Exhibit 99.1

Innventure Set to Join the Russell 2000®, Russell 3000®, and Russell Microcap® Indexes Source: Innventure, Inc.

ORLANDO, Fla., Dec. 10, 2025 (GLOBE NEWSWIRE) -- Innventure, Inc. (NASDAQ: INV) today announced that it has been added to the Russell 2000® Index and the broader Russell 3000® Index, effective at the open of U.S. equity markets on December 22, 2025, as part of the annual Russell indexes reconstitution. In addition, Innventure has been included in the Russell Microcap® Index, which measures the performance of the microcap segment of the U.S. equity market.

"Being added to the Russell indexes is an important milestone for Innventure and reflects the progress we've made in executing our strategy," said Bill Haskell, Chief Executive Officer of Innventure. "Inclusion in these indexes will enhance our visibility within the investment community and broaden our shareholder base as we continue to deliver on our mission to transform breakthrough technologies into scalable businesses."

Membership in the Russell indexes, which remains in place for one year and is updated annually during the Russell reconstitution process, is determined primarily by market capitalization and style attributes. These indexes are widely used by investment managers and institutional investors for benchmarking and as the basis for index funds and ETFs.
