the Adjusted Advance Amount, if any) shall be automatically increased by such number of Common Shares (the “Additional Shares”) equal to the number of Common Shares sold by the Investor on such Excluded Day, if any, and the price paid per share for each Additional Share shall be equal to the MAP in effect with respect to such Advance Notice multiplied by 97% (without any further discount), provided that this increase shall not cause the total Advance Shares to exceed the amount set forth in the original Advance Notice or any limitations set forth in Section 2.01(c).

- (g) Unconditional Contract. Notwithstanding any other provision in this Agreement, the Company and the Investor acknowledge and agree that upon the Investor's receipt of a valid Advance Notice from the Company the Parties shall be deemed to have entered into an unconditional contract binding on both Parties for the purchase and sale of Advance Shares pursuant to such Advance Notice in accordance with the terms of this Agreement and (i) subject to Applicable Laws and (ii) subject to Section 3.08, the Investor may sell Common Shares during the Pricing Period.

Section 2.02 Closings. The closing of each Advance and each sale and purchase of Advance Shares (each, a "Closing") shall take place as soon as practicable on or after each Advance Date in accordance with the procedures set forth below. The Parties acknowledge that the Purchase Price is not known at the time the Advance Notice is delivered (at which time the Investor is irrevocably bound) but shall be determined on each Closing based on the daily prices of the Common Shares that are the inputs to the determination of the Purchase Price as set forth further below. In connection with each Closing, the Company and the Investor shall fulfill each of its obligations as set forth below:

- (a) On each Advance Date, the Investor shall deliver to the Company a written document, in the form attached hereto as Exhibit B (each a "Settlement Document"), setting forth the final number of Shares to be purchased by the Investor (taking into account any adjustments pursuant to Section 2.01), the Market Price, the Purchase Price, the aggregate proceeds to be paid by the Investor to the Company, and a report by Bloomberg, L.P. indicating the VWAP for each of the Trading Days during the Pricing Period (or, if not reported on Bloomberg, L.P., another reporting service reasonably agreed to by the Parties), in each case in accordance with the terms and conditions of this Agreement.
- (b) Promptly after receipt of the Settlement Document with respect to each Advance (and, in any event, not later than one Trading Day after such receipt), the Company will, or will cause its transfer agent to, electronically transfer such number of Advance Shares to be purchased by the Investor (as set forth in the Settlement Document) by crediting the Investor's account or its designee's account at the Depository Trust Company through its Deposit Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the Parties hereto, and transmit notification to the Investor that such share transfer has been requested. Promptly upon receipt of such notification, the Investor shall pay to the Company the aggregate purchase price of the Shares (as set forth in the Settlement Document) in cash in immediately available funds to an account designated by the Company in writing and transmit notification to the Company that such funds transfer has been requested. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. To facilitate the transfer of the Common Shares by the Investor, the Common Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering the resale of such Common Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Common Shares pursuant to the Plan of Distribution set forth in the Prospectus included in the Registration Statement and otherwise in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption).

- (c) On or prior to the Advance Date, each of the Company and the Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Agreement in order to implement and effect the transactions contemplated herein.
- (d) Notwithstanding anything to the contrary in this Agreement, if on any day during the Pricing Period (i) the Company notifies Investor that a Material Outside Event has occurred, or (ii) the Company notifies the Investor of a Black Out Period, the Parties agree that the pending Advance shall end and the final number of Advance Shares to be purchased by the Investor at the Closing for such Advance shall be equal to the number of Common Shares sold by the Investor during the applicable Pricing Period prior to the notification from the Company of a Material Outside Event or Black Out Period.

Section 2.03 Hardship.

- (a) In the event the Investor sells Common Shares after receipt of an Advance Notice and the Company fails to perform its obligations as mandated in Section 2.02, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Investor is entitled at law or in equity, including, without limitation, specific performance, it will hold the Investor harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Investor shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to Applicable Laws and the rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.
- (b) In the event the Company provides an Advance Notice and the Investor fails to perform its obligations as mandated in Section 2.02, the Investor agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Company is entitled at law or in equity, including, without limitation, specific performance, it will hold the Company harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Investor and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Company shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to the Securities Act and other rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

Section 2.04 Completion of Resale Pursuant to the Registration Statement. After the Investor has purchased the full Commitment Amount and has completed the subsequent resale of the full Commitment Amount pursuant to the Registration Statement, Investor will notify the Company in writing (which may be by e-mail) that all subsequent resales are completed and the Company will be under no further obligation to maintain the effectiveness of the Registration Statement.

Section 3.11 No Governmental Review. The Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passes upon or endorsed the merits of the offering of the Shares.

Section 4.02 Authorization, Enforcement, Compliance with Other Instruments. The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and the other Transaction Documents and to issue the Shares in accordance with the terms hereof and thereof. Section 4.24 Acknowledgment Regarding Investor's Purchase of Shares. The Company acknowledges and agrees that the Investor is acting solely in the capacity of an arm's length investor with respect to this Agreement and the transactions contemplated hereunder. The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereunder and any advice given by the Investor or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereunder is merely incidental to the Investor's purchase of the Shares hereunder. The Company is aware and acknowledges that it shall not be able to request Advances under this Agreement if the Registration Statement is not effective or if any issuances of Common Shares pursuant to any Advances would violate any rules of the Principal Market. The Company acknowledges and agrees that it is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated by this Agreement.

The Investor's relationship to Company is solely as investor as provided for in the Transaction Documents.

Section 4.27 Operations. The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance with and neither the Company nor the Subsidiaries, nor any director, officer, or employee of the Company or any Subsidiary nor, to the Company's knowledge, any agent, affiliate or other person acting on behalf of the Company or any Subsidiary has, not complied with Applicable Law; and no action, suit or proceeding by or before any governmental authority involving the Company or any of its Subsidiaries with respect to Applicable Laws is pending or, to the knowledge of the Company, threatened.

Section 4.28 Forward-Looking Statements. No forward-looking statement (within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act) contained in the Registration Statement or a Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

Section 4.29 Compliance with Laws. The Company and each of its Subsidiaries are in compliance with Applicable Laws; the Company has not received a notice of non-compliance, nor knows of, nor has reasonable grounds to know of, any facts that any director, officer, or employee of the Company or any Subsidiary nor, to the Company's knowledge, any agent, Affiliate or other person acting on behalf of the Company or any Subsidiary has, has not complied with Applicable Laws, or could give rise to a notice of non-compliance with Applicable Laws, and is not aware of any pending change or contemplated change to any applicable law or regulation or governmental position; in each case that would have a Material Adverse Effect.

Section 4.30 Sanctions Matters. Neither the Company nor any of its Subsidiaries or, to the knowledge of the Company, any director, officer or controlled Affiliate of the Company or any director or officer of any Subsidiary, is a Person that is, or is owned or controlled by a Person that is (i) the subject of any sanctions administered or enforced by the U.S. Department of Treasury's Office of Foreign Asset Control ("OFAC"), the United Nations Security Council, the European Union, His Majesty's Treasury, or other relevant sanctions authorities, including, without limitation, designation on OFAC's Specially Designated Nationals and Blocked Persons List or OFAC's Foreign Sanctions Evaders List or other relevant sanctions authority (collectively, "Sanctions"), or (ii) located, organized or resident in a country or territory that is the subject of Sanctions that broadly prohibit dealings with that country or territory (including, without limitation, the Crimea, Zaporizhzhia and Kherson regions, the Donetsk People's Republic and Luhansk People's Republic in Ukraine, Cuba, Iran, North Korea, Russia, Sudan and Syria (the "Sanctioned Countries")). Neither the Company nor any of its Subsidiaries will, directly or indirectly, use the proceeds from the sale of Advance Shares, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other Person (a) for the purpose of funding or facilitating any activities or business of or with any Person or in any country or territory that, at the time of such funding or facilitation, is the subject of Sanctions or is a Sanctioned Country, or (b) in any other manner that will result in a violation of Sanctions or Applicable Laws by any Person (including any Person participating in the transactions contemplated by this Agreement, whether as underwriter, advisor, investor or otherwise). For the past five years, neither the Company nor any of its Subsidiaries has engaged in, and is now not engaged in, any dealings or transactions with any Person, or in any country or territory, that at the time of the dealing or transaction is or was the subject of Sanctions or was a Sanctioned Country. Article V. Indemnification

The Investor and the Company represent to the other the following with respect to itself:

Section 5.01 Indemnification by the Company. In consideration of the Investor's execution and delivery of this Agreement and acquiring the Shares hereunder, and in addition to all of the Company's other obligations under this Agreement, the Company shall defend, protect, indemnify and hold harmless the Investor and its investment manager, Yorkville Advisors Global, LP, and each of their respective officers, directors, managers, members, partners, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Investor Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable and documented expenses in connection therewith (irrespective of whether any such Investor Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by the Investor Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Investor specifically for inclusion therein; (b) any material misrepresentation or breach of any material representation or material warranty made by the Company in this Agreement or any other certificate, instrument or document contemplated hereby or thereby; or (c) any material breach of any material covenant, material agreement or material obligation of the Company contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby. To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Law, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 5.02 Indemnification by the Investor. In consideration of the Company's execution and delivery of this Agreement, and in addition to all of the Investor's other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company and all of its officers, directors, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Company Indemnitees") from and against any and all Indemnified Liabilities incurred by the Company Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. To the extent that the foregoing undertaking by the Investor may be unenforceable under Applicable Laws, the Investor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Laws.

Section 5.03 Notice of Claim. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article V, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article V except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; provided, however, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable third party fees and expenses of not more than one counsel for such Investor Indemnitee or Company Indemnitee to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Investor Indemnitee or Company Indemnitee and the indemnifying party would be inappropriate due to actual or potential differing interests between such Investor Indemnitee or Company Indemnitee and any other party represented by such counsel in such proceeding. The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article V shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due.

Section 5.04 Remedies. The remedies provided for in this Article V are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the Parties to indemnify or make contribution under this Article V shall survive expiration or termination of this Agreement.

Section 5.05 Limitation of liability. Notwithstanding the foregoing, no party shall be entitled to recover from the other party for punitive, indirect, incidental or consequential damages.

Section 6.02 Suspension of Registration Statement.

- (a) Establishment of a Black Out Period. Within 120 calendar days after the Effective Date, the Company will use its commercially reasonable efforts to prepare and file with the SEC a registration statement (the "Registration Statement") covering the resale of all shares of Common Stock to be issued upon conversion of all of the shares of Series C Preferred Stock then outstanding, including the shares of Series C Preferred Stock issued in connection with a dividend declared by the Company ("Converted Shares"). The Company shall promptly notify the Purchasers via email of the effectiveness of the Registration Statement on the same Business Day that the Company telephonically confirms effectiveness with the SEC.

Section 4.02. Obligations of the Company. When the registration of the Converted Shares pursuant to Section 4.01 is complete, the Company shall, as expeditiously as reasonably possible:

(a) subject to compliance with applicable SEC rules, use its commercially reasonable efforts to keep the Registration Statement continuously effective until the earlier of (i) the date on which all Converted Shares have been sold thereunder, (ii) the date on which all Converted Shares may be sold pursuant to Rule 144 without volume or manner-of-sale restrictions and without current public information (including pursuant to Rule 144(i)(2)), as reasonably determined by the counsel to the Company, or (iii) the date which is the fifth anniversary of the effective date of the Registration Statement;

(b) prepare and file with the SEC such amendments and supplements to the Registration Statement, and the prospectus used in connection with the Registration Statement, as may be necessary to comply with the Securities Act in order to enable the disposition of all Converted Shares covered by the Registration Statement;

(c) furnish to the selling Purchasers such numbers of copies of a prospectus, including a preliminary prospectus, as required by the Securities Act, and such other documents as the Purchasers may reasonably request in order to facilitate their disposition of their Converted Shares;

(d) use its commercially reasonable efforts to register and qualify the Converted Shares covered by the Registration Statement under such other securities or blue-sky laws of such jurisdictions as shall be reasonably requested by the selling Purchasers; *provided*, that the Company shall not be required to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act;

(e) use its commercially reasonable efforts to cause all such Converted Shares covered by the Registration Statement to be listed on a national securities exchange or trading system and each securities exchange and trading system (if any) on which similar securities issued by the Company are then listed;

(f) provide a transfer agent and registrar for all Converted Shares registered pursuant to the Registration Statement and provide a CUSIP number for all such Converted Shares, in each case not later than the effective date of such registration;

(g) enter into such agreements and take such other actions in order to expedite or facilitate the disposition of such Converted Shares; and

(h) after the Registration Statement becomes effective, notify each selling Purchaser of any request by the SEC that the Company amend or supplement the Registration Statement or prospectus.

Section 4.03. Furnish Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Article 4 with respect to the Converted Shares of any selling Purchaser that such Purchaser shall furnish to the Company such information regarding itself, the Converted Shares held by it, and the intended method of disposition of such securities as is reasonably required to effect the registration of such Purchaser's Converted Shares.

Section 4.04. Expenses of Registration. All expenses (other than Selling Expenses) incurred in connection with registrations, filings, or qualifications pursuant to Article 4, including all registration, filing, listing, printers' and accounting fees, shall be borne and paid by the Company. All Selling Expenses relating to Converted Shares registered pursuant to this Article 4 shall be borne and paid by the Purchasers pro rata on the basis of the number of Converted Shares registered on their behalf.

(a) In connection with any registration statement filed by the Company pursuant to Article 4 in which the Purchaser has registered Converted Shares for sale, the Purchaser will, and hereby agrees to, indemnify and hold harmless to the fullest extent permitted by law (i) the Company and each of its directors, officers, employees, agents, affiliates and each other person, if any, who controls the Company and (ii) each other seller and such other seller's directors, officers, managers, agents and affiliates (each, an "Investor Indemnitee"), in each case against any and all losses, claims, damages, liabilities (including actions or proceedings, whether commenced or threatened, in respect thereof, whether or not such indemnified party is a party thereto), joint or several, and expenses, including the reasonable fees, disbursements and other charges of legal counsel and reasonable costs of investigation, in each case to which such Investor Indemnitee may become subject under the Securities Act or otherwise (collectively, a "Loss" or "Losses") to the extent such Losses arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement (including the prospectus included within) or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in the light of circumstances in which they were made not misleading, if such untrue statement or alleged untrue statement or omission or alleged omission was made by the Company in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of the Purchaser or other seller of Converted Shares stating that it is for use therein; *provided, however*, that the liability of such indemnifying party under this Article 4 will be limited to the amount of the net proceeds (after giving effect to underwriting discounts and commissions) received by such indemnifying party in the sale of Converted Shares giving rise to such liability; and, *provided, further, however*, that no Purchaser shall be required to indemnify an Investor Indemnitee to the extent such Losses arise out of, relate to, or are incurred in connection with an Investor Indemnitee's gross negligence or willful misconduct. The foregoing indemnity will remain in full force and effect regardless of any investigation made by or on behalf of the Investor Indemnitee and will survive the transfer of such securities by such indemnifying party.

(b) Notice of Loss. Promptly after receipt by an indemnified party of written notice of the commencement of any action or proceeding involving a Loss referred to in this Article 4, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the indemnifying party of the commencement of such action; but the failure of any indemnified party to give notice as provided herein will not relieve the indemnifying party of its obligations under this Article 4 except to the extent that the indemnifying party is materially and actually prejudiced by such failure to give notice. In case any such action is brought against an indemnified party, (i) the indemnifying party will be entitled to participate in and, unless in the indemnified party's reasonable judgment a conflict of interest exists between the indemnified and indemnifying parties in respect of such Loss, to assume and control the defense thereof, at its own expense, jointly with any other indemnifying party similarly notified, to the extent that it may wish, with counsel reasonably satisfactory to the indemnified party, and (ii) after its assumption of the defense thereof, the indemnifying party will not be liable to the indemnified party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation, unless in the indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties arises in respect of such claim after the assumption of the defense thereof. No indemnifying party will be liable for any settlement of any such action or proceeding effected without the indemnifying party's written consent, which will not be unreasonably withheld. No indemnifying party will, without the consent of the indemnified party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to the indemnified party of a release from all liability in respect of such Loss or which requires action on the part of the indemnified party or otherwise subjects the indemnified party to any obligation or restriction to which it would not otherwise be subject.

(c) Contribution. If the indemnification provided for in this Article 4 is for any reason be unavailable in respect of any Loss, then, in lieu of the amount paid or payable under this Article 4, the indemnified party and the indemnifying party under this Article 4 will contribute to the aggregate Losses (including legal or other expenses reasonably incurred in connection with investigating the same) (i) in such proportion as is appropriate to reflect the relative fault of the Company and the prospective sellers of Converted Shares covered by the registration statement that resulted in such Loss with respect to the statements, omissions or action that resulted in such Loss, as well as any other relevant equitable considerations or (ii) if the allocation provided by the preceding clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and such prospective sellers, on the other hand, from their sale of Converted Shares; *provided* that, for purposes of this clause (ii), the relative benefits received by the prospective sellers will be deemed not to exceed the amount received by such sellers. No person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. No person will be obligated to contribute amounts under this Section 4.05(c) in payment for any settlement of any Loss effected without such person's consent, not to be unreasonably withheld, conditioned or delayed.

In the event that any dividend is paid in cash or a “determination” (as defined in Section 1313(a) of the Code) requires the accrual of dividends to be treated as a dividend for U.S. federal income Tax purposes, the Company shall provide each Purchaser with a reasonable opportunity to provide additional information or to apply for an exemption from, or a reduced rate of, any applicable withholding Tax. In the event that the Company receives notice in writing or otherwise in the context of a pending or threatened Tax proceeding from any Governmental Entity that the Tax treatment described in this Section 5.03 is or will be challenged by any Governmental Entity or otherwise raised as an issue by any Governmental Entity in connection with any Tax proceeding, (a) the Company shall promptly provide written notice thereof to the Purchasers and (b) the parties hereto shall reasonably cooperate in good faith to defend against any such challenge or claim.

CONVERSION LIMITATIONS

Section 7.01. Conversion Limitations.

(a) Notwithstanding anything herein to the contrary, including in the Certificate, the Company shall not issue to the Purchaser any shares of Common Stock to the extent such shares after giving effect to a conversion would:

(i) result in the Purchaser (together with the Purchaser's affiliates) (A) beneficially owning in excess of 19.99% of the number of shares of Common Stock outstanding immediately after giving effect to such issuance (the "Maximum Aggregate Ownership Amount") or (B) controlling in excess of 19.99% of the total voting power of the Company's securities outstanding immediately after giving effect to such issuance that are entitled to vote on a matter being voted on by holders of the Common Stock (the "Maximum Aggregate Voting Amount"), unless and until the Company obtains the approval by the Company's stockholders (whether approved through a special meeting of the Company's stockholders or otherwise) in accordance with the stockholder approval requirements of Nasdaq Marketplace Rule 5635 (or any equivalent rule or requirement of the applicable exchange or automated quotation system on which the Common Stock is then listed or quoted) (the "Requisite Stockholder Approval"); and

(ii) result in the aggregate number of shares of Common Stock issued exceeding 19.99% of the outstanding Common Stock as of the date immediately preceding the Effective Date (the "Issuance Cap"), unless and until the Company obtains the Requisite Stockholder Approval.

(b) For purposes of this Article VII, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(c) For purposes of this Article VII, in determining the number of outstanding shares of Common Stock, Purchaser may rely on the number of outstanding shares of Common Stock as reflected in (i) the Company's most recent Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, filed with the SEC, (ii) a more recent public announcement by the Company, or (iii) any other notice by the Company or the Company's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Purchaser, the Company shall within two Business Days confirm orally and in writing to such Purchaser the number of shares of Common Stock then outstanding.

(d) If on any attempted conversion of the Series C Preferred Stock, the issuance of the shares of Common Stock would exceed the Maximum Aggregate Ownership Amount, the Maximum Aggregate Voting Amount or the Issuance Cap, and the Company shall not have previously obtained Requisite Stockholder Approval at the time of conversion, then the Company shall (i) issue to the Purchaser requesting conversion such number of shares of Common Stock as may be issued below the Maximum Aggregate Ownership Amount, Maximum Aggregate Voting Amount, or the Issuance Cap, as the case may be and (ii) use reasonable best efforts to seek, as soon as practicable, the Requisite Stockholder Approval. For the avoidance of doubt, with respect to the remainder of the aggregate number of shares of Common Stock not then issued, the Series C Preferred Stock shall not be convertible until and unless the Requisite Stockholder Approval has been obtained.

It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Article IV with respect to the Converted Shares of any selling Purchaser that such Purchaser shall furnish to the Company such information regarding itself, the Converted Shares held by it, and the intended method of disposition of such securities as is reasonably required to effect the registration of such Purchaser's Converted Shares.

Section 4.04. Expenses of Registration. All expenses (other than Selling Expenses) incurred in connection with registrations, filings, or qualifications pursuant to Article IV, including all registration, filing, listing, printers' and accounting fees, shall be borne and paid by the Company. All Selling Expenses relating to Converted Shares registered pursuant to this Article IV shall be borne and paid by the Purchasers pro rata on the basis of the number of Converted Shares registered on their behalf.

Section 4.05. Indemnification.

(a) In connection with any registration statement filed by the Company pursuant to Article IV in which the Purchaser has registered Converted Shares for sale, the Purchaser will, and hereby agrees to, indemnify and hold harmless to the fullest extent permitted by law (i) the Company and each of its directors, officers, employees, agents, affiliates and each other person, if any, who controls the Company and (ii) each other seller and such other seller's directors, officers, managers, agents and affiliates (each, an "Investor Indemnitee"), in each case against any and all losses, claims, damages, liabilities (including actions or proceedings, whether commenced or threatened, in respect thereof, whether or not such indemnified party is a party thereto), joint or several, and expenses, including the reasonable fees, disbursements and other charges of legal counsel and reasonable costs of investigation, in each case to which such Investor Indemnitee may become subject under the Securities Act or otherwise (collectively, a "Loss" or "Losses") to the extent such Losses arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement (including the prospectus included within) or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in the light of circumstances in which they were made not misleading, if such untrue statement or alleged untrue statement or omission or alleged omission was made by the Company in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of the Purchaser or other seller of Converted Shares stating that it is for use therein; provided, however, that the liability of such indemnifying party under this Article IV will be limited to the amount of the net proceeds (after giving effect to underwriting discounts and commissions) received by such indemnifying party in the sale of Converted Shares giving rise to such liability; and, provided, further, however, that no Purchaser shall be required to indemnify an Investor Indemnitee to the extent such Losses arise out of, relate to, or are incurred in connection with an Investor Indemnitee's gross negligence or willful misconduct. The foregoing indemnity will remain in full force and effect regardless of any investigation made by or on behalf of the Investor Indemnitee and will survive the transfer of such securities by such indemnifying party.

(b) Notice of Loss. Promptly after receipt by an indemnified party of written notice of the commencement of any action or proceeding involving a Loss referred to in this Article IV, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the indemnifying party of the commencement of such action; but the failure of any indemnified party to give notice as provided herein will not relieve the indemnifying party of its obligations under this Article IV except to the extent that the indemnifying party is materially and actually prejudiced by such failure to give notice. In case any such action is brought against an indemnified party, (i) the indemnifying party will be entitled to participate in and, unless in the indemnified party's reasonable judgment a conflict of interest exists between the indemnified and indemnifying parties in respect of such Loss, to assume and control the defense thereof, at its own expense, jointly with any other indemnifying party similarly notified, to the extent that it may wish, with counsel reasonably satisfactory to the indemnified party, and (ii) after its assumption of the defense thereof, the indemnifying party will not be liable to the indemnified party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation, unless in the indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties arises in respect of such claim after the assumption of the defense thereof. No indemnifying party will be liable for any settlement of any such action or proceeding effected without the indemnifying party's written consent, which will not be unreasonably withheld. No indemnifying party will, without the consent of the indemnified party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to the indemnified party of a release from all liability in respect of such Loss or which requires action on the part of the indemnified party or otherwise subjects the indemnified party to any obligation or restriction to which it would not otherwise be subject.

If the indemnification provided for in this Article IV is for any reason be unavailable in respect of any Loss, then, in lieu of the amount paid or payable under this Article IV, the indemnified party and the indemnifying party under this Article IV will contribute to the aggregate Losses (including legal or other expenses reasonably incurred in connection with investigating the same) (i) in such proportion as is appropriate to reflect the relative fault of the Company and the prospective sellers of Converted Shares covered by the registration statement that resulted in such Loss with respect to the statements, omissions or action that resulted in such Loss, as well as any other relevant equitable considerations or (ii) if the allocation provided by the preceding clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and such prospective sellers, on the other hand, from their sale of Converted Shares; provided that, for purposes of this clause (ii), the relative benefits received by the prospective sellers will be deemed not to exceed the amount received by such sellers. No person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. No person will be obligated to contribute amounts under this Section 4.05(c) in payment for any settlement of any Loss effected without such person's consent, not to be unreasonably withheld, conditioned or delayed.

Section 7.01. Conversion Limitations.

(a) Notwithstanding anything herein to the contrary, including in the Certificate, the Company shall not issue to the Purchaser any shares of Common Stock to the extent such shares after giving effect to a conversion would:

(i) result in the Purchaser (together with the Purchaser's affiliates) (A) beneficially owning in excess of 19.99% of the number of shares of Common Stock outstanding immediately after giving effect to such issuance (the "Maximum Aggregate Ownership Amount") or (B) controlling in excess of 19.99% of the total voting power of the Company's securities outstanding immediately after giving effect to such issuance that are entitled to vote on a matter being voted on by holders of the Common Stock (the "Maximum Aggregate Voting Amount"), unless and until the Company obtains the approval by the Company's stockholders (whether approved through a special meeting of the Company's stockholders or otherwise) in accordance with the stockholder approval requirements of Nasdaq Marketplace Rule 5635 (or any equivalent rule or requirement of the applicable exchange or automated quotation system on which the Common Stock is then listed or quoted) (the "Requisite Stockholder Approval"); and

(ii) result in the aggregate number of shares of Common Stock issued exceeding 19.99% of the outstanding Common Stock as of the date immediately preceding the Effective Date (the "Issuance Cap"), unless and until the Company obtains the Requisite Stockholder Approval.

(b) For purposes of this Article VII, beneficial ownership shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(c) For purposes of this Article VII, in determining the number of outstanding shares of Common Stock, Purchaser may rely on the number of outstanding shares of Common Stock as reflected in (i) the Company's most recent Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, filed with the SEC, (ii) a more recent public announcement by the Company, or (iii) any other notice by the Company or the Company's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Purchaser, the Company shall within two Business Days confirm orally and in writing to such Purchaser the number of shares of Common Stock then outstanding.

(d) If on any attempted conversion of the Series C Preferred Stock, the issuance of the shares of Common Stock would exceed the Maximum Aggregate Ownership Amount, the Maximum Aggregate Voting Amount or the Issuance Cap, and the Company shall not have previously obtained Requisite Stockholder Approval at the time of conversion, then the Company shall (i) issue to the Purchaser requesting conversion such number of shares of Common Stock as may be issued below the Maximum Aggregate Ownership Amount, Maximum Aggregate Voting Amount, or the Issuance Cap, as the case may be and (ii) use reasonable best efforts to seek, as soon as practicable, the Requisite Stockholder Approval. For the avoidance of doubt, with respect to the remainder of the aggregate number of shares of Common Stock not then issued, the Series C Preferred Stock shall not be convertible until and unless the Requisite Stockholder Approval has been obtained.

Securities Purchase Agreement and Convertible Debentures

On March 25, 2025 (the “Agreement Date”), Innventure, Inc., a Delaware corporation (the “Company”), entered into a securities purchase agreement (the “Purchase Agreement”) with YA II PN, Ltd. (“Yorkville”), in connection with the issuance and sale by the Company of convertible debentures (the “Convertible Debentures”) issuable in an aggregate principal amount of up to \$30,000,000 (the “Subscription Amount”), which Convertible Debentures will be convertible into shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”) (as converted, the “Conversion Shares”). Pursuant to the Purchase Agreement, Yorkville will purchase, and the Company will issue, \$20,000,000 in aggregate principal amount of Convertible Debentures on the first business day after certain closing conditions are satisfied (the “First Closing Date”), including the timely filing of its Annual Report on Form 10-K for the year ended December 31, 2024 (the “First Closing”). Yorkville will purchase and the Company will issue an additional \$10,000,000 in aggregate principal amount of Convertible Debentures after both (i) the registration statement is filed with the Securities and Exchange Commission (the “SEC”) registering the resale of the Conversion Shares is declared effective by the SEC and (ii) the Company has received stockholder approval either through affirmative votes in the Company’s annual meeting or irrevocable proxies to do the same by a majority of the voting power of the Company (“Stockholder Approval”) of the issuance of Conversion Shares and shares issuable pursuant to the Company’s Standby Equity Purchase Agreement, dated October 24, 2023, with Yorkville in excess of the Exchange Cap (as defined below) (the “Second Closing”). If the First Closing does not occur by April 17, 2025, the parties may terminate their obligations under the Purchase Agreement.

The Convertible Debentures will not bear interest unless an event of default occurs and remains uncured, upon which the Convertible Debentures will bear interest at an annual rate of 18.0%. The Convertible Debentures will mature on the date that is 15 months from the First Closing Date (the “Maturity Date”) and, upon completion of the Second Closing, will result in gross proceeds to the Company of approximately \$27,000,000. The Convertible Debentures will be issued at an original issue discount of 10%. The Company will be required to make monthly cash payments of principal in amounts between \$1,000,000 and \$3,000,000 (as per the schedule set forth in the Convertible Debentures) plus a payment premium of 5% and all accrued and unpaid interest as of the date of such installment. Such payments will commence 30 days following the First Closing and will continue on a monthly basis thereafter until the Convertible Debentures are repaid in full.

The Convertible Debentures are convertible at the option of the holder into Common Stock equal to the applicable Conversion Amount (as defined below) divided by the Conversion Price (as defined below). The conversion price for the Convertible Debentures will initially be \$10.00, and will be adjusted on the six-month anniversary of the First Closing Date (the “First Reset Date”) and the nine-month anniversary of the First Closing Date (the “Second Reset Date” and collectively with the First Reset Date, a “Reset Date”) to equal the lower of the then applicable conversion price or the average volume weighted average price of the Common Stock for the 10 trading days immediately prior to the applicable Reset Date. Any portion of the Convertible Debentures may be converted at any time and from time to time, subject to the Exchange Cap (as defined below). The Conversion Amount with respect to any requested conversion will equal the principal amount requested to be converted plus all accrued and unpaid interest on the Convertible Debentures as of such conversion, with fractional shares rounded up (the “Conversion Amount”). In addition, no conversion will be permitted to the extent that, after giving effect to such conversion, the holder together with the certain related parties would beneficially own in excess of 4.99% of the Common Stock outstanding immediately after giving effect to such conversion, subject to certain adjustments.

The Company shall not issue any Common Stock upon conversion of the Convertible Debentures held by Yorkville if the issuance of such Common Stock underlying the Convertible Debentures would exceed the aggregate number of Common Stock that the Company may issue upon conversion of the Convertible Debentures in compliance with the Company’s obligations under the rules or regulations of Nasdaq Stock Market (the “Exchange Cap”). The Exchange Cap will not apply under certain circumstances, including if the Company obtains the approval of its stockholders as required by the applicable rules of the Nasdaq Stock Market for issuances of Common Stock in excess of such amount, including the Stockholder Approval, or if the Company obtains a written opinion from outside counsel to the Company that such stockholder approval is not required.

The Convertible Debentures provide the Company, subject to certain conditions, with an optional redemption right pursuant to which the Company, upon 10 trading days’ prior written notice to Yorkville (the “Redemption Notice”), may redeem in cash, in whole or in part, all amounts outstanding under the Convertible Debentures prior to the Maturity Date. The redemption amount shall be equal to the outstanding principal balance being redeemed by the Company, plus the redemption premium of 5% of the principal amount being redeemed if completed on or before the twelve-month anniversary of the issuance date, or 10% of the principal amount being redeemed if completed after the twelve-month anniversary of the issuance date, plus all accrued and unpaid interest as of the date of such redemption.

Pursuant to the terms of the Purchase Agreement, prior to the Company loaning, investing, transferring or downstreaming any cash proceeds, or assets or property acquired with cash proceeds from the issuance and sale of the Convertible Debentures to Innventure LLC (“Innventure LLC”), a wholly-owned subsidiary of the Company, Innventure LLC shall be obligated to enter into a global guaranty agreement (the “Guaranty”) in favor of Yorkville with respect to the Company’s obligations under the Purchase Agreement and the Convertible Debentures.

The foregoing descriptions of the Purchase Agreement, the Guaranty, and the Convertible Debentures do not purport to be complete and are qualified in their entirety by reference to the full text of such documents, which are filed herewith as Exhibits 10.1, 10.2 and 4.1, respectively, and are incorporated herein by reference.

Registration Rights Agreement

In connection with the Purchase Agreement, on the First Closing Date, the Company will enter into a registration rights agreement (the “Registration Rights Agreement”) with Yorkville pursuant to which Yorkville will be entitled to certain registration rights under the Securities Act of 1933, as amended (the “Securities Act”). Pursuant to the Registration Rights Agreement, the Company will be required to, on the 15th calendar day following the date the Company files its Annual Report on Form 10-K for the year ended December 31, 2024, file with the SEC (at its sole cost and expense) a registration statement (the “Registration Statement”) registering the resale by Yorkville of all Conversion Shares. Under the Registration Rights Agreement, Yorkville will also be granted demand registration rights and piggyback registration rights under certain conditions as described in the Registration Rights Agreement.

The Company will agree to use its best reasonable efforts to ensure that the Registration Statement is declared effective by the earlier of the date that is 60 calendar days following the filing of filing such Registration Statement or the fifth business day after the date the Company is notified by the SEC that the Registration Statement will not be reviewed or will not be subject to further review. The Company will also agree that, with respect to any additional registration statements filed pursuant to the Registration Rights Agreement, it will use its reasonable best efforts to ensure that such registration statement is declared effective by the earlier of the date that is 75 calendar days following the date on which the Company was required to file such registration statement and the fifth business day after the date the Company is notified by the SEC that such registration statement will not be reviewed or will not be subject to further review.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such document, which is filed herewith as Exhibit 10.3 and is incorporated herein by reference.

WTI Warrants

The Company also agreed to issue two warrants to purchase up to an aggregate total of 300,000 shares of Common Stock (the “WTI Warrants”) to WTI Fund X, LLC and WTI Fund XI, LLC (the “WTI Holders”), respectively, as consideration for WTI Fund X, Inc., WTI Fund XI, Inc., WTI Fund X, LLC and WTI Fund XI, LLC (collectively, the “WTI Entities”) entering into a consent with the Company and Innventure LLC, dated March 21, 2025, pursuant to which, among other things, the WTI Entities consented to (i) the Company entering into the Purchase Agreement and the transactions contemplated thereby and (ii) to the Company’s issuance of its Series C Preferred Stock, par value \$0.0001 per share, and the payoffs of certain related party loans (each as described in the Company’s Current Report on Form 8-K filed with the SEC on March 25, 2025). Each WTI Warrant will be exercisable into one share of Common Stock at a price of \$0.01 per share (subject to certain limitations, adjustment and certain other rights to possible future financings in accordance with terms of the WTI Warrants) through March 31, 2035. The WTI Warrants include customary registration rights and change-of-control adjustments. The WTI Holders will also have the option to purchase up to \$1.5 million (in the aggregate) or such amount as is necessary for each of the WTI Holders to maintain its pro rata ownership in certain future financings conducted by the Company, subject to customary exclusions.

The foregoing description of the WTI Warrants are qualified in their entirety by the terms and conditions of each of the WTI Warrants, the forms of which are filed herewith as Exhibits 4.2 and 4.3, respectively, and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information contained in Item 1.01 is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained in Item 1.01 is incorporated herein by reference. The issuance of the WTI Warrants, the Convertible Debentures and the Conversion Shares will be exempt from registration pursuant to Section 4(a)(2) of the Securities Act. Yorkville represented to the Company that it is an “accredited investor” as defined in Rule 501 of the Securities Act and that each of the Convertible Debentures and the Conversion Shares will be acquired for investment purposes and not with a view to, or for sale in connection with, any distribution thereof. The Company has also agreed to register the sale of the shares of Common Stock underlying the WTI Warrants under the Securities Act.

CONVERTIBLE DEBENTURE

Original Principal Amount: \$[20,000,000][10,000,000]

Issuance Date: [_____]

Number: INV-[1][2]

FOR VALUE RECEIVED, INNVENTURE, INC., a company incorporated under the laws of the State of Delaware (the “Company”), hereby promises to pay to the order of YA II PN, LTD., or its registered assigns (the “Holder”) the amount set out above as the Original Principal Amount (or such lesser amount as reduced pursuant to the terms hereof pursuant to repayment, redemption, conversion or otherwise, the “Principal”) and the Payment Premium or the Redemption Premium, as applicable, in each case when due, and to pay interest (“Interest”) on any outstanding Principal at the applicable Interest Rate (as defined below) from the date it commences to accrue pursuant to the terms hereof, until the same becomes due and payable, whether upon the Maturity Date or acceleration, conversion, redemption or otherwise (in each case in accordance with the terms hereof). The Issuance Date (set forth above) is the date of the first issuance of this Convertible Debenture (as amended, amended and restated, extended, supplemented or otherwise modified in writing from time to time, this “Debenture”) regardless of the number of transfers and regardless of the number of instruments, which may be issued to evidence such Debenture. This Debenture was originally issued pursuant to the Securities Purchase Agreement dated as of [_____], 2025, between the Company and the Buyers listed on the Schedule of Buyers attached thereto (as it may be amended from time to time, the “Securities Purchase Agreement”). Certain capitalized terms used herein are defined in Section (14).

(a) Maturity Date. On the Maturity Date, the Company shall pay to the Holder an amount in cash representing all outstanding Principal, together with the Payment Premium in respect of such Principal amount, and all interest and other amounts owing pursuant to the terms of this Debenture. The "Maturity Date" shall be [____], 202[___]¹, as may be extended at the option of the Holder. Other than as specifically permitted by this Debenture, the Company may not prepay or redeem any portion of the outstanding Principal and accrued and unpaid Interest.

(b) Interest Rate and Payment of Interest. Interest shall accrue on the outstanding Principal balance hereof at an annual rate equal to 0% ("Interest Rate"), which Interest Rate shall increase to an annual rate of 18% upon the occurrence of an Event of Default (for so long as such event remains uncured). Interest shall be calculated based on a 365-day year and the actual number of days elapsed, to the extent permitted by applicable law.

(c) Monthly Installment Payments. On or before each date (each, an "Installment Date") set forth on the repayment schedule attached hereto as Exhibit I (the "Repayment Schedule"), the Company shall repay a portion of the outstanding balance of this Debenture in an amount equal (i) the installment principal amount set forth on the Repayment Schedule as of such Installment Date (or the outstanding Principal if less than such amount (the "Installment Principal Amount")), plus (ii) the Payment Premium in respect of such Installment Principal Amount, and (iii) accrued and unpaid interest hereunder as of each Installment Date (collectively, the "Installment Amount"). With respect to the payment of any Installment Amount by the Company hereunder, the Company shall, at its own option, repay each Installment Amount either (i) in cash on or before the Installment Date, or (ii) by submitting an Advance Notice (an "Advance Repayment"), or a series of Advance Notices, each with an Advance Date on or before the applicable Installment Date, or any combination of (i) or (ii) as determined by the Company. In respect of any Installment Amount, or portion thereof, to be repaid by the Company in cash, the Company shall pay such Installment Amount to the Holder by wire transfer of immediately available funds in cash on or before such Installment Date. If the Company elects (or is deemed to have elected, as set forth below) an Advance Repayment in accordance with this Section for all or a portion of an Installment Amount, then the Company shall deliver an Advance Notice to the Holder in accordance with the terms and conditions of the SEPA, that will have an Advance Date on or before the applicable Installment Date. Upon the closing of such Advance Notice in accordance with the SEPA, the Holder shall offset the amount due to be paid by the Holder to the Company under the SEPA against an equal amount of the Installment Amount to be paid by the Advance Repayment. If, on the Installment Date any portion of the Installment Amount remains unpaid, the Company shall repay such outstanding Payment Amount as a cash repayment in accordance with this Section.

For so long as this Debenture is outstanding, subject to the provisions of Section 4(j)(iii) of the Securities Purchase Agreement, or unless otherwise agreed by the Holder, if the Company delivers an Advance Notice under the SEPA, the Company shall be deemed to have elected an Advance Repayment in respect of such Advance Notice up to the Installment Amount due on such upcoming Installment Date, or subsequent Installment Dates, until this Debenture is fully repaid. Any conversion of this Debenture made by the Holder shall have the effect of reducing the amount due on any Installment Date (i) first, with respect to the amount due on the next Installment Date, and (ii) second, in reverse chronological order, starting with the last Installment Date in time, by the amount of such conversion.

¹ Insert date 15 months from the First Closing Date (as defined in the SEPA).

(d) Optional Redemption. The Company at its option shall have the right, but not the obligation, to redeem (“Optional Redemption”) early all amounts outstanding under this Debenture as described in this Section; *provided*, that the Company provides the Holder with written notice (each, a “Redemption Notice”) of its desire to exercise an Optional Redemption, which Redemption Notice (i) shall be delivered to the Holder after the close of regular trading hours on a Trading Day, and (ii) may only be given if the VWAP of the Common Shares was less than the Conversion Price on the date such Redemption Notice is delivered, unless otherwise agreed by the Holder. Each Redemption Notice shall be irrevocable and shall specify the outstanding balance of the Debenture to be redeemed and the Redemption Amount. The “Redemption Amount” shall be an amount equal to (a) the outstanding Principal balance *plus* (b) the Redemption Premium in respect of such Principal balance *plus* (c) all accrued and unpaid interest hereunder as of the date of such redemption. After receipt of a Redemption Notice, the Holder shall have ten (10) Trading Days (beginning with the Trading Day immediately following the date such Redemption Notice is delivered to the Holder in accordance with this term of this Section 1(d)) to elect to convert all or any portion of this Debenture. On the eleventh (11th) Trading Day following the delivery of the applicable Redemption Notice, the Company shall deliver to the Holder the Redemption Amount with respect to the Principal amount redeemed to the extent not converted and otherwise after giving effect to conversions or other payments made during such ten (10) Trading Day period.

(e) Other than as specifically set forth in this Debenture, the Company shall not have the ability to make any early repayments without the consent of or at the request of the Holder.

(f) Payment Dates. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

(2) EVENTS OF DEFAULT.

(a) An “Event of Default”, wherever used herein, means any one of the following events (whatever the reason and whether it shall be voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court, or any order, rule or regulation of any administrative or governmental body) shall have occurred:

(v) The Common Shares shall cease to be quoted or listed for trading, as applicable, on any Principal Market for a period of ten (10) consecutive Trading Days;

(xi) The Company uses the proceeds of the issuance of this Debenture, whether directly or indirectly, and whether immediately, incidentally or ultimately, to purchase or carry margin stock (within the meaning of Regulations T, U and X of the Federal Reserve Board, as in effect from time to time and all official rulings and interpretations thereunder or thereof), or to extend credit to others for the purpose of purchasing or carrying margin stock or to refund indebtedness originally incurred for such purpose; or

(xii) Any Event of Default (as defined in the Other Debentures or in any Transaction Document other than this Debenture) occurs with respect to any Other Debentures.

(b) During the time that any portion of this Debenture is outstanding, if any Event of Default has occurred and is continuing (other than an event with respect to the Company described in Section (2)(a)(ii)), the full unpaid Principal amount of this Debenture, together with the Payment Premium(s) in respect of the Principal Amount that was due and payable on the date of the Event of Default, and all interest and other amounts owing in respect of this Debenture to the date of acceleration, shall become, at the Holder's election given by notice pursuant to Section (6), immediately due and payable in cash; provided that, in the case of any event with respect to the Company described in Section (2)(a)(ii), the full unpaid Principal amount of this Debenture, together with the Payment Premium(s) in respect of the Principal Amount that was due and payable on the date of the Event of Default, and all accrued and unpaid interest and other amounts owing in respect of this Debenture to the date of acceleration, shall automatically become due and payable, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Company. Furthermore, in addition to any other remedies, the Holder shall have the right (but not the obligation) to convert, on one or more occasions all or part of the Debenture in accordance with Section (3) (and subject to the limitations set out in Section (3)(c)(i) and Section (3)(c)(ii)) at any time after an Event of Default has occurred and is continuing until all amounts outstanding under this Debenture have been repaid in full. The Holder need not provide, and the Company hereby waives, any presentment demand, protest or other notice of any kind (other than any required notice of conversion), and the Holder may immediately enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such declaration may be rescinded and annulled by the Holder in writing at any time prior to payment hereunder. No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon.

(3) CONVERSION OF DEBENTURE. This Debenture shall be convertible into Common Shares, on the terms and conditions set forth in this Section (3).

(a) Conversion Right. Subject to the limitations of Section (3)(c), at any time or times on or after the Issuance Date, the Holder shall be entitled to convert any portion of the outstanding and unpaid Conversion Amount into fully paid and nonassessable Common Shares in accordance with Section (3)(b), at the Conversion Price. The number of Common Shares issuable upon conversion of any Conversion Amount pursuant to this Section (3)(a) shall be determined by dividing (x) such Conversion Amount by (y) the Conversion Price. The Company shall not issue any fraction of a Common Shares upon any conversion. All calculations under this Section (4) shall be rounded to the nearest \$0.0001. If the issuance would result in the issuance of a fraction of a Common Share, the Company shall round such fraction of a Common Share up to the nearest whole share. The Company shall pay any and all transfer, stamp and similar taxes that may be payable with respect to the issuance and delivery of Common Shares upon conversion of any Conversion Amount.

(b) Mechanics of Conversion.

(i) Optional Conversion. To convert any Conversion Amount into Common Shares on any date (a "Conversion Date"), the Holder shall (A) transmit by email (or otherwise deliver), for receipt on or prior to 11:59 p.m., New York time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit II (the "Conversion Notice") to the Company and (B) if required by Section (3)(b)(iii), surrender this Debenture to a nationally recognized overnight delivery service for delivery to the Company (or an indemnification undertaking reasonably satisfactory to the Company with respect to this Debenture in the case of its loss, theft or destruction). On or before the first (1st) Trading Day following the date of receipt of a Conversion Notice (the "Share Delivery Date"), the Company shall (X) if legends are not required to be placed on certificates or the book-entry position of the Common Shares and provided that the Company's transfer agent (the "Transfer Agent") is participating in the Depository Trust Company's ("DTC") Fast Automated Securities Transfer Program, instruct such Transfer Agent to credit such aggregate number of Common Shares to which the Holder shall be entitled to the Holder's or its designee's balance account with DTC through its Deposit Withdrawal Agent Commission system or (Y) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver to the address as specified in the Conversion Notice, a certificate or book-entry position, registered in the name of the Holder or its designee, for the number of Common Shares to which the Holder shall be entitled. If this Debenture is physically surrendered for conversion and the outstanding Principal of this Debenture is greater than the Principal portion of the Conversion Amount being converted, then the Company shall as soon as practicable and in no event later than three (3) Business Days after receipt of this Debenture and at its own expense, issue and deliver to the holder a new Debenture representing the outstanding Principal not converted. The Person or Persons entitled to receive the Common Shares issuable upon a conversion of this Debenture shall be treated for all purposes as the record holder or holders of such Common Shares upon the transmission of a Conversion Notice.

(ii) Company's Failure to Timely Convert. If the Company shall fail, for any reason or for no reason, on or prior to the applicable Share Delivery Date to issue and deliver a certificate to the Holder or credit the Holder's balance account with DTC for the number of Common Shares to which the Holder is entitled upon such Holder's conversion of any Conversion Amount (a "Conversion Failure"), and if on or after such Trading Day the Holder purchases (in an open market transaction or otherwise) Common Shares to deliver in satisfaction of a sale by the Holder of Common Shares issuable upon such conversion that the Holder anticipated receiving from the Company (a "Buy-In"), then the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and other out of pocket expenses, if any) for the Common Shares so purchased (the "Buy-In Price"), at which point the Company's obligation to deliver such certificate (and to issue such Common Shares) shall terminate, or (ii) promptly honor its obligation to deliver to the Holder a certificate or certificates representing such Common Shares to which the Holder is entitled with respect to such Conversion Notice and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of Common Shares, multiplied by (B) the Closing Price on the Conversion Date.

(iii) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion of any portion of this Debenture in accordance with the terms hereof, the Holder shall not be required to physically surrender this Debenture to the Company unless (A) the full Conversion Amount represented by this Debenture is being converted or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Debenture upon physical surrender of this Debenture. The Holder and the Company shall maintain records showing the Principal and Interest converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Debenture upon any conversion.

(c) Limitations on Conversions.

(i) Beneficial Ownership. The Holder shall not have the right to convert any portion of this Debenture to the extent that after giving effect to such conversion, the Holder, together with any affiliate thereof, would beneficially own (as determined in accordance with Section 13(d) of the Exchange Act and the rules promulgated thereunder) in excess of 4.99% of the number of Common Shares outstanding immediately after giving effect to such conversion. Since the Holder will not be obligated to report to the Company the number of Common Shares it may hold at the time of a conversion hereunder, unless the conversion at issue would result in the issuance of Common Shares in excess of 4.99% of the then outstanding Common Shares without regard to any other shares which may be beneficially owned by the Holder or an affiliate thereof, the Holder shall have the authority and obligation to determine whether the restriction contained in this Section will limit any particular conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the Principal amount of this Debenture is convertible shall be the responsibility and obligation of the Holder. If the Holder has delivered a Conversion Notice for a Principal amount of this Debenture that, without regard to any other shares that the Holder or its affiliates may beneficially own, would result in the issuance in excess of the permitted amount hereunder or under the rules and regulations of the Principal Market, the Company shall notify the Holder of this fact and shall honor the conversion for the maximum Principal amount permitted to be converted on such Conversion Date in accordance with Section (3)(a) and, any Principal amount tendered for conversion in excess of the permitted amount hereunder shall remain outstanding under this Debenture. The provisions of this Section may be waived by a Holder (but only as to itself and not to any other Holder) upon not less than 65 days prior notice to the Company. Other Holders shall be unaffected by any such waiver.

(ii) RESERVED.

(d) Other Provisions.

(i) All calculations under this Section (3) shall be rounded to the nearest \$0.0001 or whole share.

(ii) So long as this Debenture or any Other Debentures remain outstanding, the Company shall have reserved from its duly authorized share capital, and shall have instructed the Transfer Agent to irrevocably reserve, the maximum number of Common Shares issuable upon conversion of this Debenture and the Other Debentures (assuming for purposes hereof that (x) this Debenture and such Other Debentures are convertible at the Conversion Price as of the date of determination, and (y) any such conversion shall not take into account any limitations on the conversion of the Debenture or Other Debentures set forth herein or therein (the “Required Reserve Amount”)), provided that at no time shall the number of Common Shares reserved pursuant to this Section (3)(d)(ii) be reduced other than pursuant to the conversion of this Debenture and the Other Debentures in accordance with their terms, and/or cancellation, or reverse stock split. If at any time while this Debenture or any Other Debentures remain outstanding, the Company does not have a sufficient number of authorized and unreserved Common Shares to satisfy its obligations for the conversion of this Debenture, the Company will promptly take all corporate action necessary to propose to a meeting of its stockholders an increase of its authorized share capital necessary to meet the Company’s obligations pursuant to this Debenture, and cause its board of directors to recommend to the stockholders that they approve such proposal.

(iii) Nothing herein shall limit a Holder’s right to pursue actual damages or declare an Event of Default pursuant to Section (2) herein for the Company’s failure to deliver certificates representing Common Shares upon conversion within the period specified herein and such Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief, in each case without the need to post a bond or provide other security. The exercise of any such rights shall not prohibit the Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(iv) Legal Opinions. The Company is obligated to cause its legal counsel to deliver legal opinions to the Company's transfer agent in connection with any legend removal upon the expiration of any holding period or other requirement for which the Underlying Shares may bear legends restricting the transfer thereof; provided that the Holder shall provide to the Company and its counsel certificates and letters of representation, if any, that are reasonably required and customary under the circumstances to effect such legend removal. To the extent a legal opinion is not provided (either timely or at all), then the Company agrees to reimburse the Holder for all reasonable costs incurred by the Holder in connection with any legal opinions paid for by the Holder in connection with the removal of such legends in connection with a sale or transfer of the Underlying Shares. The Holder shall notify the Company of any such costs and expenses it incurs that are referred to in this section from time to time and all amounts owed hereunder shall be paid by the Company with reasonable promptness.

(e) Adjustment of Conversion Price upon Subdivision or Combination of Common Shares. If the Company, at any time while this Debenture is outstanding, shall (i) pay a stock dividend or otherwise make a distribution or distributions on its Common Shares or any other equity or equity equivalent securities payable in Common Shares, (ii) subdivide outstanding Common Shares into a larger number of shares, (iii) combine (including by way of reverse stock split) outstanding Common Shares into a smaller number of shares, or (iv) issue by reclassification of Common Shares any shares of capital stock of the Company, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of Common Shares (excluding treasury shares, if any) outstanding before such event and of which the denominator shall be the number of Common Shares outstanding after such event. Any adjustment made pursuant to this Section shall become effective, in the case of a dividend distribution, immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution or, in the case of a subdivision, combination or re-classification, and shall become effective immediately after the effective date of such subdivision, combination or re-classification.

(f) [RESERVED]

(g) Other Corporate Events. In addition to and not in substitution for any other rights hereunder, prior to the consummation of any Fundamental Transaction pursuant to which holders of Common Shares are entitled to receive securities or other assets with respect to or in exchange for Common Shares (a "Corporate Event"), the Company shall make appropriate provision to ensure that the Holder will thereafter have the right to receive upon a conversion of this Debenture, at the Holder's option, (i) in addition to the Common Shares receivable upon such conversion, such securities or other assets to which the Holder would have been entitled with respect to such Common Shares had such Common Shares been held by the Holder upon the consummation of such Corporate Event (without taking into account any limitations or restrictions on the convertibility of this Debenture) or (ii) in lieu of the Common Shares otherwise receivable upon such conversion, such securities or other assets received by the holders of Common Shares in connection with the consummation of such Corporate Event in such amounts as the Holder would have been entitled to receive had this Debenture initially been issued with conversion rights for the form of such consideration (as opposed to Common Shares) at a conversion rate for such consideration commensurate with the Conversion Price. Provision made pursuant to the preceding sentence shall be in a form and substance satisfactory to the Required Holders. The provisions of this Section shall apply similarly and equally to successive Corporate Events and shall be applied without regard to any limitations on the conversion or redemption of this Debenture.

(h) Whenever the Conversion Price is adjusted pursuant to the terms hereof, the Company shall promptly provide the Holder with a written notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(i) In case of any (1) merger or consolidation of the Company with or into another Person, or (2) sale by the Company of substantially all of the assets of the Company in one or a series of related transactions, a Holder shall have the right to convert the aggregate amount of this Debenture then outstanding into the shares of stock and other securities, cash and property receivable upon or deemed to be held by holders of Common Shares following such merger, consolidation or sale, and such Holder shall be entitled upon such event or series of related events to receive such amount of securities, cash and property as the Common Shares into which such aggregate Principal amount of this Debenture could have been converted immediately prior to such merger, consolidation or sales would have been entitled. The terms of any such merger, sale or consolidation shall include such terms so as to continue to give the Holder the right to receive the securities, cash and property set forth in this Section upon any conversion or redemption following such event. This provision shall similarly apply to successive such events.

(4) REISSUANCE OF THIS DEBENTURE.

(a) Transfer. If this Debenture is to be transferred, the Holder shall surrender this Debenture to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Debenture (in accordance with Section (4)(d)), registered in the name of the registered transferee or assignee, representing the outstanding Principal being transferred by the Holder (along with any accrued and unpaid Interest thereof) and, if less than the entire outstanding Principal is being transferred, a new Debenture (in accordance with Section (4)(d)) to the Holder representing the outstanding Principal not being transferred. The Holder and any assignee, by acceptance of this Debenture, acknowledge and agree that, by reason of the provisions of Section (3)(b)(iii) following conversion or redemption of any portion of this Debenture, the outstanding Principal represented by this Debenture may be less than the Principal stated on the face of this Debenture.

(b) Lost, Stolen or Mutilated Debenture. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Debenture, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and substance and, in the case of mutilation, upon surrender and cancellation of this Debenture, the Company shall execute and deliver to the Holder a new Debenture (in accordance with Section (4)(d)) representing the outstanding Principal.

(c) Debenture Exchangeable for Different Denominations. This Debenture is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Debenture or Debentures (in accordance with Section (4)(d)) representing in the aggregate the outstanding Principal of this Debenture, and each such new Debenture will represent such portion of such outstanding Principal as is designated by the Holder at the time of such surrender.

(d) Issuance of New Debentures. Whenever the Company is required to issue a new Debenture pursuant to the terms of this Debenture, such new Debenture (i) shall be of like tenor with this Debenture, (ii) shall represent, as indicated on the face of such new Debenture, the Principal remaining outstanding (or in the case of a new Debenture being issued pursuant to Section (4)(a) or Section (4)(c), the Principal designated by the Holder which, when added to the Principal represented by the other new Debentures issued in connection with such issuance, does not exceed the Principal remaining outstanding under this Debenture immediately prior to such issuance of new Debentures), (iii) shall have an issuance date, as indicated on the face of such new Debenture, which is the same as the Issuance Date of this Debenture, (iv) shall have the same rights and conditions as this Debenture, and (v) shall represent accrued and unpaid Interest from the Issuance Date.

(5) NOTICES. Any notices, consents, waivers or other communications required or permitted to be given under the terms hereof must be in writing by letter or electronic mail ("e-mail") and will be deemed to have been delivered (i) upon receipt, when delivered personally, (ii) one (1) Business Day after deposit with an overnight courier service with next day delivery specified, as applicable or (iii) receipt, when sent by e-mail, and, in each case of the foregoing clauses (i), (ii) and (iii), properly addressed to the party to receive the same. (6) Except as expressly provided herein, no provision of this Debenture shall alter or impair the obligations of the Company, which are absolute and unconditional, to pay the Principal of, Interest and other charges (if any) on, this Debenture at the time, place, and rate, and in the currency, herein prescribed. This Debenture is a direct obligation of the Company. As long as this Debenture is outstanding, the Company shall not and shall cause each of its subsidiaries not to, without the consent of the Holder, enter into any agreement, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability of the Company to perform its obligations under the this Debenture, including, without limitation, the obligation of the Company to make cash payments hereunder.

(7) This Debenture shall not entitle the Holder to any of the rights of a stockholder of the Company, including without limitation, the right to vote, to receive dividends and other distributions, or to receive any notice of, or to attend, meetings of stockholders or any other proceedings of the Company, unless and to the extent converted into Common Shares in accordance with the terms hereof.

(8) CHOICE OF LAW; VENUE; WAIVER OF JURY TRIAL

(a) Governing Law. This Debenture and the rights and obligations of the Parties hereunder shall, in all respects, be governed by, and construed in accordance with, the laws (excluding the principles of conflict of laws) of the State of New York (the "Governing Jurisdiction") (including Section 5-1401 and Section 5-1402 of the General Obligations Law of the State of New York), including all matters of construction, validity and performance.

(b) Jurisdiction; Venue; Service.

(i) The Company hereby irrevocably consents to the non-exclusive personal jurisdiction of the state courts of the Governing Jurisdiction and, if a basis for federal jurisdiction exists, the non-exclusive personal jurisdiction of any United States District Court for the Governing Jurisdiction.

(ii) The Company agrees that venue shall be proper in any court of the Governing Jurisdiction or, if a basis for federal jurisdiction exists, in any United States District Court in the Governing Jurisdiction. The Company waives any right to object to the maintenance of any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, in any of the state or federal courts of the Governing Jurisdiction on the basis of improper venue or inconvenience of forum.

(iii) Any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or tort or otherwise, brought by the Company against the Holder arising out of or based upon this Debenture or any matter relating to this Debenture, or any other Transaction Document, or any contemplated transaction, shall be brought in a court only in the Governing Jurisdiction. The Company shall not file any counterclaim against the Holder in any suit, claim, action, litigation or proceeding brought by the Holder against the Company in a jurisdiction outside of the Governing Jurisdiction unless under the rules of the court in which the Holder brought such suit, claim, action, litigation or proceeding the counterclaim is mandatory, and not permissive, and would be considered waived unless filed as a counterclaim in the suit, claim, action, litigation or proceeding instituted by the Holder against the Company. The Company agrees that any forum outside the Governing Jurisdiction is an inconvenient forum and that any suit, claim, action, litigation or proceeding brought by the Company against the Holder in any court outside the Governing Jurisdiction should be dismissed or transferred to a court located in the Governing Jurisdiction. Furthermore, the Company irrevocably and unconditionally agrees that it will not bring or commence any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Holder arising out of or based upon this Debenture or any matter relating to this Debenture, or any other Transaction Document, or any contemplated transaction, in any forum other than the courts of the State of New York sitting in New York County, and the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such suit, claim, action, litigation or proceeding may be heard and determined in such New York State Court or, to the fullest extent permitted by applicable law, in such federal court. The Company and the Holder agree that a final judgment in any such suit, claim, action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(iv) The Company and the Holder irrevocably consent to the service of process out of any of the aforementioned courts in any such suit, claim, action, litigation or proceeding by e-mail or the mailing of copies thereof by registered or certified mail postage prepaid, to it at the e-mail address or physical address, as applicable, provided for notices in this Note, such service to become effective thirty (30) days after the date of such e-mail or mailing, as applicable.

(v) Nothing herein shall affect the right of the Holder to serve process in any other manner permitted by law or to commence legal proceedings or to otherwise proceed against the Company or any other Person in the Governing Jurisdiction or in any other jurisdiction.

(c) THE PARTIES MUTUALLY WAIVE ALL RIGHT TO TRIAL BY JURY OF ALL CLAIMS OF ANY KIND ARISING OUT OF OR BASED UPON THIS DEBENTURE OR ANY MATTER RELATING TO THIS DEBENTURE, OR ANY OTHER TRANSACTION DOCUMENT, OR ANY CONTEMPLATED TRANSACTION. THE PARTIES ACKNOWLEDGE THAT THIS IS A WAIVER OF A LEGAL RIGHT AND THAT THE PARTIES EACH MAKE THIS WAIVER VOLUNTARILY AND KNOWINGLY AFTER CONSULTATION WITH COUNSEL OF THEIR RESPECTIVE CHOICE. THE PARTIES AGREE THAT ALL SUCH CLAIMS SHALL BE TRIED BEFORE A JUDGE OF A COURT HAVING JURISDICTION, WITHOUT A JURY.

(9) If the Company fails to strictly comply with the terms of this Debenture, then the Company shall reimburse the Holder promptly for all fees, costs and expenses, including, without limitation, attorneys' fees and expenses incurred by the Holder in any action in connection with this Debenture, including, without limitation, those incurred: (i) during any workout, attempted workout, and/or in connection with the rendering of legal advice as to the Holder's rights, remedies and obligations, (ii) collecting any sums which become due to the Holder, (iii) defending or prosecuting any proceeding or any counterclaim to any proceeding or appeal; or (iv) the protection, preservation or enforcement of any rights or remedies of the Holder.

(10) Any waiver by the Holder of a breach of any provision of this Debenture shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Debenture. The failure of the Holder to insist upon strict adherence to any term of this Debenture on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Debenture. Any waiver must be in writing.

(11) If any provision of this Debenture is invalid, illegal or unenforceable, the balance of this Debenture shall remain in effect, and if any provision is inapplicable to any person or circumstance, it shall nevertheless remain applicable to all other persons and circumstances. WARRANT TO ACQUIRE

SECURITIES OF

INNVENTURE, INC.

(Void after March 31, 2035)

This certifies that WTI Fund X, LLC, a Delaware limited liability company, or assigns (“Holder”), for value received, is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, to acquire from INNVENTURE, INC., a Delaware corporation formerly known as Learn SPAC Holdco, Inc. (“Company”), the Applicable Number (hereinafter defined) of fully paid and nonassessable shares of, at Holder’s option, either (i) the common stock of Company (“Common Stock”) or (ii) any Subsequent Round Stock (hereinafter defined) of Company (the Common Stock and the Subsequent Round Stock, as applicable, are sometimes referred to herein as the “Warrant Stock”), for cash, at a purchase price equal to \$0.01 per share (the “Stock Purchase Price”). Holder may also exercise this Warrant on a cashless or “net issuance” basis as described in Section 1(b) below. Capitalized terms used herein and not otherwise defined in this Warrant shall have the meaning(s) ascribed to them in the Loan and Security Agreement, dated as of October 22, 2024, by and between Company, WTI Fund X, Inc. and WTI Fund XI, Inc. (the “Loan Agreement”).

“Applicable Number” means the number of shares of Warrant Stock acquirable hereunder obtained by dividing (A) \$2,250,000 (the “Coverage Amount”), by (B) the Exercise Price (hereinafter defined). If in any case the Applicable Number includes a fraction then the fraction shall be rounded down to the closest integral number.

“Exercise Price” means: (i) if Holder chooses for this Warrant to be exercisable for Common Stock, the VWAP (hereinafter defined) of the Company’s Common Stock over the thirty (30) Trading Days (hereinafter defined) ending on the Trading Day immediately preceeding the date of this Warrant (the “Initial Exercise Price”); provided, however, that if, as of the date which is eighteen (18) months after the date of this Warrant, the VWAP of Company’s Common Stock over the five (5) Trading Days ending on the Trading Day immediately preceding such eighteen (18) month anniversary is less than the Initial Exercise Price then the Exercise Price shall be reduced to such lower VWAP; or (ii) if Holder chooses for this Warrant to be exercisable for Subsequent Round Stock, the corresponding Subsequent Round Price (hereinafter defined). “VWAP” means, for Company’s Common Stock for a specified period, the dollar volume-weighted average price for such Common Stock on the Principal Market (hereinafter defined), for such period, as reported by Bloomberg through its “AQR” function, subject to appropriate adjustments for any stock dividend, stock split, stock combination, recapitalization or other similar transaction during such period. “Trading Day” means any day on which the Principal Market is open for trading (regular way), including any day on which it is open for trading (regular way) for a period of time less than the customary time. “Principal Market” means the principal national securities exchange on which Company’s Common Stock is then listed or traded.

“Subsequent Round Price” means the lowest price per share paid by any Person for Company’s equity securities (as applicable, the “Subsequent Round Stock”) issued in a corresponding Subsequent Round (hereinafter defined), including for this purpose the value of all consideration given by any Person for such equity securities and specifically including any discounts afforded to any Person upon conversion of any convertible security (e.g., a promissory note or a “simple agreement for future equity” (i.e., a SAFE)) held by any such Person in connection with the corresponding Subsequent Round or otherwise. “Subsequent Round” means each and every round of equity financing after the date hereof where either (x) Company receives gross cash proceeds of at least \$10,000,000 in a single transaction or series of related transactions, (y) there are punitive terms (e.g., a round of financing that effectuates a recapitalization of Company) or (z) the securities Company sells or issues have a liquidation preference, and in each case, includes (and Holder shall be entitled to receive (as calculated in relation to the Coverage Amount)) any options, warrants, or other convertible securities or similar consideration, if any, issued or delivered to any Person in connection with such Person’s acquisition of the corresponding Subsequent Round Stock. For the avoidance of doubt, Holder’s option to have this Warrant be exercisable for Subsequent Round Stock shall be a continuing option as to each and every Subsequent Round, provided that such option shall apply to the entire Warrant. Company and Holder acknowledge and agree that a Subsequent Round could include additional issuances of shares of Company’s Common Stock to investors primarily for the purpose of raising capital.

Notwithstanding anything to the contrary in the preceding paragraphs, if prior to a corresponding Subsequent Round Company consummates a Bridge Financing (hereinafter defined) then Holder may elect to surrender this Warrant to Company at any time prior to the occurrence of a Trigger Event (hereinafter defined) and receive in exchange therefor (in lieu of all rights to purchase shares of either Common Stock or Subsequent Round Stock represented by this Warrant), all of the same consideration, securities, instruments (e.g., convertible promissory notes) and rights (collectively, the “Bridge Financing Consideration”) that Holder would have received had it participated as a lender in such Bridge Financing with a loan in the notional principal amount equal to the Coverage Amount; provided, however, that (i) if Holder exercises its right set forth hereunder, Holder shall be required to enter into the same definitive documents executed by the other lenders in such Bridge Financing and (ii) if Holder exercises its right set forth hereunder, Holder shall be required to comply with the same timeline as the other lenders in such Bridge Financing. “Bridge Financing” means each and every round of debt financing effected by Company after the date hereof, whether the purpose of such financing is to bridge Company to a Subsequent Round or a Liquidity Event (as such term is defined in Section 4.3 hereof). “Trigger Event” means the occurrence of an event that will trigger the conversion or repayment of the corresponding Bridge Financing Consideration. Company agrees to provide Holder with prior written notice of the occurrence of a Trigger Event.

In the event Company sells or issues any of its securities prior to the Expiration Date in a manner that would qualify as a “Subsequent Round,” Company shall provide Holder with written notice of such sale or issuance no later than five (5) Business Days (hereinafter defined) after the date of such sale or issuance, including the price and terms of such securities (the “Subsequent Securities”). “Business Day” means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of New York are authorized or required by law or governmental action to close. In the event Holder determines, in its sole and absolute discretion, that any Subsequent Securities contain terms more favorable to the holder(s) thereof than the terms set forth in this Warrant and/or the Warrant Stock acquirable hereunder, Holder may elect to exchange this Warrant for the equivalent dollar value of such Subsequent Securities; provided, however, that the failure of Company to deliver such written notice shall not affect the rights of Holder to so exchange this Warrant as set forth herein.

As soon as reasonably practicable after the occurrence or non-occurrence of the latest event or condition necessary to determine (i) the actual number and type of shares of Warrant Stock acquirable hereunder or (ii) the Exercise Price, if applicable, Company shall deliver a supplement to this Warrant (subsequent to a request by Holder therefor), in substantially the form of Exhibit “A” attached hereto, specifying the total number and (if applicable) series of shares of Warrant Stock acquirable hereunder after giving effect to the foregoing calculations, and otherwise completed with such quantity and price terms and other information as have been determined as a result of the occurrence or non-occurrence of such events or conditions. The provisions of such supplement, once completed and executed, shall control the interpretation and exercise of this Warrant; provided, however, that the failure of Company to deliver such supplement shall not affect the rights of Holder to receive the number and type of shares of Warrant Stock as set forth herein.

Subject to Section 4.3, this Warrant may be exercised at any time or from time to time up to and including 5:00 p.m. (Pacific time) on March 31, 2035 (the “Expiration Date”), upon surrender to Company at its principal office at 6900 Tavistock Lakes Boulevard, Suite 400, Orlando, Florida 32827 (or at such other location as Company may advise Holder in writing) of this Warrant properly endorsed with the form of subscription attached hereto (the “Form of Subscription”) duly completed and signed and upon payment in cash or by check of the aggregate Stock Purchase Price for the number of shares for which this Warrant is being exercised determined in accordance with the provisions hereof. The Stock Purchase Price and the number of shares purchasable hereunder are subject to further adjustment as provided in Section 4 of this Warrant.

This Warrant is subject to the following terms and conditions:

1. Exercise; Issuance of Certificates; Payment for Shares; Exercise Limitations.

(a) Unless an election is made pursuant to clause (b) of this Section 1, this Warrant shall be exercisable at the option of Holder, at any time or from time to time, on or before the Expiration Date for all or any portion of the shares of Warrant Stock (but not for a fraction of a share) which may be purchased hereunder for the Stock Purchase Price multiplied by the number of shares to be purchased. Company agrees that the shares of Warrant Stock purchased under this Warrant shall be and are deemed to be issued to Holder as the record owner of such shares as of the close of business on the date on which the Form of Subscription shall have been delivered and payment made for such shares. Subject to the provisions of Section 2, certificates for the shares of Warrant Stock so purchased, together with any other securities or property to which Holder is entitled upon such exercise, shall be delivered to Holder by Company at Company’s expense within a reasonable time after the rights represented by this Warrant have been so exercised. Except as provided in clause (b) of this Section 1, in case of a purchase of less than all the shares which may be purchased under this Warrant, Company shall cancel this Warrant and execute and deliver a new warrant or warrants of like tenor for the balance of the shares purchasable under this Warrant surrendered upon such purchase to Holder within a reasonable time. Each stock certificate so delivered shall be in such denominations of Warrant Stock as may be requested by Holder and shall be registered in the name of such Holder or such other name as shall be designated by such Holder, subject to the limitations contained in Section 2.

(b) Holder, in lieu of exercising this Warrant by the cash payment of the Stock Purchase Price pursuant to clause (a) of this Section 1, may elect, at any time on or before the Expiration Date, to surrender this Warrant and receive that number of shares of Common Stock computed using the following formula:

$$X = \frac{Y(A - B)}{A}$$

Where: X = the number of shares of Warrant Stock to be issued to Holder.

Y = the number of shares of Warrant Stock that Holder would otherwise have been entitled to purchase hereunder pursuant to Section 1(a) (or such lesser number of shares as Holder may designate in the case of a partial exercise of this Warrant).

A = the Per Share Price (as defined in Section 1(c) below) of one (1) share of Warrant Stock at the time the net issuance election under this Section 1(b) is made.

B = the Stock Purchase Price then in effect.

Election to exercise under this Section 1(b) may be made by delivering a signed Form of Subscription to Company via facsimile or electronic mail, to be followed by delivery of this Warrant.

(c) For purposes of Section 1(b), “Per Share Price” means:

(i) If the Warrant Stock is traded on a securities exchange or actively traded over-the-counter:

(1) If the Warrant Stock is traded on a securities exchange, the Per Share Price shall be deemed to be the closing price of the Warrant Stock as quoted on any exchange, as published on Yahoo! Finance (or a successor thereto or equivalent publisher) for the trading day immediately prior to the date of Holder’s election hereunder.

(2) If the Warrant Stock is actively traded over-the-counter, the Per Share Price shall be deemed to be the closing bid or sales price, whichever is applicable, of the Warrant Stock for the trading day immediately prior to the date of the Holder’s election hereunder.

(ii) If (i) is not applicable, the Per Share Price shall be the price per share determined in good faith by the Board of Directors of Company (the “Board”) based on relevant facts and circumstances at the time of the net exercise under Section 1(b), including in the case of a Liquidity Event the consideration receivable by the holders of the Warrant Stock in such Liquidity Event and the liquidation preference (including any declared but unpaid dividends), if any, then applicable to the corresponding Warrant Stock.

(d) Notwithstanding anything herein to the contrary, Company shall not issue to Holder any Warrant Stock to the extent such shares after giving effect to such issuance after exercise and when added to the number of shares of Common Stock (1) issued or issuable upon exercise of the Warrant to Acquire Securities of Innventure, Inc., dated October 22, 2024, by and between Company and WTI FUND X, LLC, (2) issued or issuable upon exercise of the Warrant to Acquire Securities of Innventure, Inc., dated October 22, 2024, by and between Company and WTI FUND XI, LLC, (3) issued and issuable upon conversion of any shares of Series B preferred stock issued pursuant to the Investment Agreement, dated September 27, 2024, by and among Learn SPAC Holdco, Inc. and the purchasers listed on Schedule I thereto, (4) issued or issuable upon exercise of the Warrant to Acquire Securities of Innventure, Inc., dated March 31, 2025, by and between Company and WTI Fund XI, LLC, and (5) issued and issuable in connection with any other transaction that would result in the number of shares of Common Stock issued in private offerings exceeding the aggregate number of Common Stock the Company is permitted to issue under the Nasdaq Stock Market rules without obtaining Stockholder Approval (hereinafter defined), would:

(i) result in Holder (together with Holder’s affiliates) (a) beneficially owning in excess of 19.99% of the number of shares of Common Stock outstanding immediately after giving effect to such issuance (the “Maximum Aggregate Ownership Amount”) or (b) controlling in excess of 19.99% of the total voting power of Company’s securities outstanding immediately after giving effect to such issuance that are entitled to vote on a matter being voted on by holders of the Common Stock (the “Maximum Aggregate Voting Amount”), unless and until Company obtains stockholder approval permitting such issuances in accordance with applicable Nasdaq Stock Market rules (“Stockholder Approval”); and

(ii) result in the aggregate number of shares of Common Stock issued exceeding 19.99% of the outstanding Common Stock as of the date immediately preceding the date hereof (the “Issuance Cap”) unless and until Company obtains Stockholder Approval.

For purposes of this Section 1(d), beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

For purposes of this Section 1(d), in determining the number of outstanding shares of Common Stock, Holder may rely on the number of outstanding shares of Common Stock as reflected in (i) Company’s most recent Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, filed with the U.S. Securities and Exchange Commission (the “SEC”), (ii) a more recent public announcement by Company, or (iii) any other notice by Company or Company’s transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of Holder, Company shall within two Business Days confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding.

If on any attempted exercise of this Warrant, the issuance of the shares of Warrant Stock would exceed the Maximum Aggregate Ownership Amount, the Maximum Aggregate Voting Amount or the Issuance Cap, and Company shall not have previously obtained Stockholder Approval at the time of exercise, then Company shall issue to Holder requesting exercise such number of shares of Warrant Stock as may be issued below the Maximum Aggregate Ownership Amount, Maximum Aggregate Voting Amount or the Issuance Cap, as the case may be, and, with respect to the remainder of the aggregate number of shares of Warrant Stock, this Warrant shall not be convertible until and unless Stockholder Approval has been obtained. Company agrees to seek such Stockholder Approval as soon as reasonably practicable to enable Holder to exercise this Warrant and acquire the number of shares of Warrant Stock desired by Holder.

2. Limitation on Transfer.

(a) This Warrant and the Warrant Stock shall not be transferable, except upon the conditions specified in this Section 2, which conditions are intended to ensure compliance with the provisions of the Securities Act of 1933, as amended (the “Securities Act”), and except as otherwise permitted by the federal securities laws and the rules and regulations thereunder. Each holder of this Warrant or the Warrant Stock issuable hereunder will cause any proposed transferee of the Warrant or Warrant Stock to (i) agree to take and hold such securities subject to the provisions and upon the conditions specified in this Section 2 and (ii) comply with the applicable provisions of the federal securities laws and the rules and regulations thereunder. Notwithstanding the foregoing and any other provision of this Section 2, Holder may freely transfer all or part of this Warrant or the shares issuable upon exercise of this Warrant (or the securities acquirable, directly or indirectly, upon conversion of the shares, if any) at any time to any affiliate of Holder, by giving Company notice of the portion of the Warrant being transferred setting forth the name, address and taxpayer identification number of the transferee and surrendering this Warrant to Company for reissuance to the transferees(s) (and Holder, if applicable) to the extent permitted by the federal securities laws and the rules and regulations thereunder.

(b) Each certificate representing (i) this Warrant, (ii) the Warrant Stock, (iii) shares of Company’s Common Stock issued upon conversion of the corresponding Subsequent Round Stock and (iv) any other securities issued in respect to the corresponding Subsequent Round Stock or Common Stock issued upon conversion of the corresponding Subsequent Round Stock upon any stock split, stock dividend, recapitalization, merger, consolidation or similar event, shall (unless otherwise permitted by the provisions of this Section 2 or unless such securities have been registered under the Securities Act or sold under Rule 144) be stamped or otherwise imprinted with a legend substantially in the following form (in addition to any legend required under applicable state securities laws):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE AND DISTRIBUTION THEREOF, AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OR ANY STATE SECURITIES LAWS. SUCH SECURITIES MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN OPINION OF COUNSEL IN A FORM REASONABLY ACCEPTABLE TO COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED DUE TO AN EXEMPTION THEREFROM UNDER SAID ACT AND ANY APPLICABLE STATE SECURITIES LAWS.

(c) Holder and each person to whom this Warrant is subsequently transferred represents and warrants to Company (by acceptance of such transfer) that it will not transfer this Warrant (or securities acquirable upon exercise hereof unless a registration statement under the Securities Act was in effect with respect to such securities at the time of issuance thereof) except pursuant to (i) an effective registration statement under the Securities Act, (ii) Rule 144 under the Securities Act (or any other rule under the Securities Act relating to the disposition of securities), (iii) an opinion of counsel, reasonably satisfactory to counsel for Company, that an exemption from such registration is available, or (iv) Company otherwise satisfies itself that such transaction is exempt from registration.

(d) Holder shall maintain a register for the recordation of the names and addresses of any Persons owning an interest in this Warrant pursuant to the terms hereof from time to time, and, in order for any transfer of this Warrant to become effective, shall amend such register to reflect any transfer otherwise properly affected pursuant to this Section 2.

3. Shares to be Fully Paid; Reservation of Shares. Company covenants and agrees that all shares of Warrant Stock which may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be duly authorized, validly issued, fully paid and nonassessable and free from all preemptive rights of any stockholder and free of all taxes, liens and charges with respect to the issue thereof. Company further covenants and agrees that during the period within which the rights represented by this Warrant may be exercised, Company will at all times have authorized and reserved, for the purpose of issue or transfer upon exercise of the subscription rights evidenced by this Warrant, a sufficient number of shares of authorized but unissued Warrant Stock, or other securities and property, when and as required to provide for the exercise of the rights represented by this Warrant. Company will take all such action with commercially reasonable efforts as may be necessary to assure that such shares of Warrant Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any domestic securities exchange upon which the Warrant Stock may be listed. Company will not take any action which would result in any adjustment of the Stock Purchase Price (as described in Section 4 hereof) (i) if the total number of shares of Warrant Stock issuable after such action upon exercise of all outstanding warrants, together with all shares of Warrant Stock then outstanding and all shares of Warrant Stock then issuable upon exercise of all options and upon the conversion of all convertible securities then outstanding, would exceed the total number of shares of Warrant Stock then authorized by Company's Certificate of Incorporation, as amended and restated from time to time (the "Charter"), (ii) if the total number of shares of Common Stock issuable after such action upon the conversion of all such shares of Warrant Stock together with all shares of Common Stock then outstanding and then issuable upon exercise of all options and upon the conversion of all convertible securities then outstanding would exceed the total number of shares of Common Stock then authorized by the Charter or (iii) if the par value per share of the Warrant Stock would exceed the Stock Purchase Price.

4. Adjustment of Stock Purchase Price and Number of Shares. The Stock Purchase Price and the number of shares purchasable upon the exercise of this Warrant shall be subject to adjustment from time to time upon the occurrence of certain events described in this Section 4. Upon each adjustment of the Stock Purchase Price, Holder shall thereafter be entitled to purchase, at the Stock Purchase Price resulting from such adjustment, the number of shares obtained by multiplying the Stock Purchase Price in effect immediately prior to such adjustment by the number of shares purchasable pursuant hereto immediately prior to such adjustment, and dividing the product thereof by the Stock Purchase Price resulting from such adjustment.

4.1 Subdivision or Combination of Warrant Stock. In case Company shall at any time subdivide its outstanding shares of Warrant Stock into a greater number of shares, the Stock Purchase Price in effect immediately prior to such subdivision shall be proportionately reduced, and conversely, in case the outstanding shares of Warrant Stock of Company shall be combined into a smaller number of shares, the Stock Purchase Price in effect immediately prior to such combination shall be proportionately increased.

4.2 Dividends. If at any time or from time to time the holders of Warrant Stock (or any shares of stock or other securities at the time receivable upon the exercise of this Warrant) shall have received or become entitled to receive,

(a) Warrant Stock, or any shares of stock or other securities whether or not such securities are at any time directly or indirectly convertible into or exchangeable for Warrant Stock, or any rights or options to subscribe for, purchase or otherwise acquire any of the foregoing by way of dividend or other distribution,

(b) any cash paid or payable, including as a cash dividend, or

(c) Warrant Stock or other or additional stock or other securities or property (including cash) by way of spin off, split-up, reclassification, combination of shares or similar corporate rearrangement, (other than shares of Warrant Stock issued as a stock split, adjustments in respect of which shall be covered by the terms of Section 4.1 above),

then and in each such case, Holder shall be entitled to receive, without being required to first exercise this Warrant and without payment of any additional consideration therefor, the amount of such securities and property (including cash in the cases referred to in clauses (b) and (c) above), which shall be determined as if Holder had been the holder of record of the shares of Warrant Stock acquirable hereunder as of the date on which the other holders of Company's Warrant Stock received or became entitled to receive such shares and/or all other additional stock and other securities and property.

4.3 Automatic Exchange upon a Liquidity Event; Expiration Date.

(a) Upon the first to occur of the consummation of a Liquidity Event and the Expiration Date, this Warrant shall be automatically exchanged for a number of shares of Company's securities, such number of shares being equal to the maximum number of shares issuable pursuant to the terms hereof (after taking into account all adjustments described herein) had Holder elected to exercise this Warrant immediately prior to the closing of such Liquidity Event or the Expiration Date, as applicable, and purchased all such shares pursuant to the cash exercise provision set forth in Section 1(a) hereof (as opposed to the cashless exercise provision set forth in Section 1(b)). Company acknowledges and agrees that Holder shall not be required to make any payment (cash or otherwise) for such shares as consideration for their issuance pursuant to the terms of the preceding sentence. "Liquidity Event" means the first to occur of: (i) the closing of any merger or consolidation (or similar transaction) of Company into or with another entity after which the stockholders of Company immediately prior to such transaction do not hold immediately following the consummation of such transaction by virtue of their shares in Company or securities received in exchange for such shares in connection with the transaction, more than fifty percent (50%) the voting power of the surviving entity; (ii) the closing of any privatization (i.e., a take-private transaction) of Company; (iii) the closing of any sale, lease, license, transfer or other disposition of all or substantially all of the assets of Company in a single transaction or series of related transactions; (iv) the closing of any sale or transfer by Company or its stockholders of fifty percent (50%) or more of the voting power of Company in a transaction or series of related transactions; (iv) the closing of a transaction that constitutes a management buyout of the existing stockholders or the closing of a transaction that constitutes a stockholder buyout in which one or more stockholders that previously had a controlling interest in Company acquire the interests of all of the non-controlling stockholders, or (v) the closing of any transaction or series of related transactions deemed to be a liquidation, dissolution or winding up of Company pursuant to the provisions of Company's charter documents. This Warrant shall terminate upon Holder's receipt of the number of shares of Company's equity securities described in this Section 4.3(a).

(b) Company acknowledges and agrees that, notwithstanding anything to the contrary in the Warrant, on the Expiration Date, Holder shall have the option to exchange this Warrant for a cash payment in an amount equal to the Coverage Amount; provided, however, that Holder shall provide Company with reasonable prior written notice of its intent to exercise the option set forth in this Section 4.3(b). If Holder exercises the option set forth in this Section 4.3(b) then Company shall make such payment to Holder by wire transfer on the Expiration Date, or within thirty days of the Expiration Date, pursuant to wire transfer instructions provided to Company by Holder.

4.4 “Pay-to-Play” Exemption. In the event that the rights, preferences or privileges of the shares of Warrant Stock issuable upon the exercise of this Warrant are amended or modified, or a recapitalization, reclassification, conversion or exchange of such outstanding shares of Warrant Stock is effected in connection with an equity or debt financing transaction which occurs after the date hereof (each, as applicable, a “Pay-to-Play Transaction”), this Warrant (and the shares of Warrant Stock issuable hereunder) shall be exempt from such Pay-to-Play Transaction, and shall automatically and without any action required by Holder become exercisable for the type of securities as would have been issued or exchanged, or would have remained outstanding or been purchasable, as the case may be, in respect of the shares of Warrant Stock issuable hereunder had Holder exercised this Warrant in full prior to such event and purchased all shares pursuant to the cash exercise provision set forth in Section 1(a) hereof, and participated in the equity or debt financing to the maximum extent permitted.

4.5 Notice of Adjustment. Upon any adjustment of the Stock Purchase Price, and/or any increase or decrease in the number of shares purchasable upon the exercise of this Warrant, Company shall give written notice thereof, by either (i) first class mail, postage prepaid or (ii) electronic mail, addressed to the registered holder of this Warrant at the address of such holder as shown on the books of Company or as otherwise known by Company. The notice, which may be substantially in the form of Exhibit “A” attached hereto, shall be signed by an officer of Company and shall state the Stock Purchase Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of this Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

4.6 Other Notices. If at any time:

- (a) Company shall declare any cash dividend upon its Warrant Stock;
- (b) Company shall declare any dividend upon its Warrant Stock payable in stock or make any special dividend or other distribution to the holders of its Warrant Stock;
- (c) Company shall offer for subscription pro rata to the holders of its Warrant Stock any additional shares of stock of any class or other rights;
- (d) there shall be any capital reorganization or reclassification of the capital stock of Company, or any other Liquidity Event;
- (e) there shall be a voluntary or involuntary dissolution, liquidation or winding-up of Company; or
- (f) Company shall take or propose to take any other action, notice of which is actually provided to holders of the Warrant Stock;

then, in any one or more of said cases, Company shall give, by first class mail, postage prepaid, addressed to Holder at the address of such Holder as shown on the books of Company, (i) at least 20 days’ prior written notice of the date on which the books of Company shall close or a record shall be taken for such dividend, distribution or subscription rights or for determining rights to vote in respect of any such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, or other action and (ii) in the case of any such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, or other action, at least 20 days’ written notice of the date when the same shall take place. Any notice given in accordance with the foregoing clause (i) shall also specify, in the case of any such dividend, distribution or subscription rights, the date on which the holders of Warrant Stock shall be entitled thereto. Any notice given in accordance with the foregoing clause (ii) shall also specify the date on which the holders of Warrant Stock shall be entitled to exchange their Warrant Stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, or other action as the case may be.

4.7 Certain Events. If any change in the outstanding Warrant Stock of Company or any other event occurs as to which the other provisions of this Section 4 are not strictly applicable or if strictly applicable would not fairly effect the adjustments to this Warrant in accordance with the essential intent and principles of such provisions, then the Board shall make in good faith an adjustment in the number and class of shares acquirable under this Warrant, the Stock Purchase Price and/or the application of such provisions, in accordance with such essential intent and principles, so as to protect such purchase rights as aforesaid. The adjustment shall be such as will give Holder upon exercise for the same aggregate Stock Purchase Price the total number, class and kind of shares as Holder would have owned had this Warrant been exercised prior to the event and had Holder continued to hold such shares until after the event requiring adjustment.

5. Issue Tax. The issuance of certificates for shares of Warrant Stock upon the exercise of this Warrant shall be made without charge to Holder for any issue tax in respect thereof; provided, however, that Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than that of the then Holder being exercised.

6. Closing of Books. Company will at no time close its transfer books against the transfer of this Warrant or of any shares of Warrant Stock issued or issuable upon the exercise of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. No Voting Rights; Limitation of Liability. Nothing contained in this Warrant shall be construed as conferring upon Holder the right to vote or to consent as a stockholder in respect of meetings of stockholders for the election of directors of Company or any other matters or any rights whatsoever as a stockholder of Company. If any dividends are due or paid at any time on the underlying securities for which this Warrant is exercisable then the securities acquirable hereunder shall be deemed to have accrued dividends and be paid identical dividends from the same time as the outstanding shares for which this Warrant is exercisable were first issued. No provisions hereof, in the absence of affirmative action by Holder to purchase shares of Warrant Stock, and no mere enumeration herein of the rights or privileges of Holder, shall give rise to any liability of such Holder for the Stock Purchase Price or as a stockholder of Company, whether such liability is asserted by Company or by its creditors.

8. Tax Matters. Holder (including any assignee) shall provide an IRS Form W-9 or applicable IRS Form W-8 to Company prior to becoming party to this Warrant and from time to time upon Company's reasonable request and at the time or times prescribed by applicable law; provided, that if Holder (including any assignee) does not provide an IRS Form W-9 or an applicable IRS Form W-8 evidencing a complete exemption from U.S. federal income tax withholding on payments to be made pursuant to this Warrant, Company may deduct and withhold from any payments to be made to such Person pursuant to this Warrant any taxes required to be deducted or withheld pursuant to applicable law. To the extent that any taxes are so deducted or withheld and remitted to the applicable taxing authority, they will be treated for all purposes of this Warrant as being paid to the Person in respect of which such deduction or withholding has been made. Company acknowledges that initial Holder provided Company with an IRS Form W-9 prior to the date hereof and Company shall not be entitled to deduct and/or withhold from any payments to be made to initial Holder.

9. Registration Rights. Holder shall be entitled, with respect to the shares of Warrant Stock issued upon exercise hereof to all of the registration rights set forth in the Registration Rights Agreement, dated as of October 22, 2024 (as amended from time to time, the "Rights Agreement"), to the same extent and on the same terms and conditions as possessed by the investors thereunder with the following exceptions and clarifications: (i) Holder will have no right to make a written request under the Rights Agreement that Company file a registration statement under Form S-1 of the Securities Act; (ii) Holder will be subject to the same provisions regarding indemnification as contained in the Rights Agreement; and (iii) the registration rights are freely assignable by Holder in connection with a permitted transfer of this Warrant or the shares acquirable upon exercise hereof. Company shall take such action as may be reasonably necessary to assure that the granting of such registration rights to Holder does not violate the provisions of the Rights Agreement or any of Company's charter documents or rights of prior grantees of registration rights.

10. Rights and Obligations Survive Exercise of Warrant. The rights and obligations of Company, of Holder and of the holder of shares of Warrant Stock issued upon exercise of this Warrant, contained in Sections 6 and 9 shall survive the exercise of this Warrant.

11. Modification and Waiver. This Warrant and any provision hereof may be changed, waived, discharged or terminated only by an instrument in writing signed by the party against which enforcement of the same is sought.

12. Notices. Any notice, request or other document required or permitted to be given or delivered to Holder or Company shall be deemed to have been given (i) upon receipt if delivered personally or by courier, (ii) upon confirmation of receipt if by telecopy, (iii) upon receipt if delivered by electronic mail to the email listed below such party's signature on the signature page to this Warrant at or before 5:00 p.m. Eastern Time on a Business Day, (iv) at 9:00 a.m. Eastern Time on the immediately succeeding Business Day if received by electronic mail at the email listed below such party's signature on the signature page to this Warrant after 5:00 p.m. Eastern Time or on a day that is not a Business Day or (iv) three Business Days after deposit in the US mail, with postage prepaid and certified or registered, to each such Holder at its address as shown on the books of Company or to Company at the address indicated therefor in the opening paragraphs of this Warrant.

13. Survival of Certain Obligations. All of the rights and obligations of Company relating to the Warrant Stock acquirable upon the exercise of this Warrant shall survive the exercise and termination of this Warrant. All of the covenants and agreements of Company shall inure to the benefit of the successors and permitted assigns of Holder. Company will, at the time of the exercise of this Warrant, in whole or in part, upon request of Holder but at Company's expense, acknowledge in writing its continuing obligation to Holder in respect of any rights (including, without limitation, any right to registration of the shares of Warrant Stock) to which Holder shall continue to be entitled after such exercise in accordance with this Warrant; provided, that the failure of Holder to make any such request shall not affect the continuing obligation of Company to Holder in respect of such rights.

14. Descriptive Headings and Governing Law. The descriptive headings of the several sections and paragraphs of this Warrant are inserted for convenience only and do not constitute a part of this Warrant. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the State of Delaware, without regard to the principles of conflicts of law thereof.

15. Lost Warrants or Stock Certificates. Company represents and warrants to Holder that upon receipt of evidence reasonably satisfactory to Company of the loss, theft, destruction, or mutilation of any Warrant or stock certificate and, in the case of any such loss, theft or destruction, upon receipt of an indemnity reasonably satisfactory to Company, or in the case of any such mutilation upon surrender and cancellation of such Warrant or stock certificate, Company at its expense will make and deliver a new Warrant or stock certificate, of like tenor, in lieu of the lost, stolen, destroyed or mutilated Warrant or stock certificate.

16. Fractional Shares. No fractional shares shall be issued upon exercise of this Warrant. Company shall, in lieu of issuing any fractional share, at its election either pay the holder entitled to such fraction a sum in cash equal to such fraction multiplied by the then effective Stock Purchase Price or round up to the next whole share.

17. Representations of Holder. With respect to this Warrant, Holder represents and warrants to Company as follows:

17.1 Experience. It is experienced in evaluating and investing in companies engaged in businesses similar to that of Company; it understands that investment in this Warrant involves substantial risks; it has made detailed inquiries concerning Company, its business and services, its officers and its personnel; the officers of Company have made available to Holder any and all written information it has requested; the officers of Company have answered to Holder's satisfaction all inquiries made by it; in making this investment it has relied upon information made available to it by Company; and it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of investment in Company and it is able to bear the economic and financial risk of that investment.

17.2 Investment. It is acquiring this Warrant for investment for its own account and not with a view to, or for resale in connection with, any distribution thereof. It understands that this Warrant and the shares of Warrant Stock issuable upon the exercise hereof have not been registered under the Securities Act, nor qualified under applicable state securities laws.

17.3 Rule 144. It acknowledges that this Warrant and the Warrant Stock acquirable hereunder must be held indefinitely, unless they are subsequently registered under the Securities Act or an exemption from such registration is available. It has been advised or is aware of the provisions of Rule 144 promulgated under the Securities Act, and understands the resale limitations imposed thereby and by the Securities Act.

17.4 Access to Data. It has had an opportunity to discuss Company's business, management and financial affairs with Company's management and has had the opportunity to inspect Company's facilities.

17.5 Accredited Investor. It is an "accredited investor" within the meaning of Regulation D promulgated under the Securities Act.

18. Additional Representations and Covenants of Company. Company hereby represents, warrants and agrees as follows:

18.1 Due Organization. Company is a company duly incorporated and validly existing in good standing under the laws of the jurisdiction of its incorporation and is duly qualified to conduct business and is in good standing in each other jurisdiction in which its business is conducted or its properties are located, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect.

18.2 Authorization, Validity and Enforceability. The execution, delivery and performance of the Warrant are within Company's powers, have been duly authorized, and are not in conflict with the Charter or Company's Bylaws. The Warrant constitutes a valid and binding obligation of Company, enforceable in accordance with its terms (except as may be limited by bankruptcy, insolvency and similar laws affecting the enforcement of creditors' rights in general, and subject to general principles of equity).

18.3 Offering. Subject in part to the truth and accuracy of Holder's representations set forth in Section 17 hereof, the offer, issuance and sale of this Warrant is, and the issuance of Warrant Stock upon exercise of this Warrant will be, exempt from the registration requirements of the Securities Act, and are exempt from the qualification requirements of any applicable state securities laws; and neither Company nor anyone acting on its behalf will take any action hereafter that would cause the loss of such exemptions.

18.4 No Conflict. The execution, delivery, and performance by Company of this Warrant is not in conflict with any law, rule, regulation, order or directive, or any indenture, agreement, or undertaking to which Company is a party or by which Company may be bound or affected except, in each case, to the extent any such conflict would not reasonably be expected to have a Material Adverse Effect

18.5 Charter and Bylaws. Company has provided Holder with true and complete copies of its Charter and Bylaws, and each other charter document setting forth any rights, preferences and privileges of Company's capital stock, each as amended and in effect on the date of issuance of this Warrant.

18.6 Intentionally Omitted.

18.7 Financial and Other Reports. From time to time up to the earlier of: (a) the consummation of a Liquidity Event; (b) the Expiration Date and (c) such date as Holder's auditors no longer require such information, Company shall furnish to Holder (i) within 180 days after the close of each fiscal year of Company, an audited balance sheet and cash flow statement at and as of the end of such fiscal year, together with an audited statement of income for such fiscal year; provided that if Company's Board of Directors does not require Company's financial statements to be audited for a particular fiscal year, then Company shall deliver such financial statements to Holder unaudited, and (ii) within 45 days after the close of each fiscal quarter of Company, an unaudited balance sheet, income statement and cash flow statement, each at and as of the end of such quarter, together with an up-to-date summary capitalization table, provided that such capitalization table shall be provided to Holder only if Company's securities are not publicly traded; and (iii) promptly after the closing of each equity financing and convertible debt financing consummated by Company after the date this Warrant has been issued, a copy of the term sheet for such financing (if any), a post-closing, summary capitalization table and other information relating to the then-current valuation of Company. In addition, Company agrees to provide Holder at any time and from time to time with such information as Holder may reasonably request for purposes of Holder's valuation of Company and Holder's compliance (as determined by Holder in its reasonable discretion) with regulatory, accounting and reporting requirements applicable to Holder; provided, however, that in no event shall Company be obligated to (i) provide Holder with information that is not in Company's possession or (ii) take any action with a third party or otherwise engage a third party in connection with such request. Notwithstanding the foregoing, Company shall not be required to furnish to Holder the financial information described in this Section 18.7 in the event such financial information has been previously delivered pursuant to the Loan Agreement. Further notwithstanding anything in this Section 18.7 to the contrary, if in connection with a Liquidity Event Holder receives securities of a privately held company then the rights described in this Section 18.7 shall be deemed to continue to apply to such company in order to enable Holder to comply with regulatory, accounting and reporting requirements applicable to Holder. Further notwithstanding anything in this Section 18.7 or this Warrant to the contrary, Company shall not be required to provide information in respect of which disclosure is prohibited by law, which is subject to attorney-client or similar privilege or constitutes attorney work-product, in respect of which Company owes confidentiality obligations to any third party, which constitutes non-financial trade secrets or non-financial proprietary information or which has been previously made publicly available as part of Company's filings with the SEC.

19. Right to Purchase Securities in Future Financings. In connection with any equity or convertible debt securities that Company may from time to time propose to offer or sell after the date of issuance of this Warrant ("Future Financings"), Company hereby grants to Holder the right to invest up to the greater of (i) \$1,125,000 and (ii) such amount of cash as is required to enable Holder to purchase that number of any equity or convertible debt securities as will enable Holder to own or acquire immediately after completion of such offering the same percentage of the securities of Company (on a fully diluted, as exercised basis) as Holder owned and/or had the right to purchase (including under this Warrant, under any other warrant instrument held by Holder or any affiliate of Holder or otherwise with respect to any securities owned by Holder or any affiliate of Holder) immediately prior to commencement of such offering. Holder shall not have any obligation to purchase Company's securities in any such Future Financings. In the event Holder exercises its purchase right set forth hereunder, Holder shall not have any obligation to purchase such securities, except pursuant to those definitive purchase documents executed by other purchasers in connection with the applicable offering. For avoidance of doubt, the right granted herein shall apply to all future sales of Company's equity and convertible debt securities consummated by Company after the date hereof until the Expiration Date. The right to purchase securities in future sales by Company thereof described in this Section 19 shall survive the payment and satisfaction of all of the Company's Obligations to Lender until the Expiration Date, notwithstanding anything to the contrary set forth in any other Loan Document executed or delivered by Company or Lender after the date hereof. Holder shall be entitled to apportion the rights hereby granted to it among itself and any affiliate of Holder in such proportions as Holder deems appropriate. For the further avoidance of doubt, (i) if the amount raised in any Future Financing is less than \$5,000,000, then the Holder's right to invest in such Future Financing shall be limited to such amount of cash as is required to enable Holder to purchase that number of any equity or convertible debt securities as will enable Holder to own or acquire immediately after completion of such offering the same percentage of the securities of Company (on a fully diluted, as exercised basis) as Holder owned and/or had the right to purchase (including under this Warrant, under any other warrant instrument held by Holder or any affiliate of Holder or otherwise with respect to any securities owned by Holder or any affiliate of Holder) immediately prior to commencement of such offering; (ii) if Holder exercises its purchase right set forth hereunder, Holder shall be required to enter into the same definitive purchase documents executed by other purchasers in connection with the applicable offering; and (iii) if Holder exercises its purchase right set forth hereunder, Holder shall be required to comply with the same timeline as the other purchasers in connection with the applicable offering.

20. **Market Stand-Off.** Holder may not Transfer (hereinafter defined) this Warrant or the Warrant Stock until the end of the period beginning on the date hereof and ending on the date of the opening of the first trading window at least 180 days after the date hereof (the “Lock-up Period”), provided such Transfer restriction shall be applicable to Holder so long as all of Company’s other stockholders are subject to the same restriction. As used in this Section 20, “Transfer” means the (i) sale or assignment of, offer to sell, contract or agreement to sell, gift, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of, directly or indirectly, or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Exchange Act with respect to, any security, (ii) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (iii) public announcement of any intention to effect any transaction specified in the foregoing clause (i) or (ii).

21. **Investment Unit.** The parties acknowledge and agree that this Warrant is intended to constitute an investment unit within the meaning of Section 1273(c)(2) of the Internal Revenue Code of 1986, as amended.

WARRANT TO ACQUIRE

SECURITIES OF

INNVENTURE, INC.

(Void after March 31, 2035)

This certifies that WTI Fund XI, LLC, a Delaware limited liability company, or assigns (“Holder”), for value received, is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, to acquire from INNVENTURE, INC., a Delaware corporation formerly known as Learn SPAC Holdco, Inc. (“Company”), the Applicable Number (hereinafter defined) of fully paid and nonassessable shares of, at Holder’s option, either (i) the common stock of Company (“Common Stock”) or (ii) any Subsequent Round Stock (hereinafter defined) of Company (the Common Stock and the Subsequent Round Stock, as applicable, are sometimes referred to herein as the “Warrant Stock”), for cash, at a purchase price equal to \$0.01 per share (the “Stock Purchase Price”). Holder may also exercise this Warrant on a cashless or “net issuance” basis as described in Section 1(b) below. Capitalized terms used herein and not otherwise defined in this Warrant shall have the meaning(s) ascribed to them in the Loan and Security Agreement, dated as of October 22, 2024, by and between Company, WTI Fund X, Inc. and WTI Fund XI, Inc. (the “Loan Agreement”).

“Applicable Number” means the number of shares of Warrant Stock acquirable hereunder obtained by dividing (A) \$750,000 (the “Coverage Amount”), by (B) the Exercise Price (hereinafter defined). If in any case the Applicable Number includes a fraction then the fraction shall be rounded down to the closest integral number.

“Exercise Price” means: (i) if Holder chooses for this Warrant to be exercisable for Common Stock, the VWAP (hereinafter defined) of the Company’s Common Stock over the thirty (30) Trading Days (hereinafter defined) ending on the Trading Day immediately preceding the date of this Warrant (the “Initial Exercise Price”); provided, however, that if, as of the date which is eighteen (18) months after the date of this Warrant, the VWAP of Company’s Common Stock over the five (5) Trading Days ending on the Trading Day immediately preceding such eighteen (18) month anniversary is less than the Initial Exercise Price then the Exercise Price shall be reduced to such lower VWAP; or (ii) if Holder chooses for this Warrant to be exercisable for Subsequent Round Stock, the corresponding Subsequent Round Price (hereinafter defined). “VWAP” means, for Company’s Common Stock for a specified period, the dollar volume-weighted average price for such Common Stock on the Principal Market (hereinafter defined), for such period, as reported by Bloomberg through its “AQR” function, subject to appropriate adjustments for any stock dividend, stock split, stock combination, recapitalization or other similar transaction during such period. “Trading Day” means any day on which the Principal Market is open for trading (regular way), including any day on which it is open for trading (regular way) for a period of time less than the customary time. “Principal Market” means the principal national securities exchange on which Company’s Common Stock is then listed or traded.

“Subsequent Round Price” means the lowest price per share paid by any Person for Company’s equity securities (as applicable, the “Subsequent Round Stock”) issued in a corresponding Subsequent Round (hereinafter defined), including for this purpose the value of all consideration given by any Person for such equity securities and specifically including any discounts afforded to any Person upon conversion of any convertible security (e.g., a promissory note or a “simple agreement for future equity” (i.e., a SAFE)) held by any such Person in connection with the corresponding Subsequent Round or otherwise. “Subsequent Round” means each and every round of equity financing after the date hereof where either (x) Company receives gross cash proceeds of at least \$10,000,000 in a single transaction or series of related transactions, (y) there are punitive terms (e.g., a round of financing that effectuates a recapitalization of Company) or (z) the securities Company sells or issues have a liquidation preference, and in each case, includes (and Holder shall be entitled to receive (as calculated in relation to the Coverage Amount)) any options, warrants, or other convertible securities or similar consideration, if any, issued or delivered to any Person in connection with such Person’s acquisition of the corresponding Subsequent Round Stock. For the avoidance of doubt, Holder’s option to have this Warrant be exercisable for Subsequent Round Stock shall be a continuing option as to each and every Subsequent Round, provided that such option shall apply to the entire Warrant. Company and Holder acknowledge and agree that a Subsequent Round could include additional issuances of shares of Company’s Common Stock to investors primarily for the purpose of raising capital.

Notwithstanding anything to the contrary in the preceding paragraphs, if prior to a corresponding Subsequent Round Company consummates a Bridge Financing (hereinafter defined) then Holder may elect to surrender this Warrant to Company at any time prior to the occurrence of a Trigger Event (hereinafter defined) and receive in exchange therefor (in lieu of all rights to purchase shares of either Common Stock or Subsequent Round Stock represented by this Warrant), all of the same consideration, securities, instruments (e.g., convertible promissory notes) and rights (collectively, the “Bridge Financing Consideration”) that Holder would have received had it participated as a lender in such Bridge Financing with a loan in the notional principal amount equal to the Coverage Amount; provided, however, that (i) if Holder exercises its right set forth hereunder, Holder shall be required to enter into the same definitive documents executed by the other lenders in such Bridge Financing and (ii) if Holder exercises its right set forth hereunder, Holder shall be required to comply with the same timeline as the other lenders in such Bridge Financing. “Bridge Financing” means each and every round of debt financing effected by Company after the date hereof, whether the purpose of such financing is to bridge Company to a Subsequent Round or a Liquidity Event (as such term is defined in Section 4.3 hereof). “Trigger Event” means the occurrence of an event that will trigger the conversion or repayment of the corresponding Bridge Financing Consideration. Company agrees to provide Holder with prior written notice of the occurrence of a Trigger Event.

In the event Company sells or issues any of its securities prior to the Expiration Date in a manner that would qualify as a “Subsequent Round,” Company shall provide Holder with written notice of such sale or issuance no later than five (5) Business Days (hereinafter defined) after the date of such sale or issuance, including the price and terms of such securities (the “Subsequent Securities”). “Business Day” means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of New York are authorized or required by law or governmental action to close. In the event Holder determines, in its sole and absolute discretion, that any Subsequent Securities contain terms more favorable to the holder(s) thereof than the terms set forth in this Warrant and/or the Warrant Stock acquirable hereunder, Holder may elect to exchange this Warrant for the equivalent dollar value of such Subsequent Securities; provided, however, that the failure of Company to deliver such written notice shall not affect the rights of Holder to so exchange this Warrant as set forth herein.

As soon as reasonably practicable after the occurrence or non-occurrence of the latest event or condition necessary to determine (i) the actual number and type of shares of Warrant Stock acquirable hereunder or (ii) the Exercise Price, if applicable, Company shall deliver a supplement to this Warrant (subsequent to a request by Holder therefor), in substantially the form of Exhibit “A” attached hereto, specifying the total number and (if applicable) series of shares of Warrant Stock acquirable hereunder after giving effect to the foregoing calculations, and otherwise completed with such quantity and price terms and other information as have been determined as a result of the occurrence or non-occurrence of such events or conditions. The provisions of such supplement, once completed and executed, shall control the interpretation and exercise of this Warrant; provided, however, that the failure of Company to deliver such supplement shall not affect the rights of Holder to receive the number and type of shares of Warrant Stock as set forth herein.

Subject to Section 4.3, this Warrant may be exercised at any time or from time to time up to and including 5:00 p.m. (Pacific time) on March 31, 2035 (the “Expiration Date”), upon surrender to Company at its principal office at 6900 Tavistock Lakes Boulevard, Suite 400, Orlando, Florida 32827 (or at such other location as Company may advise Holder in writing) of this Warrant properly endorsed with the form of subscription attached hereto (the “Form of Subscription”) duly completed and signed and upon payment in cash or by check of the aggregate Stock Purchase Price for the number of shares for which this Warrant is being exercised determined in accordance with the provisions hereof. The Stock Purchase Price and the number of shares purchasable hereunder are subject to further adjustment as provided in Section 4 of this Warrant.

This Warrant is subject to the following terms and conditions:

1. Exercise; Issuance of Certificates; Payment for Shares; Exercise Limitations.

(a) Unless an election is made pursuant to clause (b) of this Section 1, this Warrant shall be exercisable at the option of Holder, at any time or from time to time, on or before the Expiration Date for all or any portion of the shares of Warrant Stock (but not for a fraction of a share) which may be purchased hereunder for the Stock Purchase Price multiplied by the number of shares to be purchased. Company agrees that the shares of Warrant Stock purchased under this Warrant shall be and are deemed to be issued to Holder as the record owner of such shares as of the close of business on the date on which the Form of Subscription shall have been delivered and payment made for such shares. Subject to the provisions of Section 2, certificates for the shares of Warrant Stock so purchased, together with any other securities or property to which Holder is entitled upon such exercise, shall be delivered to Holder by Company at Company’s expense within a reasonable time after the rights represented by this Warrant have been so exercised. Except as provided in clause (b) of this Section 1, in case of a purchase of less than all the shares which may be purchased under this Warrant, Company shall cancel this Warrant and execute and deliver a new warrant or warrants of like tenor for the balance of the shares purchasable under this Warrant surrendered upon such purchase to Holder within a reasonable time. Each stock certificate so delivered shall be in such denominations of Warrant Stock as may be requested by Holder and shall be registered in the name of such Holder or such other name as shall be designated by such Holder, subject to the limitations contained in Section 2.

(b) Holder, in lieu of exercising this Warrant by the cash payment of the Stock Purchase Price pursuant to clause (a) of this Section 1, may elect, at any time on or before the Expiration Date, to surrender this Warrant and receive that number of shares of Common Stock computed using the following formula:

$$X = \frac{Y(A - B)}{A}$$

Where: X = the number of shares of Warrant Stock to be issued to Holder.

Y = the number of shares of Warrant Stock that Holder would otherwise have been entitled to purchase hereunder pursuant to Section 1(a) (or such lesser number of shares as Holder may designate in the case of a partial exercise of this Warrant).

A = the Per Share Price (as defined in Section 1(c) below) of one (1) share of Warrant Stock at the time the net issuance election under this Section 1(b) is made.

B = the Stock Purchase Price then in effect.

Election to exercise under this Section 1(b) may be made by delivering a signed Form of Subscription to Company via facsimile or electronic mail, to be followed by delivery of this Warrant.

(c) For purposes of Section 1(b), “Per Share Price” means:

(i) If the Warrant Stock is traded on a securities exchange or actively traded over-the-counter:

(1) If the Warrant Stock is traded on a securities exchange, the Per Share Price shall be deemed to be the closing price of the Warrant Stock as quoted on any exchange, as published on Yahoo! Finance (or a successor thereto or equivalent publisher) for the trading day immediately prior to the date of Holder’s election hereunder.

(2) If the Warrant Stock is actively traded over-the-counter, the Per Share Price shall be deemed to be the closing bid or sales price, whichever is applicable, of the Warrant Stock for the trading day immediately prior to the date of the Holder’s election hereunder.

(ii) If (i) is not applicable, the Per Share Price shall be the price per share determined in good faith by the Board of Directors of Company (the “Board”) based on relevant facts and circumstances at the time of the net exercise under Section 1(b), including in the case of a Liquidity Event the consideration receivable by the holders of the Warrant Stock in such Liquidity Event and the liquidation preference (including any declared but unpaid dividends), if any, then applicable to the corresponding Warrant Stock.

(d) Notwithstanding anything herein to the contrary, Company shall not issue to Holder any Warrant Stock to the extent such shares after giving effect to such issuance after exercise and when added to the number of shares of Common Stock (1) issued or issuable upon exercise of the Warrant to Acquire Securities of Innventure, Inc., dated October 22, 2024, by and between Company and WTI FUND X, LLC, (2) issued or issuable upon exercise of the Warrant to Acquire Securities of Innventure, Inc., dated October 22, 2024, by and between Company and WTI FUND XI, LLC, (3) issued and issuable upon conversion of any shares of Series B preferred stock issued pursuant to the Investment Agreement, dated September 27, 2024, by and among Learn SPAC Holdco, Inc. and the purchasers listed on Schedule I thereto, (4) issued or issuable upon exercise of the Warrant to Acquire Securities of Innventure, Inc., dated March 31, 2025, by and between Company and WTI Fund X, LLC, and (5) issued and issuable in connection with any other transaction that would result in the number of shares of Common Stock issued in private offerings exceeding the aggregate number of Common Stock the Company is permitted to issue under the Nasdaq Stock Market rules without obtaining Stockholder Approval (hereinafter defined), would:

(i) result in Holder (together with Holder’s affiliates) (a) beneficially owning in excess of 19.99% of the number of shares of Common Stock outstanding immediately after giving effect to such issuance (the “Maximum Aggregate Ownership Amount”) or (b) controlling in excess of 19.99% of the total voting power of Company’s securities outstanding immediately after giving effect to such issuance that are entitled to vote on a matter being voted on by holders of the Common Stock (the “Maximum Aggregate Voting Amount”), unless and until Company obtains stockholder approval permitting such issuances in accordance with applicable Nasdaq Stock Market rules (“Stockholder Approval”); and

(ii) result in the aggregate number of shares of Common Stock issued exceeding 19.99% of the outstanding Common Stock as of the date immediately preceding the date hereof (the “Issuance Cap”) unless and until Company obtains Stockholder Approval.

For purposes of this Section 1(d), beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

For purposes of this Section 1(d), in determining the number of outstanding shares of Common Stock, Holder may rely on the number of outstanding shares of Common Stock as reflected in (i) Company’s most recent Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, filed with the U.S. Securities and Exchange Commission (the “SEC”), (ii) a more recent public announcement by Company, or (iii) any other notice by Company or Company’s transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of Holder, Company shall within two Business Days confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding.

If on any attempted exercise of this Warrant, the issuance of the shares of Warrant Stock would exceed the Maximum Aggregate Ownership Amount, the Maximum Aggregate Voting Amount or the Issuance Cap, and Company shall not have previously obtained Stockholder Approval at the time of exercise, then Company shall issue to Holder requesting exercise such number of shares of Warrant Stock as may be issued below the Maximum Aggregate Ownership Amount, Maximum Aggregate Voting Amount or the Issuance Cap, as the case may be, and, with respect to the remainder of the aggregate number of shares of Warrant Stock, this Warrant shall not be convertible until and unless Stockholder Approval has been obtained. Company agrees to seek such Stockholder Approval as soon as reasonably practicable to enable Holder to exercise this Warrant and acquire the number of shares of Warrant Stock desired by Holder.

2. Limitation on Transfer.

(a) This Warrant and the Warrant Stock shall not be transferable, except upon the conditions specified in this Section 2, which conditions are intended to ensure compliance with the provisions of the Securities Act of 1933, as amended (the “Securities Act”), and except as otherwise permitted by the federal securities laws and the rules and regulations thereunder. Each holder of this Warrant or the Warrant Stock issuable hereunder will cause any proposed transferee of the Warrant or Warrant Stock to (i) agree to take and hold such securities subject to the provisions and upon the conditions specified in this Section 2 and (ii) comply with the applicable provisions of the federal securities laws and the rules and regulations thereunder. Notwithstanding the foregoing and any other provision of this Section 2, Holder may freely transfer all or part of this Warrant or the shares issuable upon exercise of this Warrant (or the securities acquirable, directly or indirectly, upon conversion of the shares, if any) at any time to any affiliate of Holder, by giving Company notice of the portion of the Warrant being transferred setting forth the name, address and taxpayer identification number of the transferee and surrendering this Warrant to Company for reissuance to the transferees(s) (and Holder, if applicable) to the extent permitted by the federal securities laws and the rules and regulations thereunder.

(b) Each certificate representing (i) this Warrant, (ii) the Warrant Stock, (iii) shares of Company’s Common Stock issued upon conversion of the corresponding Subsequent Round Stock and (iv) any other securities issued in respect to the corresponding Subsequent Round Stock or Common Stock issued upon conversion of the corresponding Subsequent Round Stock upon any stock split, stock dividend, recapitalization, merger, consolidation or similar event, shall (unless otherwise permitted by the provisions of this Section 2 or unless such securities have been registered under the Securities Act or sold under Rule 144) be stamped or otherwise imprinted with a legend substantially in the following form (in addition to any legend required under applicable state securities laws):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE AND DISTRIBUTION THEREOF, AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OR ANY STATE SECURITIES LAWS. SUCH SECURITIES MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN OPINION OF COUNSEL IN A FORM REASONABLY ACCEPTABLE TO COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED DUE TO AN EXEMPTION THEREFROM UNDER SAID ACT AND ANY APPLICABLE STATE SECURITIES LAWS.

(c) Holder and each person to whom this Warrant is subsequently transferred represents and warrants to Company (by acceptance of such transfer) that it will not transfer this Warrant (or securities acquirable upon exercise hereof unless a registration statement under the Securities Act was in effect with respect to such securities at the time of issuance thereof) except pursuant to (i) an effective registration statement under the Securities Act, (ii) Rule 144 under the Securities Act (or any other rule under the Securities Act relating to the disposition of securities), (iii) an opinion of counsel, reasonably satisfactory to counsel for Company, that an exemption from such registration is available, or (iv) Company otherwise satisfies itself that such transaction is exempt from registration.

(d) Holder shall maintain a register for the recordation of the names and addresses of any Persons owning an interest in this Warrant pursuant to the terms hereof from time to time, and, in order for any transfer of this Warrant to become effective, shall amend such register to reflect any transfer otherwise properly affected pursuant to this Section 2.

3. Shares to be Fully Paid; Reservation of Shares. Company covenants and agrees that all shares of Warrant Stock which may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be duly authorized, validly issued, fully paid and nonassessable and free from all preemptive rights of any stockholder and free of all taxes, liens and charges with respect to the issue thereof. Company further covenants and agrees that during the period within which the rights represented by this Warrant may be exercised, Company will at all times have authorized and reserved, for the purpose of issue or transfer upon exercise of the subscription rights evidenced by this Warrant, a sufficient number of shares of authorized but unissued Warrant Stock, or other securities and property, when and as required to provide for the exercise of the rights represented by this Warrant. Company will take all such action with commercially reasonable efforts as may be necessary to assure that such shares of Warrant Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any domestic securities exchange upon which the Warrant Stock may be listed. Company will not take any action which would result in any adjustment of the Stock Purchase Price (as described in Section 4 hereof) (i) if the total number of shares of Warrant Stock issuable after such action upon exercise of all outstanding warrants, together with all shares of Warrant Stock then outstanding and all shares of Warrant Stock then issuable upon exercise of all options and upon the conversion of all convertible securities then outstanding, would exceed the total number of shares of Warrant Stock then authorized by Company's Certificate of Incorporation, as amended and restated from time to time (the "Charter"), (ii) if the total number of shares of Common Stock issuable after such action upon the conversion of all such shares of Warrant Stock together with all shares of Common Stock then outstanding and then issuable upon exercise of all options and upon the conversion of all convertible securities then outstanding would exceed the total number of shares of Common Stock then authorized by the Charter or (iii) if the par value per share of the Warrant Stock would exceed the Stock Purchase Price.

4. Adjustment of Stock Purchase Price and Number of Shares. The Stock Purchase Price and the number of shares purchasable upon the exercise of this Warrant shall be subject to adjustment from time to time upon the occurrence of certain events described in this Section 4. Upon each adjustment of the Stock Purchase Price, Holder shall thereafter be entitled to purchase, at the Stock Purchase Price resulting from such adjustment, the number of shares obtained by multiplying the Stock Purchase Price in effect immediately prior to such adjustment by the number of shares purchasable pursuant hereto immediately prior to such adjustment, and dividing the product thereof by the Stock Purchase Price resulting from such adjustment.

4.1 Subdivision or Combination of Warrant Stock. In case Company shall at any time subdivide its outstanding shares of Warrant Stock into a greater number of shares, the Stock Purchase Price in effect immediately prior to such subdivision shall be proportionately reduced, and conversely, in case the outstanding shares of Warrant Stock of Company shall be combined into a smaller number of shares, the Stock Purchase Price in effect immediately prior to such combination shall be proportionately increased.

4.2 Dividends. If at any time or from time to time the holders of Warrant Stock (or any shares of stock or other securities at the time receivable upon the exercise of this Warrant) shall have received or become entitled to receive,

(a) Warrant Stock, or any shares of stock or other securities whether or not such securities are at any time directly or indirectly convertible into or exchangeable for Warrant Stock, or any rights or options to subscribe for, purchase or otherwise acquire any of the foregoing by way of dividend or other distribution,

(b) any cash paid or payable, including as a cash dividend, or

(c) Warrant Stock or other or additional stock or other securities or property (including cash) by way of spin off, split-up, reclassification, combination of shares or similar corporate rearrangement, (other than shares of Warrant Stock issued as a stock split, adjustments in respect of which shall be covered by the terms of Section 4.1 above),

then and in each such case, Holder shall be entitled to receive, without being required to first exercise this Warrant and without payment of any additional consideration therefor, the amount of such securities and property (including cash in the cases referred to in clauses (b) and (c) above), which shall be determined as if Holder had been the holder of record of the shares of Warrant Stock acquirable hereunder as of the date on which the other holders of Company's Warrant Stock received or became entitled to receive such shares and/or all other additional stock and other securities and property.

4.3 Automatic Exchange upon a Liquidity Event; Expiration Date.

(a) Upon the first to occur of the consummation of a Liquidity Event and the Expiration Date, this Warrant shall be automatically exchanged for a number of shares of Company's securities, such number of shares being equal to the maximum number of shares issuable pursuant to the terms hereof (after taking into account all adjustments described herein) had Holder elected to exercise this Warrant immediately prior to the closing of such Liquidity Event or the Expiration Date, as applicable, and purchased all such shares pursuant to the cash exercise provision set forth in Section 1(a) hereof (as opposed to the cashless exercise provision set forth in Section 1(b)). Company acknowledges and agrees that Holder shall not be required to make any payment (cash or otherwise) for such shares as consideration for their issuance pursuant to the terms of the preceding sentence. "Liquidity Event" means the first to occur of: (i) the closing of any merger or consolidation (or similar transaction) of Company into or with another entity after which the stockholders of Company immediately prior to such transaction do not hold immediately following the consummation of such transaction by virtue of their shares in Company or securities received in exchange for such shares in connection with the transaction, more than fifty percent (50%) the voting power of the surviving entity; (ii) the closing of any privatization (i.e., a take-private transaction) of Company; (iii) the closing of any sale, lease, license, transfer or other disposition of all or substantially all of the assets of Company in a single transaction or series of related transactions; (iv) the closing of any sale or transfer by Company or its stockholders of fifty percent (50%) or more of the voting power of Company in a transaction or series of related transactions; (iv) the closing of a transaction that constitutes a management buyout of the existing stockholders or the closing of a transaction that constitutes a stockholder buyout in which one or more stockholders that previously had a controlling interest in Company acquire the interests of all of the non-controlling stockholders, or (v) the closing of any transaction or series of related transactions deemed to be a liquidation, dissolution or winding up of Company pursuant to the provisions of Company's charter documents. This Warrant shall terminate upon Holder's receipt of the number of shares of Company's equity securities described in this Section 4.3(a).

(b) Company acknowledges and agrees that, notwithstanding anything to the contrary in the Warrant, on the Expiration Date, Holder shall have the option to exchange this Warrant for a cash payment in an amount equal to the Coverage Amount; provided, however, that Holder shall provide Company with reasonable prior written notice of its intent to exercise the option set forth in this Section 4.3(b). If Holder exercises the option set forth in this Section 4.3(b) then Company shall make such payment to Holder by wire transfer on the Expiration Date, or within thirty days of the Expiration Date, pursuant to wire transfer instructions provided to Company by Holder.

4.4 “Pay-to-Play” Exemption. In the event that the rights, preferences or privileges of the shares of Warrant Stock issuable upon the exercise of this Warrant are amended or modified, or a recapitalization, reclassification, conversion or exchange of such outstanding shares of Warrant Stock is effected in connection with an equity or debt financing transaction which occurs after the date hereof (each, as applicable, a “Pay-to-Play Transaction”), this Warrant (and the shares of Warrant Stock issuable hereunder) shall be exempt from such Pay-to-Play Transaction, and shall automatically and without any action required by Holder become exercisable for the type of securities as would have been issued or exchanged, or would have remained outstanding or been purchasable, as the case may be, in respect of the shares of Warrant Stock issuable hereunder had Holder exercised this Warrant in full prior to such event and purchased all shares pursuant to the cash exercise provision set forth in Section 1(a) hereof, and participated in the equity or debt financing to the maximum extent permitted.

4.5 Notice of Adjustment. Upon any adjustment of the Stock Purchase Price, and/or any increase or decrease in the number of shares purchasable upon the exercise of this Warrant, Company shall give written notice thereof, by either (i) first class mail, postage prepaid or (ii) electronic mail, addressed to the registered holder of this Warrant at the address of such holder as shown on the books of Company or as otherwise known by Company. The notice, which may be substantially in the form of Exhibit “A” attached hereto, shall be signed by an officer of Company and shall state the Stock Purchase Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of this Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

4.6 Other Notices. If at any time:

- (a) Company shall declare any cash dividend upon its Warrant Stock;
- (b) Company shall declare any dividend upon its Warrant Stock payable in stock or make any special dividend or other distribution to the holders of its Warrant Stock;
- (c) Company shall offer for subscription pro rata to the holders of its Warrant Stock any additional shares of stock of any class or other rights;
- (d) there shall be any capital reorganization or reclassification of the capital stock of Company, or any other Liquidity Event;
- (e) there shall be a voluntary or involuntary dissolution, liquidation or winding-up of Company; or
- (f) Company shall take or propose to take any other action, notice of which is actually provided to holders of the Warrant Stock;

then, in any one or more of said cases, Company shall give, by first class mail, postage prepaid, addressed to Holder at the address of such Holder as shown on the books of Company, (i) at least 20 days’ prior written notice of the date on which the books of Company shall close or a record shall be taken for such dividend, distribution or subscription rights or for determining rights to vote in respect of any such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, or other action and (ii) in the case of any such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, or other action, at least 20 days’ written notice of the date when the same shall take place. Any notice given in accordance with the foregoing clause (i) shall also specify, in the case of any such dividend, distribution or subscription rights, the date on which the holders of Warrant Stock shall be entitled thereto. Any notice given in accordance with the foregoing clause (ii) shall also specify the date on which the holders of Warrant Stock shall be entitled to exchange their Warrant Stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, or other action as the case may be.

4.7 Certain Events. If any change in the outstanding Warrant Stock of Company or any other event occurs as to which the other provisions of this Section 4 are not strictly applicable or if strictly applicable would not fairly effect the adjustments to this Warrant in accordance with the essential intent and principles of such provisions, then the Board shall make in good faith an adjustment in the number and class of shares acquirable under this Warrant, the Stock Purchase Price and/or the application of such provisions, in accordance with such essential intent and principles, so as to protect such purchase rights as aforesaid. The adjustment shall be such as will give Holder upon exercise for the same aggregate Stock Purchase Price the total number, class and kind of shares as Holder would have owned had this Warrant been exercised prior to the event and had Holder continued to hold such shares until after the event requiring adjustment.

5. Issue Tax. The issuance of certificates for shares of Warrant Stock upon the exercise of this Warrant shall be made without charge to Holder for any issue tax in respect thereof; provided, however, that Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than that of the then Holder being exercised.

6. Closing of Books. Company will at no time close its transfer books against the transfer of this Warrant or of any shares of Warrant Stock issued or issuable upon the exercise of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. No Voting Rights; Limitation of Liability. Nothing contained in this Warrant shall be construed as conferring upon Holder the right to vote or to consent as a stockholder in respect of meetings of stockholders for the election of directors of Company or any other matters or any rights whatsoever as a stockholder of Company. If any dividends are due or paid at any time on the underlying securities for which this Warrant is exercisable then the securities acquirable hereunder shall be deemed to have accrued dividends and be paid identical dividends from the same time as the outstanding shares for which this Warrant is exercisable were first issued. No provisions hereof, in the absence of affirmative action by Holder to purchase shares of Warrant Stock, and no mere enumeration herein of the rights or privileges of Holder, shall give rise to any liability of such Holder for the Stock Purchase Price or as a stockholder of Company, whether such liability is asserted by Company or by its creditors.

8. Tax Matters. Holder (including any assignee) shall provide an IRS Form W-9 or applicable IRS Form W-8 to Company prior to becoming party to this Warrant and from time to time upon Company's reasonable request and at the time or times prescribed by applicable law; provided, that if Holder (including any assignee) does not provide an IRS Form W-9 or an applicable IRS Form W-8 evidencing a complete exemption from U.S. federal income tax withholding on payments to be made pursuant to this Warrant, Company may deduct and withhold from any payments to be made to such Person pursuant to this Warrant any taxes required to be deducted or withheld pursuant to applicable law. To the extent that any taxes are so deducted or withheld and remitted to the applicable taxing authority, they will be treated for all purposes of this Warrant as being paid to the Person in respect of which such deduction or withholding has been made. Company acknowledges that initial Holder provided Company with an IRS Form W-9 prior to the date hereof and Company shall not be entitled to deduct and/or withhold from any payments to be made to initial Holder.

9. Registration Rights. Holder shall be entitled, with respect to the shares of Warrant Stock issued upon exercise hereof to all of the registration rights set forth in the Registration Rights Agreement, dated as of October 22, 2024 (as amended from time to time, the "Rights Agreement"), to the same extent and on the same terms and conditions as possessed by the investors thereunder with the following exceptions and clarifications: (i) Holder will have no right to make a written request under the Rights Agreement that Company file a registration statement under Form S-1 of the Securities Act; (ii) Holder will be subject to the same provisions regarding indemnification as contained in the Rights Agreement; and (iii) the registration rights are freely assignable by Holder in connection with a permitted transfer of this Warrant or the shares acquirable upon exercise hereof. Company shall take such action as may be reasonably necessary to assure that the granting of such registration rights to Holder does not violate the provisions of the Rights Agreement or any of Company's charter documents or rights of prior grantees of registration rights.

10. Rights and Obligations Survive Exercise of Warrant. The rights and obligations of Company, of Holder and of the holder of shares of Warrant Stock issued upon exercise of this Warrant, contained in Sections 6 and 9 shall survive the exercise of this Warrant.

11. Modification and Waiver. This Warrant and any provision hereof may be changed, waived, discharged or terminated only by an instrument in writing signed by the party against which enforcement of the same is sought.

12. Notices. Any notice, request or other document required or permitted to be given or delivered to Holder or Company shall be deemed to have been given (i) upon receipt if delivered personally or by courier, (ii) upon confirmation of receipt if by telecopy, (iii) upon receipt if delivered by electronic mail to the email listed below such party's signature on the signature page to this Warrant at or before 5:00 p.m. Eastern Time on a Business Day, (iv) at 9:00 a.m. Eastern Time on the immediately succeeding Business Day if received by electronic mail at the email listed below such party's signature on the signature page to this Warrant after 5:00 p.m. Eastern Time or on a day that is not a Business Day or (iv) three Business Days after deposit in the US mail, with postage prepaid and certified or registered, to each such Holder at its address as shown on the books of Company or to Company at the address indicated therefor in the opening paragraphs of this Warrant.

13. Survival of Certain Obligations. All of the rights and obligations of Company relating to the Warrant Stock acquirable upon the exercise of this Warrant shall survive the exercise and termination of this Warrant. All of the covenants and agreements of Company shall inure to the benefit of the successors and permitted assigns of Holder. Company will, at the time of the exercise of this Warrant, in whole or in part, upon request of Holder but at Company's expense, acknowledge in writing its continuing obligation to Holder in respect of any rights (including, without limitation, any right to registration of the shares of Warrant Stock) to which Holder shall continue to be entitled after such exercise in accordance with this Warrant; provided, that the failure of Holder to make any such request shall not affect the continuing obligation of Company to Holder in respect of such rights.

14. Descriptive Headings and Governing Law. The descriptive headings of the several sections and paragraphs of this Warrant are inserted for convenience only and do not constitute a part of this Warrant. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the State of Delaware, without regard to the principles of conflicts of law thereof.

15. Lost Warrants or Stock Certificates. Company represents and warrants to Holder that upon receipt of evidence reasonably satisfactory to Company of the loss, theft, destruction, or mutilation of any Warrant or stock certificate and, in the case of any such loss, theft or destruction, upon receipt of an indemnity reasonably satisfactory to Company, or in the case of any such mutilation upon surrender and cancellation of such Warrant or stock certificate, Company at its expense will make and deliver a new Warrant or stock certificate, of like tenor, in lieu of the lost, stolen, destroyed or mutilated Warrant or stock certificate.

16. Fractional Shares. No fractional shares shall be issued upon exercise of this Warrant. Company shall, in lieu of issuing any fractional share, at its election either pay the holder entitled to such fraction a sum in cash equal to such fraction multiplied by the then effective Stock Purchase Price or round up to the next whole share.

17. Representations of Holder. With respect to this Warrant, Holder represents and warrants to Company as follows:

17.1 Experience. It is experienced in evaluating and investing in companies engaged in businesses similar to that of Company; it understands that investment in this Warrant involves substantial risks; it has made detailed inquiries concerning Company, its business and services, its officers and its personnel; the officers of Company have made available to Holder any and all written information it has requested; the officers of Company have answered to Holder's satisfaction all inquiries made by it; in making this investment it has relied upon information made available to it by Company; and it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of investment in Company and it is able to bear the economic and financial risk of that investment.

17.2 Investment. It is acquiring this Warrant for investment for its own account and not with a view to, or for resale in connection with, any distribution thereof. It understands that this Warrant and the shares of Warrant Stock issuable upon the exercise hereof have not been registered under the Securities Act, nor qualified under applicable state securities laws.

17.3 Rule 144. It acknowledges that this Warrant and the Warrant Stock acquirable hereunder must be held indefinitely, unless they are subsequently registered under the Securities Act or an exemption from such registration is available. It has been advised or is aware of the provisions of Rule 144 promulgated under the Securities Act, and understands the resale limitations imposed thereby and by the Securities Act.

17.4 Access to Data. It has had an opportunity to discuss Company's business, management and financial affairs with Company's management and has had the opportunity to inspect Company's facilities.

17.5 Accredited Investor. It is an "accredited investor" within the meaning of Regulation D promulgated under the Securities Act.

18. Additional Representations and Covenants of Company. Company hereby represents, warrants and agrees as follows:

18.1 Due Organization. Company is a company duly incorporated and validly existing in good standing under the laws of the jurisdiction of its incorporation and is duly qualified to conduct business and is in good standing in each other jurisdiction in which its business is conducted or its properties are located, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect.

18.2 Authorization, Validity and Enforceability. The execution, delivery and performance of the Warrant are within Company's powers, have been duly authorized, and are not in conflict with the Charter or Company's Bylaws. The Warrant constitutes a valid and binding obligation of Company, enforceable in accordance with its terms (except as may be limited by bankruptcy, insolvency and similar laws affecting the enforcement of creditors' rights in general, and subject to general principles of equity).

18.3 Offering. Subject in part to the truth and accuracy of Holder's representations set forth in Section 17 hereof, the offer, issuance and sale of this Warrant is, and the issuance of Warrant Stock upon exercise of this Warrant will be, exempt from the registration requirements of the Securities Act, and are exempt from the qualification requirements of any applicable state securities laws; and neither Company nor anyone acting on its behalf will take any action hereafter that would cause the loss of such exemptions.

18.4 No Conflict. The execution, delivery, and performance by Company of this Warrant is not in conflict with any law, rule, regulation, order or directive, or any indenture, agreement, or undertaking to which Company is a party or by which Company may be bound or affected except, in each case, to the extent any such conflict would not reasonably be expected to have a Material Adverse Effect

18.5 Charter and Bylaws. Company has provided Holder with true and complete copies of its Charter and Bylaws, and each other charter document setting forth any rights, preferences and privileges of Company's capital stock, each as amended and in effect on the date of issuance of this Warrant.

18.6 Intentionally Omitted.

18.7 Financial and Other Reports. From time to time up to the earlier of: (a) the consummation of a Liquidity Event; (b) the Expiration Date and (c) such date as Holder's auditors no longer require such information, Company shall furnish to Holder (i) within 180 days after the close of each fiscal year of Company, an audited balance sheet and cash flow statement at and as of the end of such fiscal year, together with an audited statement of income for such fiscal year; provided that if Company's Board of Directors does not require Company's financial statements to be audited for a particular fiscal year, then Company shall deliver such financial statements to Holder unaudited, and (ii) within 45 days after the close of each fiscal quarter of Company, an unaudited balance sheet, income statement and cash flow statement, each at and as of the end of such quarter, together with an up-to-date summary capitalization table, provided that such capitalization table shall be provided to Holder only if Company's securities are not publicly traded; and (iii) promptly after the closing of each equity financing and convertible debt financing consummated by Company after the date this Warrant has been issued, a copy of the term sheet for such financing (if any), a post-closing, summary capitalization table and other information relating to the then-current valuation of Company. In addition, Company agrees to provide Holder at any time and from time to time with such information as Holder may reasonably request for purposes of Holder's valuation of Company and Holder's compliance (as determined by Holder in its reasonable discretion) with regulatory, accounting and reporting requirements applicable to Holder; provided, however, that in no event shall Company be obligated to (i) provide Holder with information that is not in Company's possession or (ii) take any action with a third party or otherwise engage a third party in connection with such request. Notwithstanding the foregoing, Company shall not be required to furnish to Holder the financial information described in this Section 18.7 in the event such financial information has been previously delivered pursuant to the Loan Agreement. Further notwithstanding anything in this Section 18.7 to the contrary, if in connection with a Liquidity Event Holder receives securities of a privately held company then the rights described in this Section 18.7 shall be deemed to continue to apply to such company in order to enable Holder to comply with regulatory, accounting and reporting requirements applicable to Holder. Further notwithstanding anything in this Section 18.7 or this Warrant to the contrary, Company shall not be required to provide information in respect of which disclosure is prohibited by law, which is subject to attorney-client or similar privilege or constitutes attorney work-product, in respect of which Company owes confidentiality obligations to any third party, which constitutes non-financial trade secrets or non-financial proprietary information or which has been previously made publicly available as part of Company's filings with the SEC.

19. Right to Purchase Securities in Future Financings. In connection with any equity or convertible debt securities that Company may from time to time propose to offer or sell after the date of issuance of this Warrant ("Future Financings"), Company hereby grants to Holder the right to invest up to the greater of (i): \$375,000 and (ii) such amount of cash as is required to enable Holder to purchase that number of any equity or convertible debt securities as will enable Holder to own or acquire immediately after completion of such offering the same percentage of the securities of Company (on a fully diluted, as exercised basis) as Holder owned and/or had the right to purchase (including under this Warrant, under any other warrant instrument held by Holder or any affiliate of Holder or otherwise with respect to any securities owned by Holder or any affiliate of Holder) immediately prior to commencement of such offering. Holder shall not have any obligation to purchase Company's securities in any such Future Financings. In the event Holder exercises its purchase right set forth hereunder, Holder shall not have any obligation to purchase such securities, except pursuant to those definitive purchase documents executed by other purchasers in connection with the applicable offering. For avoidance of doubt, the right granted herein shall apply to all future sales of Company's equity and convertible debt securities consummated by Company after the date hereof until the Expiration Date. The right to purchase securities in future sales by Company thereof described in this Section 19 shall survive the payment and satisfaction of all of the Company's Obligations to Lender until the Expiration Date, notwithstanding anything to the contrary set forth in any other Loan Document executed or delivered by Company or Lender after the date hereof. Holder shall be entitled to apportion the rights hereby granted to it among itself and any affiliate of Holder in such proportions as Holder deems appropriate. For the further avoidance of doubt, (i) if the amount raised in any Future Financing is less than \$5,000,000, then the Holder's right to invest in such Future Financing shall be limited to such amount of cash as is required to enable Holder to purchase that number of any equity or convertible debt securities as will enable Holder to own or acquire immediately after completion of such offering the same percentage of the securities of Company (on a fully diluted, as exercised basis) as Holder owned and/or had the right to purchase (including under this Warrant, under any other warrant instrument held by Holder or any affiliate of Holder or otherwise with respect to any securities owned by Holder or any affiliate of Holder) immediately prior to commencement of such offering; (ii) if Holder exercises its purchase right set forth hereunder, Holder shall be required to enter into the same definitive purchase documents executed by other purchasers in connection with the applicable offering; and (iii) if Holder exercises its purchase right set forth hereunder, Holder shall be required to comply with the same timeline as the other purchasers in connection with the applicable offering.

20. **Market Stand-Off.** Holder may not Transfer (hereinafter defined) this Warrant or the Warrant Stock until the end of the period beginning on the date hereof and ending on the date of the opening of the first trading window at least 180 days after the date hereof (the “Lock-up Period”), provided such Transfer restriction shall be applicable to Holder so long as all of Company’s other stockholders are subject to the same restriction. As used in this Section 20, “Transfer” means the (i) sale or assignment of, offer to sell, contract or agreement to sell, gift, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of, directly or indirectly, or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Exchange Act with respect to, any security, (ii) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (iii) public announcement of any intention to effect any transaction specified in the foregoing clause (i) or (ii).

21. **Investment Unit.** The parties acknowledge and agree that this Warrant is intended to constitute an investment unit within the meaning of Section 1273(c)(2) of the Internal Revenue Code of 1986, as amended.

THIS SECURITIES PURCHASE AGREEMENT (this “Agreement”), dated as of March 25, 2025, is between **INNVENTURE, INC.**, a company incorporated under the laws of the State of Delaware (the “Company”), and each of the investors listed on the Schedule of Buyers attached as Schedule I hereto (individually, a “Buyer” and collectively the “Buyers”).

WITNESSETH

WHEREAS, the Company and each Buyer desire to enter into this transaction for the Company to sell and the Buyers to purchase the Convertible Debentures (as defined below) pursuant to an exemption from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”) and/or Rule 506 of Regulation D (“Regulation D”) promulgated by the U.S. Securities and Exchange Commission (the “SEC”) thereunder;

WHEREAS, the parties desire that, upon the terms and subject to the conditions contained herein, the Company shall issue and sell to the Buyer(s), as provided herein, and the Buyer(s) shall purchase convertible debentures in the form attached hereto as “Exhibit A” (the “Convertible Debentures”) in the aggregate principal amount of up to \$30,000,000 (the “Subscription Amount”), which shall be convertible into shares of the Company’s common stock, par value \$0.0001 per share (the “Common Shares”) (as converted, the “Conversion Shares”), of which \$20,000,000 shall be purchased upon the satisfaction of the conditions to closing in Sections 6 and 7 (the “First Closing”) and \$10,000,000 shall be purchased on the first Business Day after both (i) the date the Registration Statement has first been declared effective by the SEC and (ii) the Company has received Stockholder Approval (as defined below) (the “Second Closing”) (individually referred to as a “Closing” and collectively referred to as the “Closings”), at a purchase price equal to 90% of the Subscription Amount (the “Purchase Price”) in the respective amounts set forth opposite each Buyer(s) name on Schedule I to this Agreement;

WHEREAS, on the First Closing Date (as defined in Section 1(c) below), the parties hereto are executing and delivering a Registration Rights Agreement (the “Registration Rights Agreement”) pursuant to which the Company has agreed to provide certain registration rights under the Securities Act and the rules and regulations promulgated thereunder, and applicable state securities laws; and

WHEREAS, the Convertible Debentures and the Conversion Shares are collectively referred to herein as the “Securities.”

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and each Buyer hereby agree as follows:

1. PURCHASE AND SALE OF CONVERTIBLE DEBENTURES.

(a) Purchase of Convertible Debentures. Subject to the satisfaction (or waiver) of the conditions set forth in Sections 6 and 7 below, the Company shall issue and sell to each Buyer, and each Buyer severally, but not jointly, agrees to purchase from the Company at each Closing, Convertible Debentures with principal amount corresponding to the Subscription Amount set forth opposite each Buyer's name on Schedule I attached hereto.

(b) Closing Dates. Each Closing shall occur remotely by conference call and electronic delivery of documentation. The date and time of each Closing shall be as follows: (i) the First Closing shall be at 10:00 a.m., New York time, on the first Business Day on which the conditions to the Closing set forth in Sections 6 and 7 below are satisfied or waived (or such other date as is mutually agreed to by the Company and each Buyer) (the "First Closing Date") and (ii) the Second Closing shall be at 10:00 a.m., New York time, on the first Business Day after the Registration Statement is first declared effective by the SEC, and the Company has received Stockholder Approval (as defined below), provided the conditions to the Closing set forth in Sections 6 and 7 below are satisfied or waived at such time (or such other date as is mutually agreed to by the Company and each Buyer) (the "Second Closing Date") and collectively with the First Closing Date, the "Closing Dates"). As used herein "Business Day" means any day other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required by law to remain closed.

(c) Form of Payment; Deliveries. Subject to the satisfaction (or waiver) of the terms and conditions of this Agreement, on each Closing Date, (i) the Buyers shall deliver to the Company, in immediately available funds to a bank account designated in writing by the Company, the Purchase Price for the Convertible Debentures to be issued and sold to such Buyer at such Closing, minus any fees or expenses to be paid directly from the proceeds of such Closing as set forth herein, and (ii) the Company shall deliver to each Buyer, Convertible Debentures which such Buyer is purchasing at such Closing with a principal amount corresponding with the Subscription Amount set forth opposite each Buyer's name on Schedule of Buyers attached as Schedule I hereto, duly executed on behalf of the Company.

(d) Maximum Shares. Notwithstanding anything in this Agreement to the contrary, the Company shall not issue any Common Shares pursuant to the transactions contemplated hereby or any other Transaction Documents (as defined below) (including the Conversion Shares) if the issuance of Common Shares would exceed the aggregate number of Common Shares that the Company may issue in this transaction, and any transaction aggregated with this transaction, in compliance with the Company's obligations under the rules or regulations of The Nasdaq Stock Market LLC ("Nasdaq") (the number of shares which may be issued without violating such rules and regulations being referred to as the "Exchange Cap"), except that such limitation shall not apply in the event that the Company (A) obtains the approval of its stockholders as required by the applicable rules of the Nasdaq for issuances of Common Shares in excess of such amount or (B) obtains a written opinion from outside counsel to the Company that such approval is not required, which opinion shall be reasonably satisfactory to the Buyers. The Exchange Cap shall be appropriately adjusted for any stock dividend, stock split, reverse stock split or similar transaction.

2. BUYER'S REPRESENTATIONS AND WARRANTIES.

Each Buyer, severally and not jointly, represents and warrants to the Company with respect to only itself that, as of the date hereof and as of each Closing Date:

(a) Investment Purpose. The Buyer is acquiring the Securities for its own account for investment purposes and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered under or exempt from the registration requirements of the Securities Act; provided, however, that by making the representations herein, such Buyer does not agree, or make any representation or warranty, to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time in accordance with, or pursuant to, a registration statement covering such Securities or an available exemption under the Securities Act. Such Buyer does not presently have any agreement or understanding, directly or indirectly, with any Person (as defined below) to distribute any of the Securities in violation of applicable securities laws. As used herein, "Person" means a corporation, a limited liability company, an association, a partnership, an organization, a business, an individual, a governmental or political subdivision thereof or a governmental agency.

(b) Accredited Investor Status. The Buyer is an "Accredited Investor" as that term is defined in Rule 501(a)(3) of Regulation D.

(c) Reliance on Exemptions. The Buyer understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Buyer's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Buyer set forth herein in order to determine the availability of such exemptions and the eligibility of such Buyer to acquire the Securities.

(d) Information. The Buyer and its advisors (and its counsel), if any, have been furnished with all materials relating to the business, finances and operations of the Company and information the Buyer deemed material to making an informed investment decision regarding its purchase of the Securities, which have been requested by such Buyer. The Buyer and its advisors, if any, have been afforded the opportunity to ask questions of the Company and its management. Neither such inquiries nor any other due diligence investigations conducted by such Buyer or its advisors, if any, or its representatives shall modify, amend or affect such Buyer's right to rely on the Company's representations and warranties contained in Section 3 below. The Buyer understands that its investment in the Securities involves a high degree of risk. The Buyer has sought such accounting, legal and tax advice, as it has considered necessary to make an informed investment decision with respect to its acquisition of the Securities.

(e) Transfer or Resale. The Buyer understands that: (i) the Securities have not been registered under the Securities Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder, (B) such Buyer shall have delivered to the Company an opinion of counsel, in a generally acceptable form, to the effect that such Securities to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration requirements, or (C) such Buyer provides the Company with reasonable assurances (in the form of seller and broker representation letters) that such Securities can be sold, assigned or transferred pursuant to Rule 144 promulgated under the Securities Act, as amended (or a successor rule thereto) (collectively, "Rule 144"), in each case following the applicable holding period set forth therein; and (ii) any sale of the Securities made in reliance on Rule 144 may be made only in accordance with the terms of Rule 144 and further, if Rule 144 is not applicable, any resale of the Securities under circumstances in which the seller (or the Person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the Securities Act) may require compliance with some other exemption under the Securities Act or the rules and regulations of the SEC thereunder. Notwithstanding the foregoing, the Securities may be pledged in connection with a bona fide margin account or other loan or financing arrangement secured by the Securities and such pledge of Securities shall not be deemed to be a transfer, sale or assignment of the Securities hereunder, and no Buyer effecting a pledge of Securities shall be required to provide the Company with any notice thereof or otherwise make any delivery to the Company pursuant to this Agreement or any other Transaction Document, including, without limitation, this Section 2(e).

(f) Legends. The Buyer agrees to the imprinting, so long as its required by this Section 2(f), of a restrictive legend on the Convertible Debentures in substantially the following form:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE AND THOSE SECURITIES INTO WHICH THEY ARE CONVERTIBLE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES AND THOSE SECURITIES INTO WHICH THEY ARE CONVERTIBLE HAVE BEEN ACQUIRED SOLELY FOR INVESTMENT PURPOSES AND NOT WITH A VIEW TOWARD RESALE AND MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS, OR AN OPINION OF COUNSEL, IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR APPLICABLE STATE SECURITIES LAWS. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

The Buyer agrees to the imprinting, so long as its required by this Section 2(f), of a restrictive legend on the Conversion Shares in substantially the following form:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES HAVE BEEN ACQUIRED SOLELY FOR INVESTMENT PURPOSES AND NOT WITH A VIEW TOWARD RESALE AND MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS, OR AN OPINION OF COUNSEL, IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR APPLICABLE STATE SECURITIES LAWS. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

Certificates evidencing the Conversion Shares shall not contain any legend (including the legend set forth above), (i) following any sale of such Conversion Shares pursuant to Rule 144, (ii) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the SEC), or (iii) while a registration statement (including the Registration Statement) covering the resale of such security is effective under the Securities Act, *provided*, that, in the case of sub-clause (iii), the Company has received a customary representation letter from such Buyer, the form and substance of which shall be reasonably satisfactory to the Company, confirming that such Buyer shall sell the Conversion Shares within seven Trading Days following the date of the delivery of such representation letter and shall return such securities to be relegended if such sale does not take place. If a legend is not required pursuant to the foregoing, the Company shall no later than two (2) Trading Days (or such earlier date as required pursuant to the Exchange Act (as defined below) or other applicable law, rule or regulation for the settlement of a trade initiated on the date such Buyer delivers such legended certificate representing such securities to the Company) following the delivery by a Buyer to the Company or the transfer agent (with notice to the Company) of a legended certificate representing such securities (endorsed or with stock powers attached, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), together with any other deliveries from such Buyer as may be required above in this Section 2(f), as directed by such Buyer, either: (A) provided that the Company's transfer agent is participating in the Depository Trust Company ("DTC") Fast Automated Securities Transfer Program, credit the aggregate number of Common Shares to which such Buyer shall be entitled to such Buyer's or its designee's balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Company's transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver (via reputable overnight courier) to such Buyer, a certificate representing such securities that is free from all restrictive and other legends, registered in the name of such Buyer or its designee. The Company shall be responsible for any transfer agent fees or DTC fees with respect to any issuance of Securities or the removal of any legends with respect to any Securities in accordance herewith. The Buyer agrees that the removal of a restrictive legend from certificates representing Securities as set forth in this Section 2(f) is predicated upon the Company's reliance that the Buyer will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Securities are sold pursuant to a registration statement, they will be sold in compliance with the plan of distribution set forth therein.

(g) Organization; Authority. Such Buyer is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization with the requisite power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents to which it is a party and otherwise to carry out its obligations hereunder and thereunder.

(h) Authorization, Enforcement. The Transaction Documents to which such Buyer is a party have been duly and validly authorized, executed and delivered on behalf of such Buyer and shall constitute the legal, valid and binding obligations of such Buyer enforceable against such Buyer in accordance with their terms, except as such enforceability may be limited by general principles of equity or to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(i) No Conflicts. The execution, delivery and performance by such Buyer of this Agreement and the consummation by such Buyer of the transactions contemplated hereby will not (i) result in a violation of the organizational documents of such Buyer, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Buyer is a party or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Buyer, except, in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which could not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Buyer to perform its obligations hereunder.

(j) Certain Trading Activities. The Buyer has not directly or indirectly, nor has any Person acting on behalf of or pursuant to any understanding with the Buyer, engaged in any transactions in the securities of the Company (including, without limitation, any Short Sales (as defined below) involving the Company's securities) during the period commencing as of the time that the Buyer first contacted the Company or the Company's agents regarding the specific investment in the Company contemplated by this Agreement (but not prior to February 1, 2025) and ending immediately prior to the execution of this Agreement by such Buyer.

(k) No General Solicitation. The Buyer is not purchasing or acquiring the Securities as a result of any general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Securities.

(l) Not an Affiliate. The Buyer is not (i) an officer or director of the Company or any of its Subsidiaries, (ii) an "affiliate" (as defined in Rule 144) of the Company or any of its Subsidiaries or (iii) a "beneficial owner" of more than 10% of the Common Shares (as defined for purposes of Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act")).

(m) Evaluation of Risks. The Buyer has such knowledge and experience in financial, tax and business matters as to be capable of evaluating the merits and risks of, and bearing the economic risks entailed by, an investment in the Securities of the Company and of protecting its interests in connection with the transactions contemplated hereby. The Buyer acknowledges and agrees that its investment in the Company involves a high degree of risk, and that the Buyer may lose all or a part of its investment.

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

Except as set forth in the SEC Documents (as defined below) that are available on the SEC's website through the EDGAR system at least one (1) Business Day prior to the date of this Agreement and each Closing (in each case, unless context provides otherwise), and as set forth on the Disclosure Schedule (as defined below), the Company hereby makes the representations and warranties set forth below to each Buyer as of each Closing:

(a) Organization and Qualification. The Company and each of its Subsidiaries are entities duly formed, validly existing and in good standing under the laws of the jurisdiction in which they are formed, and have the requisite power and authority to own their properties and to carry on their business as now being conducted and as presently proposed to be conducted. The Company and each of its Subsidiaries is duly qualified as a foreign entity to do business and is in good standing in every jurisdiction in which its ownership of property or the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not reasonably be expected to have a Material Adverse Effect (as defined below). As used in this Agreement, "Material Adverse Effect" means any material adverse effect on (i) the business, properties, assets, liabilities, operations (including results thereof), condition (financial or otherwise) or of the Company and its Subsidiaries, taken as a whole, (ii) the transactions contemplated hereby or in any of the other Transaction Documents or any other agreements or instruments to be entered into by the Company in connection herewith or therewith or (iii) the authority or ability of the Company to perform any of its obligations under any of the Transaction Documents. "Subsidiaries" means any Person in which the Company, directly or indirectly, owns a majority of the outstanding capital stock having voting power or holds a majority of the equity or similar interest of such Person, and each of the foregoing, is individually referred to herein as a "Subsidiary."

(b) Authorization; Enforcement; Validity. The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and the other Transaction Documents and to issue the Securities in accordance with the terms hereof and thereof. The execution and delivery of this Agreement and the other Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Convertible Debentures, and the reservation for issuance and issuance of the Conversion Shares issuable upon conversion of the Convertible Debentures), have been duly authorized by the Company's board of directors and no further filing, consent or authorization is required by the Company, its board of directors or its stockholders or other governmental body. This Agreement has been, and the other Transaction Documents to which the Company is a party will be prior to the Closing, duly executed and delivered by the Company, and, assuming the execution and delivery thereof and acceptance by the Buyer, to the extent applicable, will constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or other laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies and except as rights to indemnification and to contribution may be limited by federal or state securities law. "Transaction Documents" means, collectively, this Agreement, the Registration Rights Agreement, the Convertible Debentures, the Global Guaranty, and each of the other agreements and instruments entered into by the Company or delivered by the Company in connection with the transactions contemplated hereby and thereby, as may be amended from time to time.

(c) Issuance of Securities. The issuance of the Securities has been duly authorized and, upon issuance and payment in accordance with the terms of the Transaction Documents, the Securities shall be validly issued, fully paid and non-assessable and free from all preemptive or similar rights, mortgages, defects, claims, liens, pledges, charges, taxes, rights of first refusal, encumbrances, security interests and other encumbrances (collectively "Liens") with respect to the issuance thereof. As of each Closing Date, the Company shall have reserved from its duly authorized capital stock not less than the Required Reserve Amount (as defined herein). Upon issuance or conversion in accordance with the Convertible Debentures, the Conversion Shares, when issued, will be validly issued, fully paid and nonassessable and free from all preemptive or similar rights or Liens with respect to the issue thereof, with the holders being entitled to all rights accorded to a holder of Common Shares.

(d) No Conflicts. The execution, delivery and performance of the Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Convertible Debentures, the Conversion Shares, and the reservation for issuance of the Conversion Shares) will not (i) result in a violation of the Certificate of Incorporation (as defined below), Bylaws (as defined below), certificate of formation, memorandum of association, articles of association, bylaws or other organizational documents of the Company or any of its Subsidiaries, or any capital stock or other securities of the Company or any of its Subsidiaries, (ii) conflict with, or constitute a default under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or any of its Subsidiaries is a party, or (iii) result in a material violation of any law, rule, regulation, order, judgment or decree (including, without limitation, U.S. federal and state securities laws and regulations, the securities laws of the jurisdictions of the Company's incorporation or in which it or its subsidiaries operate and the rules and regulations of Nasdaq (the "Principal Market," provided however, that in the event the Common Shares are ever listed or traded on any of the New York Stock Exchange, or the NYSE American, the "Principal Market" shall mean that market on which the Common Shares are then listed or traded) and including all applicable laws, rules and regulations of the jurisdiction of incorporation of the Company) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected, except in the case of (ii) for any conflict, default, right or violation that would not reasonably be expected to result in a Material Adverse Effect.

(e) Consents. The Company is not required to obtain any consent from, authorization or order of, or make any filing or registration with (other than any filings as may be required by any federal or state securities agencies and any filings as may be required by the Principal Market), any Governmental Entity (as defined below) or any regulatory or self-regulatory agency or any other Person in order for it to execute, deliver or perform any of its obligations under or contemplated by the Transaction Documents, in each case, in accordance with the terms hereof or thereof, other than the consent from WTI Fund X, Inc. and WTI Fund XI, Inc. (together, the “WTI Lenders”). All consents, authorizations, orders, filings and registrations which the Company or any Subsidiary is required to obtain pursuant to the preceding sentence have been or will be obtained or effected on or prior to the First Closing Date, and neither the Company nor any of its Subsidiaries are aware of any facts or circumstances which might prevent the Company or any of its Subsidiaries from obtaining or effecting any of the registration, application or filings contemplated by the Transaction Documents. The Company is not in violation of the requirements of the Principal Market and has no knowledge of any facts or circumstances which could reasonably lead to delisting or suspension of the Common Shares in the foreseeable future. The Company has notified or will notify the Principal Market of the issuance of all of the Securities hereunder, which does not require obtaining the approval of the stockholders of the Company or any other Person or Governmental Entity, and the Principal Market has completed its review of the related Listing of Additional Shares form. “Governmental Entity” means any nation, state, county, city, town, village, district, or other political jurisdiction of any nature, federal, state, local, municipal, foreign, or other government, governmental or quasi-governmental authority of any nature (including any governmental agency, branch, department, official, or entity and any court or other tribunal), multi-national organization or body; or body exercising, or entitled to exercise, any administrative, executive, judicial, legislative, police, regulatory, or taxing authority or power of any nature or instrumentality of any of the foregoing, including any entity or enterprise owned or controlled by a government or a public international organization or any of the foregoing.

(f) Acknowledgment Regarding Buyer's Purchase of Securities. The Company acknowledges and agrees that each Buyer is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated hereby and thereby and that no Buyer is (i) an officer or director of the Company or any of its Subsidiaries, (ii) to its knowledge, an “affiliate” (as defined in Rule 144 promulgated under the Securities Act (or a successor rule thereto) (collectively, “Rule 144”)) of the Company or any of its Subsidiaries or (iii) to its knowledge, a “beneficial owner” of more than 10% of the Common Shares (as defined for purposes of Rule 13d-3 of the Exchange Act). The Company further acknowledges that no Buyer (nor any affiliate of any Buyer) is acting as a financial advisor or fiduciary of the Company or any of its Subsidiaries (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated hereby and thereby, and any advice given by a Buyer or any of its representatives or agents in connection with the Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to such Buyer's purchase of the Securities. The Company further represents to each Buyer that the Company's decision to enter into the Transaction Documents to which it is a party has been based solely on the independent evaluation by the Company and its representatives.

(g) No Integrated Offering. None of the Company, its Subsidiaries or any of their affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Securities to require approval of stockholders of the Company under any applicable stockholders approval provisions, including, without limitation, under the rules and regulations of any exchange or automated quotation system on which any of the securities of the Company are listed or designated for quotation. None of the Company, its Subsidiaries, their affiliates nor any Person acting on their behalf will take any action or steps that would cause the offering of any of the Securities to be integrated with other offerings of securities of the Company.

(h) Dilutive Effect. The Company understands and acknowledges that the number of Conversion Shares will increase in certain circumstances. The Company further acknowledges its obligation to issue the Conversion Shares upon conversion of the Convertible Debentures in accordance with the terms thereof is, absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other stockholders of the Company.

(i) Application of Takeover Protections; Rights Agreement. The Company and its board of directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, interested stockholders, business combination, poison pill (including, without limitation, any distribution under a rights agreement), stockholders rights plan or other similar anti-takeover provision under the Certificate of Incorporation, Bylaws or other organizational documents or the laws of the jurisdiction of its incorporation or otherwise which is or could become applicable to any Buyer as a result of the transactions contemplated by this Agreement, including, without limitation, the Company's issuance of the Securities and any Buyer's ownership of the Securities.

(j) SEC Documents; Financial Statements. Since October 2, 2024, the Company has timely filed all reports, schedules, forms, proxy statements, statements and other documents required to be filed by it with the SEC pursuant to the reporting requirements of the Exchange Act (all of the foregoing filed prior to the date hereof and all exhibits and appendices included therein and financial statements, notes and schedules thereto and documents incorporated by reference therein being hereinafter referred to as the “SEC Documents”). The Company has delivered or has made available to the Buyers or their respective representatives true, correct and complete copies of any the SEC Documents not available on the EDGAR system. As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Exchange Act or the Securities Act, as applicable and none of the SEC Documents, at the time they were filed with the SEC, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of their respective dates, the financial statements of the Company included in the SEC Documents complied in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto as in effect as of the time of filing. Such financial statements have been prepared in accordance with generally accepted accounting principles (“GAAP”), consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments which will not be material, either individually or in the aggregate). The reserves, if any, established by the Company or the lack of reserves, if applicable, are reasonable based upon facts and circumstances known by the Company on the date hereof and there are no loss contingencies that are required to be accrued by the Statement of Financial Accounting Standard No. 5 of the Financial Accounting Standards Board which are not provided for by the Company in its financial statements or otherwise. No other written information provided by or on behalf of the Company to any of the Buyers which is not included in the SEC Documents (including, without limitation, information referred to in Section 2(d)) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein not misleading, in the light of the circumstance under which they are or were made. The Company is not currently contemplating to amend or restate any of the financial statements (including, without limitation, any notes or any letter of the independent accountants of the Company with respect thereto) included in the SEC Documents (the “Financial Statements”), nor is the Company currently aware of facts or circumstances which would require the Company to amend or restate any of the Financial Statements, in each case, in order for any of the Financials Statements to be in compliance with GAAP and the rules and regulations of the SEC. The Company has not been informed by its independent accountants that they recommend that the Company amend or restate any of the Financial Statements or that there is any need for the Company to amend or restate any of the Financial Statements.

(k) Absence of Certain Changes. Since the date of the Company's most recent audited financial statements contained in a Form 10-K or a Form S-1, there has been no Material Adverse Effect, nor any event or occurrence specifically affecting the Company or its Subsidiaries that would be reasonably expected to result in a Material Adverse Effect. Since the date of the Company's most recent audited financial statements contained in a Form 10-K or Form S-1, neither the Company nor any of its Subsidiaries has (i) declared or paid any dividends on the Common Shares, (ii) sold any material assets, individually or in the aggregate, outside of the ordinary course of business or (iii) made any material capital expenditures, individually or in the aggregate, outside of the ordinary course of business. Neither the Company nor any of its Subsidiaries has taken any steps to seek protection pursuant to any law or statute relating to bankruptcy, insolvency, reorganization, receivership, liquidation or winding up, nor does the Company or any Subsidiary have any knowledge or reason to believe that any of their respective creditors intend to initiate involuntary bankruptcy proceedings or any actual knowledge of any fact which would reasonably lead a creditor to do so.

(l) No Undisclosed Events, Liabilities, Developments or Circumstances. No event, liability, development or circumstance has occurred or exists, or is reasonably expected to exist or occur specific to the Company, any of its Subsidiaries or any of their respective businesses, properties, liabilities, prospects, operations (including results thereof) or condition (financial or otherwise), that (i) would be required to be disclosed by the Company under applicable securities laws on a registration statement filed with the SEC relating to an issuance and sale by the Company of its Common Shares and which has not been publicly announced, or (ii) would reasonably be expected to have a Material Adverse Effect.

(m) Conduct of Business; Regulatory Permits. Neither the Company nor any of its Subsidiaries is in violation of any term under its Certificate of Incorporation, any certificate of designation, preferences or rights of any other outstanding series of preferred stock of the Company or any of its Subsidiaries or Bylaws or their organizational charter, certificate of formation, memorandum of association, articles of association, Certificate of Incorporation or certificate of incorporation or bylaws, respectively. Neither the Company nor any of its Subsidiaries is in violation of any judgment, decree or order or any statute, ordinance, rule or regulation applicable to the Company or any of its Subsidiaries, and neither the Company nor any of its Subsidiaries will conduct its business in violation of any of the foregoing, except in all cases for violations which would not reasonably be expected to have a Material Adverse Effect. Without limiting the generality of the foregoing, the Company is not in material violation of any of the rules, regulations or requirements of the Principal Market, and has no knowledge of any facts or circumstances that could reasonably lead to delisting or suspension of trading of the Common Shares by the Principal Market in the foreseeable future. Since October 3, 2024, (i) the Common Shares have been listed or designated for quotation on the Principal Market, (ii) trading in the Common Shares has not been suspended by the SEC or the Principal Market and (iii) the Company has received no communication, written or oral, from the SEC or the Principal Market regarding the suspension or delisting of the Common Shares from the Principal Market, which has not been publicly disclosed. The Company and each of its Subsidiaries possess all certificates, authorizations and permits issued by the appropriate regulatory authorities necessary to conduct their respective businesses, except where the failure to possess such certificates, authorizations or permits would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and neither the Company nor any of its Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit. There is no agreement, commitment, judgment, injunction, order or decree binding upon the Company or any of its Subsidiaries or to which the Company or any of its Subsidiaries is a party which has or would reasonably be expected to have the effect of prohibiting or materially impairing any business practice of the Company or any of its Subsidiaries, any acquisition of property by the Company or any of its Subsidiaries or the conduct of business by the Company or any of its Subsidiaries as currently conducted other than such effects, individually or in the aggregate, which have not had and would not reasonably be expected to have a Material Adverse Effect on the Company or any of its Subsidiaries.

(n) Foreign Corrupt Practices. Neither the Company nor any of its Subsidiaries nor any director, officer, agent, employee, nor any other Person acting for or on behalf of the Company or any of its Subsidiaries (individually and collectively, a “Company Affiliate”) have violated the U.S. Foreign Corrupt Practices Act (the “FCPA”) or any other applicable anti-bribery or anti-corruption laws, nor has any Company Affiliate offered, paid, promised to pay, or authorized the payment of any money, or offered, given, promised to give, or authorized the giving of anything of value, to any officer, employee or any other Person acting in an official capacity for any Governmental Entity to any political party or official thereof or to any candidate for political office (individually and collectively, a “Government Official”) or to any Person under circumstances where such Company Affiliate knew or was aware of a high probability that all or a portion of such money or thing of value would be offered, given or promised, directly or indirectly, to any Government Official, for the purpose, in violation of applicable law, of: (i) (A) influencing any act or decision of such Government Official in his/her official capacity, (B) inducing such Government Official to do or omit to do any act in violation of his/her lawful duty, (C) securing any improper advantage, or (D) inducing such Government Official to influence or affect any act or decision of any Governmental Entity, or (ii) assisting the Company or its Subsidiaries in obtaining or retaining business for or with, or directing business to, the Company or its Subsidiaries.

(iii) Existing Securities; Obligations. Except for warrants to acquire up to 300,000 Common Shares issuable upon conversion or exercise of equity securities that the Company expects to issue within 30 days of the First Closing to the WTI Lenders, forms of which have been provided to the Buyers, or as otherwise disclosed in the SEC Documents: (A) none of the Company's shares, interests or capital stock is subject to preemptive rights or any other similar rights or Liens suffered or permitted by the Company ; (B) other than issuances pursuant to the Company's equity incentive plans, there are no outstanding options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, or exercisable or exchangeable for, any shares, interests or capital stock of the Company, or contracts, commitments, understandings or arrangements by which the Company is or may become bound to issue additional shares, interests or capital stock of the Company or options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, or exercisable or exchangeable for, any shares, interests or capital stock of the Company; (C) there are no agreements or arrangements under which the Company is obligated to register the sale of any of their securities under the Securities Act (except pursuant to this Agreement); (D) there are no outstanding securities or instruments of the Company which contain any redemption or similar provisions, and there are no contracts, commitments, understandings or arrangements by which the Company is or may become bound to redeem a security of the Company ; (E) there are no securities or instruments containing anti-dilution or similar provisions that will be triggered by the issuance of the Securities; and (F) neither the Company nor any Subsidiary has entered into any Variable Rate Transaction.

(p) Indebtedness and Other Contracts. Other than as set forth in the SEC Documents, the Company does not, (i) have any outstanding debt securities, notes, credit agreements, credit facilities or other agreements, documents or instruments evidencing Indebtedness of the Company or any of its Significant Subsidiaries or by which the Company or any of its Significant Subsidiaries is or may become bound, (ii) is a party to any contract, agreement or instrument, the violation of which, or default under which, by the other party(ies) to such contract, agreement or instrument could reasonably be expected to result in a Material Adverse Effect, (iii) have any financing statements securing obligations in any amounts filed in connection with the Company or any of its Significant Subsidiaries; (iv) is in violation of any term of, or in default under, any contract, agreement or instrument relating to any Indebtedness, except where such violations and defaults would not result, individually or in the aggregate, in a Material Adverse Effect, or (v) is a party to any contract, agreement or instrument relating to any Indebtedness, the performance of which, in the judgment of the Company's officers, has or is expected to have a Material Adverse Effect. Neither the Company nor any of its Significant Subsidiaries have any liabilities or obligations required to be disclosed in the SEC Documents which are not so disclosed in the SEC Documents, other than those incurred in the ordinary course of the businesses and which, individually or in the aggregate, do not or could not have a Material Adverse Effect. For purposes of this Agreement: (x) "Indebtedness" of any Person means, without duplication (A) all indebtedness for borrowed money, (B) all obligations issued, undertaken or assumed as the deferred purchase price of property or services (including, without limitation, "capital leases" in accordance with GAAP) (other than trade payables entered into in the ordinary course of business consistent with past practice), (C) all reimbursement or payment obligations with respect to letters of credit, surety bonds and other similar instruments, (D) all obligations evidenced by notes, bonds, debentures or similar instruments, including obligations so evidenced incurred in connection with the acquisition of property, assets or businesses, (E) all indebtedness created or arising under any conditional sale or other title retention agreement, or incurred as financing, in either case with respect to any property or assets acquired with the proceeds of such indebtedness (even though the rights and remedies of the seller or bank under such agreement in the event of default are limited to repossession or sale of such property), (F) all monetary obligations under any leasing or similar arrangement which, in connection with GAAP, consistently applied for the periods covered thereby, is classified as a capital lease, (G) all indebtedness referred to in clauses (A) through (F) above secured by (or for which the holder of such Indebtedness has an existing right, contingent or otherwise, to be secured by) any Lien upon or in any property or assets (including accounts and contract rights) owned by any Person, even though the Person which owns such assets or property has not assumed or become liable for the payment of such indebtedness, and (H) all Contingent Obligations in respect of indebtedness or obligations of others of the kinds referred to in clauses (A) through (G) above; (y) "Contingent Obligation" means, as to any Person, any direct or indirect liability, contingent or otherwise, of that Person with respect to any Indebtedness, lease, dividend or other obligation of another Person if the primary purpose or intent of the Person incurring such liability, or the primary effect thereof, is to provide assurance to the obligee of such liability that such liability will be paid or discharged, or that any agreements relating thereto will be complied with, or that the holders of such liability will be protected (in whole or in part) against loss with respect thereto, and (z) "Significant Subsidiaries" means each of the wholly owned Subsidiaries of the Company as of the date hereof.

(q) Litigation. After reasonable inquiry of its employees, the Company is not aware of any event which might result in or form the basis for any such action, suit, arbitration, investigation, inquiry or other proceeding. Without limitation of the foregoing, there has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC involving the Company, any of its Significant Subsidiaries, or any current or former director or officer of the Company or any of its Significant Subsidiaries. The Company does not have any knowledge of any infringement by the Company of Intellectual Property Rights of others. There is no claim, action or proceeding being made or brought, or to the knowledge of the Company or any of its Significant Subsidiaries, being threatened, against the Company or any of its Significant Subsidiaries regarding its Intellectual Property Rights that would reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any of its Significant Subsidiaries is aware of any facts or circumstances which might give rise to any of the foregoing infringements or claims, actions or proceedings. The Company and its Significant Subsidiaries have taken reasonable security measures to protect the secrecy, confidentiality and value of all of its Intellectual Property Rights.

(s) Environmental Laws. Except, in each case, as would not be reasonably anticipated to have a Material Adverse Effect, the Company and its Significant Subsidiaries (a) are in compliance with any and all applicable laws relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants, (b) have received and hold all material permits, licenses or other approvals required of it under all such laws to conduct its respective businesses and (c) is in compliance with all material terms and conditions of any such permit, license or approval.

(w) Insurance. The Company and any each of its Significant Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company believes to be prudent and customary in the businesses in which the Company and its Significant Subsidiaries are engaged. Neither the Company nor any of its Significant Subsidiaries have been refused any insurance coverage sought or applied for, and neither the Company nor any of its Significant Subsidiaries have any reason to believe that it will be unable to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

The Company has exercised reasonable care to determine whether any Issuer Covered Person is subject to a Disqualification Event. The Company has complied, to the extent applicable, with its disclosure obligations under Rule 506(e), and has furnished to the Buyers a copy of any disclosures provided thereunder.

(ee) Other Covered Persons. The Company is not aware of any Person that has been or will be paid (directly or indirectly) remuneration for solicitation of Buyers or potential purchasers in connection with the sale of any Regulation D Securities.

To the extent that the Company delivers any material, non-public information to a Buyer without such Buyer's consent, the Company hereby covenants and agrees that such Buyer shall not have any duty of confidentiality with respect to such material, non-public information. Subject to the foregoing, neither the Company, its Subsidiaries nor any Buyer shall issue any press releases or any other public statements with respect to the transactions contemplated hereby; provided, however, the Company shall be entitled, without the prior approval of any Buyer, to make any press release or other public disclosure with respect to such transactions (i) in substantial conformity with the Current Report and contemporaneously therewith and (ii) as is required by applicable law and regulations (provided that in the case of clause (i) each Buyer shall be consulted by the Company in connection with any such press release or other public disclosure prior to its release). Except with respect to the matters described in the Transaction Agreements, including the name of the Buyers as set forth therein, and events that have occurred pursuant to the terms of the Transaction Agreements, without the prior written consent of the applicable Buyer (which may be granted or withheld in such Buyer's sole discretion), the Company shall not (and shall cause each of its Subsidiaries and affiliates to not) disclose the name of such Buyer in any filing, announcement, release or otherwise. Notwithstanding anything contained in this Agreement to the contrary and without implication that the contrary would otherwise be true, the Company expressly acknowledges and agrees that no Buyer shall have (unless expressly agreed to by a particular Buyer after the date hereof in a written definitive and binding agreement executed by the Company and such particular Buyer (it being understood and agreed that no Buyer may bind any other Buyer with respect thereto)), any duty of confidentiality with respect to any material, non-public information regarding the Company or any of its Subsidiaries.

From and after such Disclosure, the Company shall have disclosed all Confidential Information provided to such Buyer by the Company or any of its Subsidiaries or any of their respective officers, directors, employees or agents. In addition, effective upon such Disclosure, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, affiliates, employees or agents, on the one hand, and any of the Buyers or any of their affiliates, on the other hand, shall terminate. If at any time the number of Common Shares authorized to be issued is not sufficient to meet the Required Reserve Amount, the Company will promptly take all corporate action necessary to authorize and reserve a sufficient number of shares, including, without limitation, calling a special meeting of stockholders to authorize additional shares to meet the Company's obligations pursuant to the Transaction Documents, in the case of an insufficient number of authorized shares, recommending that stockholders vote in favor of an increase in such authorized number of shares sufficient to meet the Required Reserve Amount.

(k) Except as expressly set forth below, the Buyer covenants that from and after the date hereof through and ending when no Convertible Debentures remain outstanding (the “Restricted Period”), no Buyer or any of its officers, or any entity managed or controlled by the Buyer (collectively, the “Restricted Persons” and each of the foregoing is referred to herein as a “Restricted Person”) shall, directly or indirectly, engage in (i) any “short sale” (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Common Shares or (ii) put equivalent position or any hedging transaction which establishes a net short position with respect to any securities of the Company, either for its own principal account or for the principal account of any other Restricted Person. Nothing contained in this Section 8 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or the other Transaction Documents or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement or the other Transaction Documents.

9. MISCELLANEOUS.

(a) Governing Law. The Company waives any right to object to the maintenance of any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, in any of the state or federal courts of the Governing Jurisdiction on the basis of improper venue or inconvenience of forum.

(iii) Any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or tort or otherwise, brought by the Company against the Buyer arising out of or based upon this Agreement or any matter relating to this Agreement, or any other Transaction Document, or any contemplated transaction, shall be brought in a court only in the Governing Jurisdiction. The Company shall not file any counterclaim against the Buyer in any suit, claim, action, litigation or proceeding brought by the Buyer against the Company in a jurisdiction outside of the Governing Jurisdiction unless under the rules of the court in which the Buyer brought such suit, claim, action, litigation or proceeding the counterclaim is mandatory, and not permissive, and would be considered waived unless filed as a counterclaim in the suit, claim, action, litigation or proceeding instituted by the Buyer against the Company. The Company agrees that any forum outside the Governing Jurisdiction is an inconvenient forum and that any suit, claim, action, litigation or proceeding brought by the Company against the Buyer in any court outside the Governing Jurisdiction should be dismissed or transferred to a court located in the Governing Jurisdiction. Furthermore, the Company irrevocably and unconditionally agrees that it will not bring or commence any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Buyer arising out of or based upon this Agreement or any matter relating to this Agreement, or any other Transaction Document, or any contemplated transaction, in any forum other than the courts of the State of New York sitting in New York County, and the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such suit, claim, action, litigation or proceeding may be heard and determined in such New York State Court or, to the fullest extent permitted by applicable law, in such federal court. The Company and the Buyer agree that a final judgment in any such suit, claim, action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(iv) The Company and the Buyer irrevocably consent to the service of process out of any of the aforementioned courts in any such suit, claim, action, litigation or proceeding by the mailing of copies thereof by registered or certified mail postage prepaid, to it at the address provided for notices in this Agreement, such service to become effective thirty (30) days after the date of mailing.

(v) Nothing herein shall affect the right of the Buyer to serve process in any other manner permitted by law or to commence legal proceedings or to otherwise proceed against the Company or any other Person in the Governing Jurisdiction or in any other jurisdiction.

(c) THE PARTIES MUTUALLY WAIVE ALL RIGHT TO TRIAL BY JURY OF ALL CLAIMS OF ANY KIND ARISING OUT OF OR BASED UPON THIS AGREEMENT OR ANY MATTER RELATING TO THIS AGREEMENT, OR ANY OTHER TRANSACTION DOCUMENT, OR ANY CONTEMPLATED TRANSACTION. THE PARTIES ACKNOWLEDGE THAT THIS IS A WAIVER OF A LEGAL RIGHT AND THAT THE PARTIES EACH MAKE THIS WAIVER VOLUNTARILY AND KNOWINGLY AFTER CONSULTATION WITH COUNSEL OF THEIR RESPECTIVE CHOICE. THE PARTIES AGREE THAT ALL SUCH CLAIMS SHALL BE TRIED BEFORE A JUDGE OF A COURT HAVING JURISDICTION, WITHOUT A JURY.

(d) Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. In the event that any signature is delivered by an e-mail which contains a portable document format (.pdf) file of an executed signature page, such signature page shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

(e) Headings; Gender. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement. Unless the context clearly indicates otherwise, each pronoun herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms "including," "includes," "include" and words of like import shall be construed broadly as if followed by the words "without limitation." The terms "herein," "hereunder," "hereof" and words of like import refer to this entire Agreement instead of just the provision in which they are found.

(f) Entire Agreement, Amendments. This Agreement supersedes all other prior oral or written agreements between the Buyer, the Company, their affiliates and persons acting on their behalf with respect to the matters discussed herein, and this Agreement and the instruments referenced herein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor any Buyer makes any representation, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be amended other than by an instrument in writing signed by the party to be charged with enforcement. As a material inducement for each Buyer to enter into this Agreement, the Company expressly acknowledges and agrees that (x) no due diligence or other investigation or inquiry conducted by a Buyer, any of its advisors or any of its representatives shall affect such Buyer's right to rely on, or shall modify or qualify in any manner or be an exception to any of, the Company's representations and warranties contained in this Agreement or any other Transaction Document and (y) unless a provision of this Agreement or any other Transaction Document is expressly preceded by the phrase "except as disclosed in the SEC Documents," nothing contained in any of the SEC Documents shall affect such Buyer's right to rely on, or shall modify or qualify in any manner or be an exception to any of, the Company's representations and warranties contained in this Agreement or any other Transaction Document.

(g) Notices. Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing by letter and email and will be deemed to have been delivered: upon the later of (A) either (i) receipt, when delivered personally or (ii) one (1) Business Day after deposit with an overnight courier service with next day delivery specified, in each case, properly addressed to the party to receive the same and (B) receipt, when sent by electronic mail. (h) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any purchasers of any of the Convertible Debentures (but excluding any purchasers of Underlying Securities, unless pursuant to a written assignment by such Buyer). The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Buyers. In connection with any transfer of any or all of its Securities, a Buyer may assign all, or a portion, of its rights and obligations hereunder in connection with such Securities without the consent of the Company, in which event such assignee shall be deemed to be a Buyer hereunder with respect to such transferred Securities.

(i) Indemnification.

(i) In consideration of each Buyer's execution and delivery of the Transaction Documents and acquiring the Securities thereunder and in addition to all of the Company's other obligations under the Transaction Documents, the Company shall defend, protect, indemnify and hold harmless each Buyer and each holder of any Securities and all of their stockholders, partners, members, officers, directors, employees and direct or indirect investors and any of the foregoing Persons' agents or other representatives (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and expenses in connection therewith (irrespective of whether any such Indemnatee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by any Indemnatee as a result of, or arising out of, or relating to (i) any misrepresentation or breach of any representation or warranty made by the Company in any of the Transaction Documents, (ii) any breach of any covenant, agreement or obligation of the Company or any Subsidiary contained in any of the Transaction Documents or (iii) any cause of action, suit, proceeding or claim brought or made against such Indemnatee by a third party (including for these purposes a derivative action brought on behalf of the Company or any Subsidiary) or which otherwise involves such Indemnatee that arises out of or results from (A) the execution, delivery, performance or enforcement of any of the Transaction Documents, (B) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Securities, or (C) any disclosure properly made to such Buyer pursuant to Section 4(g), or (D) the status of such Buyer or holder of the Securities either as an investor in the Company pursuant to the transactions contemplated by the Transaction Documents or as a party to this Agreement (including, without limitation, as a party in interest or otherwise in any action or proceeding for injunctive or other equitable relief). To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law.

(ii) Promptly after receipt by an Indemnitee under this Section 9(i) of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Indemnitee shall, if a claim in respect thereof is to be made against the Company under this Section 9(i), deliver to the Company a written notice of the commencement thereof, and the Company shall have the right to participate in, and, to the extent the Company so desires, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the Company and the Indemnitee; provided, however, that an Indemnitee shall have the right to retain its own counsel with the fees and expenses of such counsel to be paid by the Company if: (A) the Company has agreed in writing to pay such fees and expenses; (B) the Company shall have failed promptly to assume the defense of such Indemnified Liability and to employ counsel reasonably satisfactory to such Indemnitee in any such Indemnified Liability; or (C) the named parties to any such Indemnified Liability (including any impleaded parties) include both such Indemnitee and the Company, and such Indemnitee shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnitee and the Company (in which case, if such Indemnitee notifies the Company in writing that it elects to employ separate counsel at the expense of the Company, then the Company shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Company), provided further, that in the case of clause (C) above the Company shall not be responsible for the reasonable fees and expenses of more than one (1) separate legal counsel for the Indemnitees. The Indemnitee shall reasonably cooperate with the Company in connection with any negotiation or defense of any such action or Indemnified Liability by the Company and shall furnish to the Company all information reasonably available to the Indemnitee which relates to such action or Indemnified Liability. The Company shall keep the Indemnitee reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. The Company shall not be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the Company shall not unreasonably withhold, delay or condition its consent. The Company shall not, without the prior written consent of the Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnitee of a release from all liability in respect to such Indemnified Liability or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnitee. Following indemnification as provided for hereunder, the Company shall be subrogated to all rights of the Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the Company within a reasonable time of the commencement of any such action shall not relieve the Company of any liability to the Indemnitee under this Section 9(i), except to the extent that the Company is materially and adversely prejudiced in its ability to defend such action.

(iii) The indemnification required by this Section 9(i) shall be made by periodic payments of the amount thereof during the course of the investigation or defense, within ten (10) days after bills supporting the Indemnified Liabilities are received by the Company.

(iv) The indemnity agreement contained herein shall be in addition to (A) any cause of action or similar right of the Indemnitee against the Company or others, and (B) any liabilities the Company may be subject to pursuant to the law.

(j) No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

GLOBAL GUARANTY AGREEMENT

This Global Guaranty Agreement (this “Guaranty”) is made as of [], 2025 by **INNVENTURE LLC**, a limited liability company organized under the laws of Delaware (the “Guarantor”), in favor of **YA II PN, LTD.** (“YA II” or the “Creditor”), with respect to all obligations of **INNVENTURE, INC.**, a corporation incorporated under the laws of the State of Delaware (the “Debtor”) owed to the Creditor.

RECITALS

WHEREAS, the Creditor and the Debtor have entered into a Securities Purchase Agreement (the “Agreement”) on [], 2025 pursuant to which the Creditor shall provide loans to the Debtor, to be evidenced by convertible debentures (the “Convertible Debentures”) to be issued by the Debtor to the Creditor, in the amount of up to \$30 million;

WHEREAS, it is a condition precedent to Debtor being permitted to loan, invest, transfer or “downstream” any cash proceeds, or assets or property acquired with cash proceeds from the issuance and sale of the Convertible Debentures to the Guarantor that the Guarantor enter into this Guaranty; and

WHEREAS, the Guarantor is a wholly owned subsidiary of the Debtor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Guarantor covenants and agrees as follows:

1. **Guaranty of Payment and Performance.** The Guarantor, jointly and severally, hereby guarantees to the Creditor the full, prompt and unconditional payment when due (whether at maturity, by acceleration or otherwise), and the performance, of liabilities, agreements and other obligations of the Debtor to the Creditor contained in the Convertible Debentures and the Transaction Documents up (all the foregoing, collectively, the “Obligations”). This Guaranty is an absolute, unconditional and continuing guaranty of the full and punctual payment and performance of the Obligations and not of their collectability only and is in no way conditioned upon any requirement that the Creditor first attempt to collect or require the performance of any of the Obligations from the Debtor or resort to any security or other means of obtaining their payment. Should the Debtor default in the payment or performance of any of the Obligations, the obligations of the Guarantor hereunder shall become immediately due and payable to the Creditor, all of which are expressly waived by the Guarantor.

2. **Limited Guaranty.** The liability of the Guarantor hereunder shall be limited to the amount of the Obligations due to the Creditor.

3. **Waivers by Guarantor; Creditor's Freedom to Act.** The Guarantor hereby agrees that the Obligations will be paid and performed strictly in accordance with their terms regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Creditor with respect thereto. The Guarantor waives presentment, demand, protest, notice of acceptance, notice of Obligations incurred and all other notices of any kind, all defenses that may be available by virtue of any valuation, stay, moratorium law or other similar law now or hereafter in effect, any right to require the marshalling of assets of the Debtor, and all suretyship defenses generally. Without limiting the generality of the foregoing, the Guarantor agrees to the provisions of any instrument evidencing, securing or otherwise executed in connection with any Obligation and agrees that the obligations of the Guarantor hereunder shall not be released or discharged, in whole or in part, or otherwise affected by (i) the failure of the Creditor to assert any claim or demand or to enforce any right or remedy against the Debtor; (ii) any extensions or renewals of, or alteration of the terms of, any Obligation or any portion thereof unless entered into by the Debtor; (iii) any rescissions, waivers, amendments or modifications of any of the terms or provisions of any agreement evidencing, securing or otherwise executed in connection with any Obligation unless entered into by the Debtor; (iv) the substitution or release of any entity primarily or secondarily liable for any Obligation; (v) the adequacy of any rights the Creditor may have against any collateral or other means of obtaining payment or performance of the Obligations; (vi) the impairment of any collateral securing the Obligations, including without limitation the failure to perfect or preserve any rights the Creditor might have in such collateral or the substitution, exchange, surrender, release, loss or destruction of any such collateral; (vii) the failure to obtain or maintain a right of contribution for the benefit of the Guarantor; (viii) errors or omissions in connection with the Creditor's administration of the Obligations (except behavior constituting bad faith); or (ix) any other act or omission that might in any manner or to any extent vary the risk of the Guarantor or otherwise operate as a release or discharge of the Guarantor (other than payment or performance in full of the Obligations), all of which may be done without notice to the Guarantor.

4. **Unenforceability of Obligations Against Debtor.** If, for any reason, the Debtor is under no legal obligation to discharge or perform any of the Obligations, or if any of the Obligations have become irrecoverable from the Debtor by operation of law or for any other reason (other than payment or performance in full of the Obligations), this Guaranty shall nevertheless be binding on the Guarantor to the same extent as if the Guarantor at all times had been the principal obligor on all such Obligations. In the event that acceleration of the time for payment of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of the Debtor, or for any other reason, all such amounts otherwise subject to acceleration under the terms of any agreement evidencing, securing or otherwise executed in connection with any Obligation shall be immediately due and payable by the Guarantor.

5. **Subrogation; Subordination.** Until the payment and performance in full of all Obligations, the Guarantor shall not exercise any rights against the Debtor arising as a result of payment by the Guarantor hereunder, by way of subrogation or otherwise, and will not prove any claim in competition with the Creditor in respect of any payment hereunder in bankruptcy or insolvency proceedings of any nature; the Guarantor will not claim any set-off or counterclaim against the Debtor in respect of any liability of the Guarantor to the Debtor; and the Guarantor waives any benefit of and any right to participate in any collateral that may be held by the Creditor. The payment of any amounts due with respect to any indebtedness of the Debtor now or hereafter held by the Guarantor is hereby subordinated to the prior payment in full of the Obligations. The Guarantor agrees that after the occurrence of any default in the payment or performance of the Obligations, the Guarantor will not demand, sue for or otherwise attempt to collect any such indebtedness of the Debtor to the Guarantor until the Obligations shall have been paid or performed in full. If, notwithstanding the foregoing sentence, the Guarantor shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by the Guarantor as trustee for the Creditor and be paid over to the Creditor on account of the Obligations without affecting in any manner the liability of the Guarantor under the other provisions of this Guaranty.

7. **Termination; Reinstatement.** This Guaranty is irrevocable and shall continue until such time as the Obligations have been indefeasibly paid or performed in full. This Guaranty shall be reinstated if at any time any payment made or value received with respect to an Obligation is rescinded or must otherwise be returned by the Creditor upon the insolvency, bankruptcy or reorganization of the Debtor, or otherwise, all as though such payment had not been made or value received.

8. **Successors and Assigns.** This Guaranty shall be binding upon the Guarantor, its successors and assigns, and shall inure to the benefit of and be enforceable by the Creditor and the Creditor's shareholders, officers, directors, agents, successors and assigns.

9. **Amendments and Waivers.** No amendment or waiver of any provision of this Guaranty nor consent to any departure by the Guarantor therefrom shall be effective unless the same shall be in writing and signed by the Guarantor and the Creditor. No failure on the part of the Creditor to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right.

10. **Notices.** All notices and other communications called for hereunder to the Creditor or the Debtor shall be made in writing as provided in the Agreement. All notices and other communications called for hereunder to the Guarantor shall be made in writing as provided on Schedule I attached hereto or as the Guarantor may otherwise notify the Creditor.

11. **Governing Law; Consent to Jurisdiction.** This Guaranty is intended to take effect as a sealed instrument and shall be governed by, and construed in accordance with, the laws of the State of New York (excluding the laws applicable to conflicts or choice of law). The Guarantor agrees that any suit for the enforcement of this Guaranty may be brought in the courts of the State of New York, New York County and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit's being made upon the Guarantor by mail at the address set forth at the head of this Guaranty. The Guarantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit was brought in an inconvenient court.

[Rest of page intentionally left blank. Signature page follows.]

IN WITNESS WHEREOF, the Guarantor has caused this Guaranty to be executed and delivered as a sealed instrument as of the date appearing on page one.

2. REGISTRATION.

(a) Registration Period. The Company’s registration obligations set forth in this Section 2, including its obligations to file Registration Statements, obtain effectiveness of Registration Statements, and maintain the continuous effectiveness of any Registration Statement that has been declared effective shall begin on the date hereof and continue until all the Registrable Securities have been sold or may be sold without any restrictions pursuant to Rule 144, as such rule applies to non-affiliates, as determined by the counsel to the Company pursuant to a written opinion letter to such effect, addressed and reasonably acceptable to the Company’s transfer agent (the “Registration Period”).

(b) Mandatory Registration. Subject to the terms and conditions of this Agreement, the Company shall (i) on or prior to the Filing Deadline, prepare and file with the SEC an initial Registration Statement on Form S-3 (or, if the Company is not then eligible, on Form S-1) or any successor form thereto covering the resale by the Investor of Registrable Securities, and (ii) on or prior to the 30th calendar day following receipt of each written notice by the Investor (a “Demand Notice”) delivered pursuant to the terms hereof, prepare and file an additional Registration Statement covering the resale by the Investor of Registrable Securities not covered by the initial Registration Statement. Each Registration Statement prepared pursuant hereto shall register for resale at least the number of Common Shares equal to the Required Registration Amount as of date the Registration Statement is initially filed with the SEC. Each Registration Statement shall contain “Selling Stockholders” and “Plan of Distribution” sections. The Company shall use its reasonable best efforts to have each Registration Statement declared effective by the SEC as soon as practicable, but in no event later than the Effectiveness Deadline. By 9:30 am, New York time on the Business Day following the date of effectiveness, the Company shall file with the SEC in accordance with Rule 424 under the Securities Act the final Prospectus to be used in connection with sales pursuant to such Registration Statement. Prior to the filing of the Registration Statement with the SEC, the Company shall furnish a draft of the Registration Statement to the Investor for their review and comment. The Investor shall furnish comments on the Registration Statement to the Company within 24 hours of the receipt thereof from the Company. For the purposes hereof, the Investor shall be entitled to deliver a Demand Notice to the Company at any time during the Registration Period if at such time (i) no Registration Statement is then in effect which the Investor may use to resell Registrable Securities, or (ii) a Registration Statement is effective, but the number of Common Shares issuable upon conversion of the Convertible Debentures exceeds the number of Common Shares registered on such Registration Statement.

(c) Amendments and Supplements. During the Registration Period, the Company shall (i) promptly prepare and file with the SEC such amendments (including post-effective amendments) and supplements to a Registration Statement and the Prospectus used in connection with a Registration Statement, which Prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep such Registration Statement effective at all times during the Registration Period, (ii) prepare and file with the SEC additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities in accordance with the terms of this Agreement; (iii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement (subject to the terms of this Agreement), and as so supplemented or amended to be filed pursuant to Rule 424; (iv) respond as promptly as reasonably practicable to any comments received from the SEC with respect to a Registration Statement or any amendment thereto; and (v) comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such Registration Statement. In the case of amendments and supplements to a Registration Statement which are required to be filed pursuant to this Agreement (including pursuant to this Section 2(c)) by reason of the Company's filing a report on Form 10-K, Form 10-Q, or Form 8-K or any analogous report under the Securities Exchange Act, the Company shall incorporate such report by reference into the Registration Statement, if applicable, or shall file such amendments or supplements with the SEC on the same day on which the Exchange Act report is filed which created the requirement for the Company to amend or supplement the Registration Statement.

(d) Reduction of Registrable Securities Included in a Registration Statement. Notwithstanding anything contained herein, in the event that the SEC requires the Company to reduce the number of Registrable Securities to be included in a Registration Statement in order to allow the Company to rely on Rule 415 with respect to a Registration Statement, then the Company shall be obligated to include in such Registration Statement (which may be a subsequent Registration Statement if the Company needs to withdraw a Registration Statement and refile a new Registration Statement in order to rely on Rule 415) only such limited portion of the Registrable Securities as the SEC shall permit. Any Registrable Securities that are excluded in accordance with the foregoing terms are hereinafter referred to as "Cut Back Securities." To the extent Cut Back Securities exist, promptly following such time as may be permitted by the SEC, the Company shall be required to file a Registration Statement covering the resale of the Cut Back Securities (subject also to the terms of this Section) and shall use its reasonable best efforts to cause such Registration Statement to be declared effective as promptly as practicable thereafter, but in no event later than the Effectiveness Deadline. Notwithstanding the foregoing to the contrary, the Company shall be obligated to use diligent efforts to advocate with the SEC for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09. Unless otherwise directed in writing by a holder as to its Registrable Securities, the number of Registrable Securities to be registered on such Registration Statement will be reduced as follows: (i) first, the Company shall reduce or eliminate any securities to be included other than Registrable Securities; and (ii) second, the Company shall reduce Registrable Securities on a pro rata basis based on the total number of Registrable Securities held by such holders (or as otherwise expressly directed by the SEC).

(e) Piggy-Back Registrations. If at any time there is not an effective Registration Statement covering all of the Registrable Securities and the Company proposes to register the offer and sale of any of its Common Shares under the Securities Act (other than a registration (i) pursuant to a Registration Statement on Form S-8 ((or other registration solely relating to an offering or sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit arrangement), (ii) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), or (iii) in connection with any dividend or distribution reinvestment or similar plan), whether for its own account or for the account of one or more stockholders of the Company and the form of Registration Statement to be used may be used for any registration of Registrable Securities, the Company shall give prompt written notice (in any event no later than five days prior to the filing of such Registration Statement) to the holders of Registrable Securities of its intention to effect such a registration and, shall include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion from the holders of Registrable Securities; provided, however, that, the Company shall not be required to register any Registrable Securities pursuant to this Section 2(f) that have been sold or may be sold without any restrictions pursuant to Rule 144, as such rule applies to non-affiliates, as determined by the counsel to the Company pursuant to a written opinion letter to such effect, addressed and acceptable to the Company's transfer agent.

3. RELATED OBLIGATIONS.

(a) The Company shall, not less than three Business Days prior to the filing of each Registration Statement and not less than one Business Day prior to the filing of any related amendments and supplements to all Registration Statements (except for annual reports on Form 10-K, supplements and amendments to update the Registration Statement solely for information reflected in the Company's annual reports on Form 10-K, quarterly reports on Form 10-Q or current reports on Form 8-K), furnish to each Investor copies of all such documents proposed to be filed, which documents (other than those incorporated or deemed to be incorporated by reference) will be subject to the reasonable and prompt review of such Investor. The Company shall not file a Registration Statement or any such Prospectus or any amendments or supplements thereto to which the Investor shall reasonably object in good faith; *provided* that, the Company is notified of such objection in writing no later than 24 hours after the Investor has been so furnished copies of a Registration Statement.

(b) The Company shall furnish to each Investor whose Registrable Securities are included in any Registration Statement, without charge, (i) an electronic copy of such Registration Statement as declared effective by the SEC and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference, all exhibits and each preliminary prospectus, (ii) an electronic copy of the final prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as such Investor may reasonably request) and (iii) such other documents, which are not publicly available through EDGAR, as such Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by such Investor.

(c) The Company shall use its best efforts to (i) register and qualify the Registrable Securities covered by a Registration Statement under such other securities or “blue sky” laws of such jurisdictions in the United States as the Investor reasonably requests, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (w) make any change to its certificate of incorporation or bylaws, (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(c), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify each Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

(d) At any time prior to the end of the Registration Period, as promptly as practicable after becoming aware of such event or development, the Company shall notify each Investor in writing of the happening of any event as a result of which the Prospectus included in a Registration Statement, as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (provided that in no event shall such notice contain any material, nonpublic information), and promptly prepare a supplement or amendment to such Registration Statement to correct such untrue statement or omission, and deliver ten (10) copies of such supplement or amendment to the Investor. The Company shall also promptly notify each Investor in writing (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and when a Registration Statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to the Investor by e-mail on the same day of such effectiveness), (ii) of any request by the SEC for amendments or supplements to a Registration Statement or related prospectus or related information, and (iii) of the Company’s reasonable determination that a post-effective amendment to a Registration Statement would be appropriate. The Company shall respond as promptly as reasonably practicable to any comments received from the SEC with respect to a Registration Statement or any amendment thereto.

(e) The Company shall use its best efforts to prevent the issuance of any stop order or other suspension of effectiveness of a Registration Statement, or the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction within the United States of America and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify each Investor who holds Registrable Securities being sold of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

(f) The Company shall hold in confidence and not make any disclosure of information concerning the Investor provided to the Company unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other agreement. The Company agrees that it shall, upon learning that disclosure of such information concerning the Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to the Investor and allow the Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, such information.

(g) The Company shall use its reasonable best efforts to cause all the Registrable Securities to be listed on each securities exchange on which the Common Shares are then listed. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3(g).

(h) The Company shall cooperate with the holders of the Registrable Securities to facilitate the timely preparation and delivery of certificates representing the Registrable Securities to be sold pursuant to such Registration Statement or Rule 144 free of any restrictive legends and representing such number of Common Shares and registered in such names as the holders of the Registrable Securities may reasonably request a reasonable period of time prior to sales of Registrable Securities pursuant to such Registration Statement or Rule; provided, that the Company may satisfy its obligations hereunder without issuing physical stock certificates through the use of The Depository Trust Company's Direct Registration System.

(i) The Company shall use its reasonable best efforts to cause the Registrable Securities to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

(j) The Company shall otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the SEC in connection with any registration hereunder.

(k) Within one Business Day after a Registration Statement which covers Registrable Securities is declared effective by the SEC, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor whose Registrable Securities are included in such Registration Statement) confirmation that such Registration Statement has been declared effective by the SEC.

(l) The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by each Investor of Registrable Securities pursuant to a Registration Statement.

4. OBLIGATIONS OF THE INVESTOR.

(a) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(d), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(d) or receipt of notice that no supplement or amendment is required. Notwithstanding anything to the contrary, subject to compliance with the securities laws, the Company shall cause its transfer agent to deliver unlegended certificates for Common Shares to a transferee of an Investor in accordance with the terms of the Securities Purchase Agreement in connection with any sale of Registrable Securities with respect to which an Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(d) and for which the Investor has not yet settled.

(b) The Investor covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it or an exemption therefrom in connection with sales of Registrable Securities pursuant to the Registration Statement.

5. EXPENSES OF REGISTRATION.

Each party shall bear its own fees and expenses related to the transactions contemplated by this Agreement. For the avoidance of doubt, all expenses incurred by the Company in complying with its obligations pursuant to this Agreement and in connection with the registration and disposition of Registrable Securities shall be paid by the Company, including, without limitation, all registration, listing and qualifications fees, printers expenses, and fees and expenses of the Company's counsel and accountants (except legal fees of Investor's counsel associated with the review of the Registration Statement). The Investor shall pay any sales or brokerage commissions and fees and expenses of counsel for, and other expenses of, the Investor incurred in connection with registration of Registrable Securities.

6. INDEMNIFICATION.

With respect to Registrable Securities which are included in a Registration Statement under this Agreement:

(a) To the fullest extent permitted by law, the Company shall, and hereby does, indemnify, hold harmless and defend the Investor, the directors, officers, partners, employees, agents, representatives of, and each Person, if any, who controls any Investor within the meaning of the Securities Act or the Exchange Act (each, an “Indemnified Person”), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, reasonable attorneys’ fees, amounts paid in settlement or expenses, joint or several (collectively, “Claims”) incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto (“Indemnified Damages”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other “blue sky” laws of any jurisdiction in which Registrable Securities are offered (“Blue Sky Filing”), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) any untrue statement or alleged untrue statement of a material fact contained in any final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading; or (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation there under relating to the offer or sale of the Registrable Securities pursuant to a Registration Statement (the matters in the foregoing clauses (i) through (iii) being, collectively, “Violations”). The Company shall reimburse the Investor and each such controlling person promptly as such expenses are incurred and are due and payable, for any legal fees or disbursements or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (x) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto; (y) shall not be available to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company, if such prospectus was timely made available by the Company pursuant to Section 3(b); and (z) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person.

(b) In connection with a Registration Statement, the Investor agrees to indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its directors, each of its officers, employees, representatives, or agents and each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (each an “Indemnified Party”), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or is based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information furnished to the Company by such Investor expressly for use in connection with such Registration Statement; and, subject to Section 6(d), such Investor will reimburse any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of such Investor, which consent shall not be unreasonably withheld; provided, further, however, that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(b) with respect to any prospectus shall not inure to the benefit of any Indemnified Party if the untrue statement or omission of material fact contained in the prospectus was corrected and such new prospectus was delivered to each Investor prior to such Investor’s use of the prospectus to which the Claim relates.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses of not more than one (1) counsel for such Indemnified Person or Indemnified Party to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

(e) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7. CONTRIBUTION.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

8. REPORTS UNDER THE EXCHANGE ACT.

With a view to making available to the Investor the benefits of Rule 144 promulgated under the Securities Act or any similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration, and as a material inducement to the Investor's purchase of the Convertible Debentures, the Company represents, warrants, and covenants to the following:

(a) The Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act and has filed all required reports under Section 13 or 15(d) of the Exchange Act during the 12 months prior to the date hereof (or for such shorter period that the Company was required to file such reports), other than Form 8-K reports.

(b) The Company shall furnish to the Investor so long as such Investor owns Registrable Securities, promptly upon request, (i) to the extent it is in compliance with the reporting requirements of Rule 144, a written statement by the Company that it has complied with the reporting requirements of Rule 144, and (ii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration.

9. AMENDMENT OF REGISTRATION RIGHTS.

Provisions of this Agreement may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of the Company and Investor. Any amendment or waiver effected in accordance with this Section 9 shall be binding upon the Investor and the Company. No such amendment shall be effective to the extent that it applies to fewer than all of the holders of the Registrable Securities. No consideration shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of any of this Agreement unless the same consideration also is offered to all of the parties to this Agreement.

10. MISCELLANEOUS.

(a) A Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities or owns the right to receive the Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the registered owner of such Registrable Securities.

(b) The Company shall not file any other registration statements on Form S-3, Form S-1, or otherwise until the initial Registration Statement required hereunder is declared effective by the SEC, provided that this Section 10(b) shall not prohibit the Company from filing amendments to registration statements already filed. The Company shall not include any other securities on a Registration Statement unless otherwise agreed by the Investor.

(c) Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed to have been delivered pursuant to the notice provisions of the Securities Purchase Agreement or to such other address and/or electronic mail address and/or to the attention of such other person as the recipient party has specified by written notice given to each other party five (5) days prior to the effectiveness of such change. Written confirmation of receipt (A) given by the recipient of such notice, consent, waiver or other communication, (B) electronically generated by the sender's email service provider containing the time, date, and recipient email or (C) provided by a courier or overnight courier service shall be rebuttable evidence of personal service, receipt by facsimile or receipt from a nationally recognized overnight delivery service in accordance with this section.

(d) Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

(e) The laws of the State of New York shall govern all issues concerning the relative rights of the Company and the Investor. All other questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. Each party hereby irrevocably submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York, sitting in New York County, New York and federal courts for the Southern District of New York sitting New York, New York, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.

(f) This Agreement and the rights, duties and obligations of the Investor hereunder may only be assigned upon the transfer of a Convertible Debenture or the Conversion Shares issued pursuant to a Convertible Debenture pursuant to the terms and restrictions on transfer set forth in the Securities Purchase Agreement and the applicable Convertible Debenture. This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and its successors and the permitted assigns of the parties. No assignment by any party hereto of such party's rights, duties and obligations hereunder shall be binding upon or obligate the Company unless and until the Company shall have received (A) written notice of such assignment and (B) the written agreement of the assignee, in a form reasonably satisfactory to the Company, to be bound by the terms and provisions of this Agreement (which may be accomplished by an addendum or certificate of joinder to this Agreement).

(g) The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(h) This Agreement may be executed in identical counterparts, both which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. Facsimile or other electronically scanned and delivered signatures (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com), including by e-mail attachment, shall be deemed to have been duly and validly delivered and be valid and effective for all purposes of this Agreement.

(i) Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(j) The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent and no rules of strict construction will be applied against any party.

(k) This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.
